GCSE - Query about Results Form

If you feel your GCSE grade is more than one grade lower than expected you may either:
 * order a copy of your script, then review it with your teacher to see if you feel a Review of Marking is advisable; OR
 * go ahead with a Review of Marking, see below - please note: deadline 19th SEPTEMBER 2018

REVIEW OF MARKING

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of both unitised and linear specifications.

The deadline for completion is within 30 calendar days of the awarding body receiving the request. This service will include:

- * a clerical re-check;
- * a review of marking to ensure the markscheme has been applied correctly;

Please be aware that these fees are per paper, so for Chemistry, for example, you will have to select either paper 01, 02 or 03 or all three.

If the overall **subject** grade rises due to a Review then a refund will be made.

Step 1 – Complete this form, email for advice if unsure, exams@beechencliff.org.uk
