Review of marking for coursework or practical exams (such as Art, Drama, PE) is not offered by the awarding bodies. Refunds are made if the overall SUBJECT grade goes up or down after a Review of Marking.

\*\* AQA only offer copy scripts for English Language and Maths

Please note unfortunately individual component grades are not readily provided by the examinations boards. It is possible for us to research this and find out the breakdown by paper/component, but it is not simple or straightforward so please only ask for your mark breakdown when your overall grade is of real urgent concern. Priority will be given to those with further education places in jeopardy and all other requests will be processed at the start of September. Overall subject grade boundaries can be found on the public websites of each examination board.

If unsure of which service to request, or fee required please contact [exams@beechencliff.org.uk](mailto:exams@beechencliff.org.uk) in the first instance. Most queries can be resolved via email.
