

# BEECHEN CLIFF

Thursday 13th June 2019

## Message from the Headmaster

This week we are interviewing the Sixth Form students who have applied for the Leadership Team posts which are available for 2019-20. This process is always incredibly positive; not only because we have so many students who want to put themselves forward to develop the school, but also know they are always so incredibly supportive of each other throughout the process.

Interviews and hustings take place over the next two days, followed by the announcement of the new team.

We wish each and every one of them success, thanking them for putting themselves forward and representing their School so well.

Mr A Davies  
Headmaster

## Theme of the Week

Theme of the week this week is focus-  
on Young Money – My Money week.

Young Money believe that the potential of the UK's young people is unlimited, and an academic education on its own is not enough. As a national charity they motivate young people to succeed in the changing world of work by equipping them with the work skills, knowledge and confidence they need.

Supported by Santander, My Money Week is a national activity week for primary and secondary schools that provides a fantastic opportunity for young people to gain the skills, knowledge and confidence in money matters to thrive in our society.

The fundamental aim is to increase the quality and quantity of financial education for all young people across the UK, by equipping and enabling teachers and educators to do this.

## Literacy

### Reader of the Week

Congratulations to Alistair (7ML3) who has now read 956,010 words, taken 6 Accelerated book quizzes and has been reading a fantastic range of books including...

#### *A Game of Thrones by George R.R. Martin*

From the fertile south, where heat breeds conspiracy, to the vast and savage eastern lands, all the way to the frozen north, kings and queens, knights and renegades, liars, lords and honest men . . . all will play the Game of Thrones.

#### *Magnus Chase and the Ship of the Dead by Rick Riordan*

Loki the trickster god is free from his chains. Now he's readying Naglfar, the Ship of the Dead, armed with a host of giants and zombies, to sail against the Norse gods and begin the final battle of Ragnarok. It's up to Magnus Chase and his friends to stop Loki's plans, but to do so they will have to sail across the oceans of Midgard, Jotunheim and Niflheim in a desperate race to reach Naglfar before it's ready to sail on Midsummer's Day.

...and most recently, our book recommendation of the week:

#### *The Ruins of Gorlan (Ranger's Apprentice Book 1) by John Flanagan*

Book Level 7.0 ●

They have always scared him in the past – the Rangers, with their dark cloaks and shadowy ways. The villagers believe the Rangers practise magic that makes them invisible to ordinary people. And now 15-year-old Will, always small for his age, has been chosen as a Ranger's apprentice.

What he doesn't yet realize is that the Rangers are the protectors of the kingdom. Highly trained in the skills of battle and surveillance, they fight the battles before the battles reach the people. And as Will is about to learn, there is a large battle brewing. The exiled Morgarath, Lord of the Mountains of Rain and Night, is gathering his forces for an attack on the kingdom. This time, he will not be denied . . .

### Reading Millionaires

**Year 8 Trip to The Big Pit National Coal Museum**

Over 100 students and staff enjoyed a gloriously sunny visit to the The Big Pit National Coal Museum in South Wales at the end of May – and of course missed the best of the sunshine because we were hundreds of feet underground!

It was a great day, and all of the students were both fascinated and appalled by the realities of yesterday's energy extraction, not least the lives of pit ponies who lived underground for over 11 months every year. The dark, wet, mouldy, noisy, dangerous, cramped, claustrophobic and disorientating conditions belied the happy faces in this photograph of our students on a miners' underground transport train.

The most telling comment about the trip came the next day in a note from a parent – "Our son thoroughly enjoyed his trip and has even asked to visit more museums!"
