

BEECHEN CLIFF

Adding detail to your revision timetable

Session aim: To add topics for revision to your revision timetable

ASPIRATION

COMPASSION

INDEPENDENCE

RESPECT

Adding detail to your revision timetable

Discussion:

How is revision going so far this term?

Have you been following your revision timetable?

Could you be doing more?

If so, what might help you to achieve this?

Session aim: To add topics for revision to your revision timetable

Adding detail to your revision timetable

Task: Go to the revision timetable on page 70 of your green booklet (15 weeks to go!) and for each of your subjects, plan out the next three topics you are going to revise

Support: Start with English, Maths and Science and use the revision checklists in your mentoring booklet

E.g. Science:

- Energy stores and transfers
- Cells and specialised cells
- Balancing chemical equations

Session aim: To add topics for revision to your revision timetable
