

Beechen Cliff Charter

Throughout my time at Beechen Cliff, I will strive to uphold the following Core Values and aim to act at all times in accordance with them.

Aspiration

I will work hard and try my best at all times, both within in and beyond the classroom. I will aim high and challenge myself to fulfil my potential. I will try to excel in all that I do.

Balance

I will commit to take up a range of opportunities to develop my own character both within and beyond the school. I will keep an open mind and be willing to try new experiences and consider new ideas. I will recognise that a broad range of experiences will enrich my life and create opportunities for the future.

Compassion

I will try to improve the lives of those around me, especially those less fortunate. I will make a positive contribution to the school community by helping others and showing consideration to all around me.

Independence

I will use my initiative and think carefully about my actions. I will be organised and take responsibility for myself, planning ahead to be ready for each day. I will recognise my own self-worth and will reflect on ways I can improve.

Integrity

I will do the right thing, even when no-one is looking. I will stand by what I believe is right, even when others around me are making it difficult. I will stay true to my values and to myself.

Respect

I will treat the people around me in a way that I would wish to be treated. I will show an understanding of the feelings, wishes and rights of others through words and actions. I will challenge those who act in a disrespectful way.
