

the wardrobe

Beautiful and good quality loved dresses and suits are available for secondary school age youth from The Wardrobe

This project is run by Freedom Centre UK with the aim of ensuring that there are no young people without something special to wear to their proms.

Please email thecupboard@freedomcentreuk.com to sign up a young person with a time to come and try on dresses or suits if they are unable to afford one otherwise. With a range of sizes and styles available we will have slots available to come and pick an outfit in February half term and in the Easter holidays.
