

BEECHEN CLIFF

Wednesday 5th October 2016

Message from the Headmaster

Dear Parents and Carers

Year 7 Welcome Service on Friday 7th October at St Luke's Church

Your son has recently started his academic life at Beechen Cliff School, launching himself into a world which will hopefully furnish him with opportunities to become a successful and happy member of the school.

At the beginning of the academic year we take all of our Year 7 boys to St Luke's Church to participate in a Welcome Service. This will formally introduce them into the School community, where they will receive a scroll, on which is a promise that they will make to uphold our core values and give of their best at all times.

The service will be attended by the Mayor and a number of other dignitaries. As this will be a time for the new boys to share in the collective pride of being part of the school we would like parents and family members/friends to share the occasion. We are therefore extending an invitation for you to attend the service and see your son being inducted into the school.

The service will begin at 2.40 pm and will conclude at approximately 3.10 pm. The boys will then be free to go home.

We hope to see you on the 7th October.

Mr A Davies
Headmaster

Theme of the Week

Theme of the week this week is focusing on Dyslexia Awareness week.

**Dyslexia
Awareness
Week**

Dyslexia affects approximately one in ten people in the UK, that's over Six million people. It is the most common and best understood hidden disability, despite this, there is still much to be done to help people understand and raise awareness of dyslexia.

That is why the UK is hosting two Dyslexia Awareness Weeks this year, to shed further light on what dyslexia is and how people affected by dyslexia can be supported at school, at work and in their day-to-day lives.

The theme of the week will be 'Identifying Dyslexia'.

The links provided will give you further information.

Silver Duke of Edinburgh Award - Assessment Weekend 2016

Congratulations to all students who successfully completed the expedition aspect of their Duke of Edinburgh Silver Award, spending a weekend on Dartmoor in September.

Year 11 students from Hayesfield and Beechen Cliff faced many challenges over a gruelling training weekend three weeks ago in the Breacon Beacons, prior to the weekend assessment on Dartmoor.

The mixed groups walked over three days, testing their navigation and pacing skills to ensure they managed the task successfully. The group were fortunate to walk in fair weather on Friday and Saturday however experienced a challenging overnight camp on the Saturday evening following heavy rain and some flooding, which the students worked really hard to overcome together sharing resources along the way.

Successfully completing this expedition really was a great achievement and will provide these Year 11 pupils with a positive outlook and 'can do' attitude to their GCSE exams.

The optimistic attitude and high spirits of those taking part made the expedition a really enjoyable experience for staff and students alike. Thank you Mrs Younger for all of her hard work in organising the expedition and to all of the staff who gave up their weekend to support the students, without whom these weekends could not take place; Mr Isaac, Mrs Isaac, Ms Cordero, Miss Tillson, Mr Young, Mrs Young, Miss Isaac and Mr Brewer.

Students are now busy working on completing their physical, volunteering and skill areas of their award and putting together a presentation about this expedition.

The Great Walk - Friday 21st October 2016

The Great Walk is Beechen Cliff's Whole School Fundraising Event. This year The Great Walk will take place on Friday 21st October 2016.

The Walk provides a fantastic opportunity for all boys in Years 7 to 11 to participate in raising money for their School, and then be actively involved in bidding for available funds to support School Projects of interest to them.

Past years' successful bids have included the purchase of footballs, basketballs and cricket sets. Supported the purchase of lighting systems, photographic equipment, video cameras, and games for the board game club. Monies raised have also helped part-fund much larger items such as the bike trailer used for the Coast to Coast Challenge, the marque used for the Centurion Challenge, tents used in Duke of Edinburgh training, Ten Tors and other adventurous activities.

All boys will be fully briefed during School Assemblies, and House specific booklets will be issued to pupils via Tutors. Older boys of course will have taken part before and will walk with the younger ones encouraging them and showing the route.

Year 7 boys are usually stopped from progressing passed the Dundas Check point. Should you wish your son to continue passed this point before returning to school, then there is a Walking Pass to be completed that will allow this. They are available only from the Headmaster and must be signed by a parent/guardian.

Any boys unable to take part in the walk, can participate in a Sponsored Silence from 9:00am to 3:00pm in the Library enabling all boys to raise sponsorship for the School.

All documentation issued will be made available on the main school web site for parents and guardians to see.
