**Note: Our results in 2017 and 2018 are not reflected in the School Performance tables. Beginning in 2017 IGCSEs were excluded from the tables. We continued entering pupils for both IGCSE English Language and IGCSE English Literature in 2017. In 2018 we continued entering pupils for IGCSE English Literature. We believed this to be in the best interests of our pupils and this decision is validated by the strong outcomes achieved. However, from 2019 onwards IGCSEs are no longer funded for state schools and so we will be entering pupils for 'regular' GCSEs in English.*
