

What is the 50:50?

It is a small lottery, like a raffle, run by the PTA to raise money for the school. **There are three cash prizes every month. First prize is currently about £90 and the chance of winning is about 1 in 400.** Why not join? You could be a winner!

Every month, 50% of cash received goes to the PTA to contribute to equipment, projects, resources etc that will directly benefit the students and 50% goes to participants in prize money.

How do you join?

You set up a regular standing order, so you don't have to keep buying tickets. Every £1 you pay is allocated a number that goes into the draw each month.

You can have any amount of numbers but most people have between 1 and 10 (ie pay **from £1** to £10 a month). Of course, the more numbers you have, the greater your chance of winning! If we had £1 a month for each boy/student the first prize would be £300 every month!

You can leave at any time simply by cancelling your standing order.

Last year, members won over **£2000** in prizes and raised over **£2000** for the school.

If you'd like to join, please fill in the form below and return to school or just email/ring me direct:
