

BEECHEN CLIFF

Thursday 9th May 2019

Message from Deputy Headmaster

The 2019 public examination season has already started, with coursework and language orals at both GCSE and A Level taking place in the last fortnight. With written examinations soon upon all pupils and students, from Year 7 to the Upper Sixth, I would like to take this opportunity to wish them all the best of luck. Although examinations play an important role as a passport to the next stage of education, it should also be remembered that they are a snapshot of learning at school. Learning takes many forms and has many purposes, from the critical thinking abilities to team-working skills, from the simple joy of asking and finding out “why?” to understanding others’ thoughts and feelings. Whatever the field, all we can ever ask is that our pupils and students do their best: that they seek out opportunities, take on challenges and *look after* themselves and each other along the way. Examinations are important, stressful and inevitable; they are not everything. Maintaining a sense of balance alongside aspiration is critical and I would encourage all pupils, students and parents to reflect on this in the coming weeks.

Mr J Oldham
Deputy Headmaster

Theme of the Week

Theme of the week this week is focusing on raising awareness of The International Day Against Homophobia, Transphobia and Biphobia.

Please go through the information below and use the attached document to help students gain understand of how they can help and why it is so important. The International Day Against Homophobia, Transphobia and Biphobia is an observed on May 17th and aims to coordinate international events that raise awareness of LGBT rights violations and stimulate interest in LGBT rights work worldwide.

The main purpose of the May 17th is to raise awareness of violence, discrimination, and repression of LGBT communities worldwide, which in turn provides an opportunity to take action and engage in dialogue with the media, policymakers, public opinion, and wider civil society.

Fifty years after homosexuality was decriminalised in England and Wales, 72 other countries and territories worldwide continue to criminalise same-sex relationships, including 45 in which sexual relationships between women are outlawed.

There are eight countries in which homosexuality can result in a death penalty, and dozens more in which homosexual acts can result in a prison sentence, according to an annual report by the International Lesbian, Gay, Bisexual, Trans and Intersex Association (ILGA).

A spokesman for the LGBT charity Stonewall said that, while it was important to remember how far the UK had come on LGBT rights since the 1967 Sexual Offences Act, many challenges remained.

“Same-sex relations are illegal in 72 countries, and punishable by death in eight. We all have a part to play in ensuring all LGBT people are accepted without exception and all we can hope is that, in 50 more years, we will have lots more progress to look back on,”

Be Tick Aware

At this stage of the year through various outdoor activities many pupil and students will be in areas where they could pick up ticks. Due to the mild winter these minute spider like insects are in great abundance this year. They are parasitic and take blood from their host. They are normally easy to remove with tweezers and are quite common. However they can carry Lyme disease, which if untreated is extremely debilitating. The incidence of this disease is on the rise so here is some advice on what to look out for. Further details are available by following the links from the Outdoor Education section of the school website or directly from <http://www.lymediseaseaction.org.uk/about-ticks/>

The rash is very distinctive and looks like a target/dart board. Please consult your doctor if you see this.

Words of the Week *

- ✓ What do they **mean**?
- ✓ What are they asking you to **do** in the exam?
- ✓ Where have you seen them **before**?

***Note:** some of these words may have slightly different meanings in some subjects – always check with your teacher!

Discuss = Also known as ‘**examine**’ and ‘**consider**’ – give the main reasons ‘for’ and ‘against’ and come to a conclusion.

Suggest = Offer ideas / put forward ideas / propose something.

Summarise = Draw your key ideas or points together / review key points in one paragraph.

Summer Examinations for pupils in Years 7-10

The dates of the examination weeks are below:

Year 7	13 th -17 th May	Year 9	3 rd - 7 th June
Year 8	16 th - 22 nd May	Year 10	10 th - 14 th June

Over the next few weeks they will be looking at the examination timetables with their tutors and receiving support and guidance on revision from both their tutors and class teachers.

The examination timetables and support and guidance documents are available for both parents and pupils on the School Website.

Pupils have been given the message to take these examinations seriously and to do their best but to try not to worry about them.

In Year 10 pupils have also been reminded of the JCQ rules for Non Exam Assessment sand the expectations when sitting examinations in Formal Examination Halls with GCSE invigilators, which begins in some subjects in Year 10.

I wish all our pupils a positive examination season in the weeks ahead.

Literacy

Reader of the Week

Joseph (7B Y5) is our Reader of the week. A dedicated reader with 18 Accelerated book quizzes under his belt. Clearly an avid fan of Cressida Cowells ‘How to Train your Dragon’ series, Joseph has read and quizzed on all 12 books, gaining 80 points for Byron. Great Reading Joseph!

Book Recommendation

The Enemy by Charlie Higson

When the sickness came, every parent, police officer, politician - every adult fell ill. The lucky ones died. The others are crazed, confused and hungry.

Only children under fourteen remain, and they're fighting to survive.

Now there are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait. But can they make it there - alive?

Also in the series...
