Note:

*Our results in 2017 and 2018 are not reflected in the School Performance tables as from 2017 IGCSEs were excluded from the tables. We continued entering pupils for IGCSE English in 2018 and 2019. However, from 2019 onwards IGCSEs were no longer funded for state schools and so we entered pupils for 'regular' GCSEs in English.

+The 2020 results are the higher of the Centre Assessed Grades and the Calculated Grades awarded to students following the cancellation of GCSE Examinations due to the Covid-19 Pandemic.
