

BEECHEN CLIFF

Wednesday 7th March 2018

Message from the Headmaster

Dear Parents/Carers

Sir Roger Bannister

We were very sorry to hear this week that Sir Roger Bannister has passed away, aged eighty eight. Obviously to many generations of young men at Beechen Cliff School (City of Bath Grammar School as it had been until the 1960's) Sir Roger was an inspirational figure. His achievement on the track in 1954 was, of course, legendary. It was less well known that he was an eminent neurologist and that he took greater pride in his medical work than any other facet of his exceptional career.

His achievement will stand for many generations to come and the school sends its condolences to Lady Bannister and the family.

Under 15 Rugby

The Under 15 Rugby squad can take huge pride in its achievements over the last few months. Last weekend the team succeeded in overcoming the London Oratory School 24-12 in a Semi Final at Allianz Park. Next week the aim is to try and go one step further. Regardless of the outcome, the school is very proud of the achievements of this team and, most importantly, the positive spirit with which it plays the game. We all wish them every success next week.

Headmaster

Word of the Week: Ephemeral

An adjective to describe
= short-lived; momentary

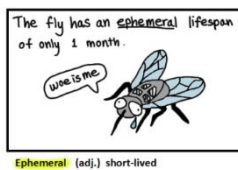

Use it:

Thankfully, the hairstyle trend was only **ephemeral**.

The autumnal blaze of colors is always to be treasured, all the more so because it is so **ephemeral**.

As she watched the child play she sighed wistfully at the **ephemeral** joys of childhood.

New words are always being coined; some are **ephemeral** but some make it into more common use.

Spell it:

Remember the word '*phase*' with its **ph** 'f' sound and link it to **ephemeral** – a short phase.

Literacy

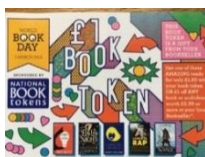

Reader of the Week:

Henry Godfrey (ML7) is our reader of the week. Henry has worked extremely hard towards reaching the targets he has been set within his library lessons. Great work!

We have not had any new additions to the 'millionaires' tree so far this week however, **Noah Lavelle** and **Benjamin Pearcey** (who have both been in the millionaires club for quite some time!) have now both read in-excess of two million words each since September! Keep up the good work boys!

The library still has plenty of World Book Day vouchers to hand out and so please do come and collect one! The offer is open until the **25th March** and so there is plenty of time to grab a voucher, buy a book and get reading!

Accelerated Reader Coordinator

Theme of the Week – World Book Day

World Book Day is a celebration of authors, illustrators, books and (most importantly) it's a celebration of reading. In fact, it's the biggest celebration of its kind, designated by **UNESCO** as a worldwide celebration of books and reading, and marked in over 100 countries all over the world. This is the 21st year there's been a World Book Day, and on 1st March 2018, children of all ages came together to appreciate reading. The main aim of World Book Day in the UK and Ireland is to encourage children to explore the pleasures of books.

37% of employers are dissatisfied with young people's literacy skills and use of English. Reading is a crucial way of improving literacy skills, whether you enjoy reading fiction, non-fiction, graphic novels, comics, newspapers or blogs. The more you read the better your writing will be too!

Attached to this newsletter is a presentation which includes a quiz to test your knowledge of books, a video and questions which the tutors may use this week to generate a discussion about books. There is also a link to videos of experts giving advice on writing and illustrating stories.

Guys and Dolls Production

Not to be confused with your typical school production, the hugely talented students of Beechen Cliff School are working with Bath Theatre School to bring a professionally staged version of *Guys & Dolls* to Bath audiences.

This spectacular show is packed full of the charm, comedy and romance and is one of the world's best loved movies and features the wonderful songs *Fugue for Tinhorns*, *Luck Be a Lady*, *Guys & Dolls* and *Sit Down, You're Rocking the Boat*.

All the best gamblers are in town, and they are all counting on Nathan Detroit to set up this week's incarnation of 'The Oldest Established Permanent Floating Crap Game in New York'; the only problem is, he needs \$1000 to get the place. Throw in Sarah Brown, who is short on sinners at the mission she runs; Sky Masterson, who accepts Nathan's \$1000 bet that he can not get Sarah Brown to go with him on a date to Havana; Miss Adelaide, who wants Nathan to marry her; Police Lieutenant Brannigan, who always seems to appear at the wrong time. This is a fun and energetic musical is packed full of toe tapping classics.

The show is being performed from Wednesday 11th Friday 13th April, 7pm - 9.30pm, at Kingswood Theatre. You can buy tickets now from the link <https://www.ticketsource.co.uk/event/FGDJHI> or the Box Office: 01225 640046."
