

BEECHEN CLIFF

9th January 2020

Message from the Headmaster

Dear Parents and Carers

We welcome everyone back to School after the Christmas break and wish you all a happy new year.

It is, as always, a very busy term and many of you will be involved in Parents' Evenings in the next few weeks. Next week we are holding an evening for parents and any interested parties who would like to find out more about the work of Tir-Y-Cwm and ideas for its future development. We know how important the cottage and associated activities are to introducing our pupils to outdoor education and we hope it is a resource which will be of great significance to our pupils, past and present, for many years to come.

Severe Weather

Whilst it remains mild we all know that colder weather will be coming our way at some point during the winter. With this in mind I would remind you that the School will endeavour to keep parents informed about possible closure or restricted hours through the School twitter account, website and emails. We also inform local media.

Headmaster

Australia's Unprecedented Bushfire Crisis

Australia battles bushfires every year, however, few can recall a fire season as deadly or destructive as this one, with fires in all of Australia's states. The fires have already claimed the lives of 24 individuals (including 3 volunteer fire-fighters) and more than 6.3 million hectares (or 15.6 million acres) of land has burned and, by some estimates, as many as 1 billion wild animals have perished. Remote communities have been razed by the blazes, and millions of acres of wildlands have been torched, with the end of summer still at least three months away.

The Australian Fire Service are doing an amazing job fighting these enormous and deadly fires and charities such as the Red Cross, the Salvation Army and others are working on the ground to support victims, survivors and injured animals.

On **Friday 17th January** Beechen Cliff pupils are invited to each donate a £1 to come into school wearing a t-shirt or top in either green or gold (or both) - green and gold being the National colours of Australia.

All funds raised will be donated to the Australian Red Cross (<https://redcross.org.au>) and Australian Animal Rescue Charity, WIRES (<https://www.wires.org.au>).

Thank you all in advance for your support

Theme of the Week - Personal Goals and Challenges

This week's theme of the week is focusing on setting personal goals and challenges.

This weekend was a historic moment, all 32 fixtures in the third round of The Emirates FA Cup kicked off one minute later than their traditional time slots.

Heads together has been working with Public Health England's Every Mind Matters on a brand new film to draw attention to the simple steps we can all take to look after our mental health and well-being. It is a reminder to us all that our mental health is just as important as our physical health and we can all take simple steps to support our own well-being.

https://www.youtube.com/watch?v=WljjdDegk9A&feature=emb_title

The importance of looking after your mental health links incredibly well to setting personal challenges and goals. This could be linked to New Year's Resolutions. It would be fantastic for each member of your tutor group to think of a New Year's Resolution that links to them looking after themselves.

Could they be more mindful?

Sleep for a minimum of 8 hours each night?

Talk more?

Join a club or new activity?

See old friends?

Setting personal goals and targets can help give focus and allow students to reach their full potential.

The Kane Chronicles: The Serpent's Shadow

by Rick Riordan

AR Book Level 4.8 ●

Carter and Sadie Kane, descendants of the magical House of Life, are in pretty big trouble.

Despite their bravest efforts, Apophis, the giant snake of Chaos, is still threatening to plunge the world into eternal darkness. Now the Kanes must do something no magician has ever managed - defeat Apophis himself. No pressure there then. Battling against the forces of Chaos, their only hope is an ancient spell - but the magic has been lost for a millennia. Will they find the serpent's shadow, or will they be led to their deaths in the depths of the Underworld?
