Message from the Headteacher

Dear Parents and Carers,

It has been a week of many successes. Our U14 football team were victorious in their home semi final in the National Cup last Friday. This is an amazing achievement and it was a wonderful afternoon with the whole school supporting them to a 5-4 penalty shootout victory after a 1-1 draw with Hurstmere School from Kent. Many congratulations to all the players and to Mr MacDonald and the rest of the coaching team. We look forward to the final against Calday Grange Grammar School from the Wirral in April.

Our musicians have completed their first evening of our annual school concert at St Luke's Church. It was a wonderful evening and lovely for our pupils to be performing again at St Luke's again. They demonstrated amazing confidence and displayed a wealth of talent across a wide variety of different musical groups. We are looking forward to the second round of performances this evening and I would like to thank Mr Calvert, Mrs Nourse and Mr Harriman for all their efforts in arranging and organising the concert. Thank you also to all parents who have been able to support this event.

The week after next will see the school production, Little Shop of Horrors, take place at Kingswood Theatre and I would encourage as many as possible to attend and support our pupils.

I would also like to congratulate our Year 10 Mathematicians who won the local Maths Feast Competition this week. It is brilliant to see Beechen Cliff pupils once again at the top of the leaderboard in local Maths competitions. Mr Henly has written a full report which is available later in the newsletter.

Finally, Covid cases in the school community have risen in the last week with around 30 pupils off school at the moment, along with some staff. This rise in school reflects rises in the local community. Just a reminder that anyone with symptoms should seek a PCR test and those who test positive should self-isolate and follow the current guidance..

Wishing you all a good weekend.

UKRAINIAN HUMANITARIAN APPEAL PTA COMMUNITY RAFFLE

Thank you for a fantastic response to this raffle. An incredible figure of £4719 was raised for the Ukrainian DEC appeal to be matched by the government to a total of £9437. We have been so proud of our parents, staff, pupils and community in raising this phenomenal amount that will go some way to helping those in need and trying to cross borders for their safety.

The winners of the raffle were as follows:

Quilt - Carolyn Russell

Prosecco - (Parents of) S Bowater SH9B

Prosecco - (Parents of) J Atkinson SH9A

Hotel Chocolat Easter Egg - P Carroll BY8A

A huge thank you to our PTA for being quick off the mark to organise the raffle.

Mr K Mann

Assistant Headteacher

The PTA would like to say a BIG thank you!

Thank you to all the fantastic volunteers mums; Geri, Jen, Amy and Jo who worked at the uniform sale on Saturday 19th February 2022 and to all parents that have donated their uniforms and text books for all the sales.

They raised a fantastic £532 on Saturday alone!! In the rain too!! It was a great amount that will go straight back into the school. If any parents would like to volunteer to help with future sales or the PTA in general, you are always welcome! Please get in touch with me on the email below. We will probably hold another sale in the summer term at the Club House again.

Thank you again for keeping uniform supplies coming in, we are very grateful. To date we have raised approx. £7854 to go towards school.

Any enquiries about Second Hand uniform please contact: Lesley Leming: secondhanduniformbc@gmail.com

Year 10 - Inter School Maths Feast Competition (22nd March 2022)

On Tuesday of this week, eight of the most able mathematicians from year 10 took part in a Maths competition which was held at St Marks School in Bath. Fifteen teams, (*of four students each*), took part from the Bristol and Bath region.

Needless to say, Beechen Cliff comfortably came first whilst our B team came fifth.

Congratulations to all the year 10 boys who took part, who maintained the standards set by our Sixth Form teams which came first and second in their competition, earlier this year.

Yet again, outstanding Mathematical ability being demonstrated by Beechen Cliff pupils.

Team members in alphabetical order:

Macklin C, Alex L-W, Toby M, James S, Sam T, Rory V, James V, and Seth W.

Thank you to Mrs de Glanville for driving the minibus and supervising on the day.

CENTURION CHALLENGE 2022

100 MILES IN 48 HOURS

16:00 FRIDAY 8TH JULY TO 16:00 SUNDAY 10TH JULY

FOR YEARS 9, 10, 11 AND THE SIXTH FORM

The Challenge

To leave the main doors of Beechen Cliff at 16:00 on Friday, 8th July, and following the specified route to the Kennet and Avon Canal, walk to Devizes on the tow path and camp overnight. On Saturday you will continue to the Parish Church at Hungerford and then return to Devizes. On Sunday 10th July make you will finally make your way back to Beechen Cliff School. Those arriving at Beechen cliff by 16:00 can claim to be a Beechen Cliff Centurion.

Why ?

The Centurion Challenge is an honourable tradition of Beechen Cliff School. This year's challenge will raise money for various charities close to the heart of the pupils at Beechen Cliff and assist with financing the extra-curricular activities offered by the School. We also donate monies to the Canals and River Trust and St Lawrence Church, Hungerford.

All the Centurion Challengers will receive a Centurion Challengers 'T' Shirt, but only the finishers - the 'legionnaires' - who complete the challenge by 16:00 hours on the Sunday - will receive a Centurion Challengers Tie.

The names of the first three challengers to return will be immortalised on the Centurion Challengers roll of honour!

So do you have what it takes to become a Beechen Cliff Centurions in 2022?

Further information will be made available at the start of the Spring Term.

Mr R Stewart

Centurion Challenge Organiser

SPORTS

Sports Extra Curricular Clubs

For information on after school clubs, please see the [Extra Curricular page on our website](#). This is up to date but please be aware that sometimes there are changes due to unforeseen circumstances. We will notify pupils via google classroom or via the Duty Boys in the event of any cancellation/ changes.

Sports Class on Google Classrooms/ Sports Fixtures website

Each year group now has a Sports Class on Google Classrooms where details of fixtures and notices will be given. Please encourage your son to check this regularly for information.

You can also find fixtures information and team sheets on our [Sports Fixtures website](#)

Team selection

With so many of our boys engaged and interested in the sports offering at Beechen Cliff, we endeavour to give them all a chance to be a part of the teams. This does mean that not all boys will be selected each week in the interests of being fair and giving a chance to all that wish to compete for the school.

Extra Curricular Sports kit

If your son is involved with our extra-curricular activities and therefore additional kit would be helpful, we do have an online shop with Kukri. This kit is not compulsory and does not replace your son's curriculum kit but is available for after school clubs and fixtures. Kit options include tracksuit bottoms, shorts, training t-shirts and additional mid layers.

Theme of the Week- Mental Health

Theme of the week this week is focusing on Mental Health. Everyone has 'mental health' and this can be thought of in terms of:

- how we feel about ourselves and the people around us
- our ability to make and keep friends and relationships
- our ability to learn from others and to develop psychologically and emotionally.

Being mentally healthy is also about having the strength to overcome the difficulties and challenges we can all face at times in our lives - to have confidence and self-esteem, to be able to take decisions and to believe in ourselves.

1. Describe what you think 'good mental health' and 'poor mental health' looks like
2. Does your mental health stay the same all the time?
3. What have you learned about mental health in school?

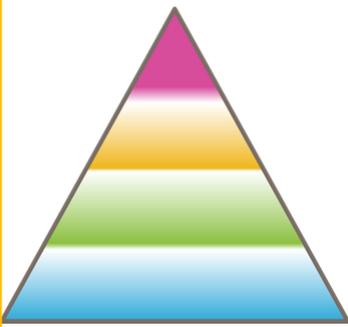

Why is my wellbeing important?

Having good wellbeing can help you to:

- ◆ Feel and express a range of emotions
- ◆ Have confidence and positive self-esteem
- ◆ Have good relationships with others
- ◆ Enjoy the world around you
- ◆ Cope with stress and adapt when things change.

Good wellbeing doesn't mean you'll always be happy. It is normal to feel sad, angry, or low sometimes. But if you have poor wellbeing for a long time you might start to find things more difficult to cope with

Understanding Mental States

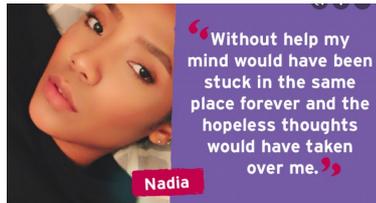

Mental Illness/Disorder (causing significant and persistent problems; diagnosed by a medical professional - how can you support someone here?)

Mental Health Problem (the brain responding to challenging life events; may require extra support - what should you do?)

Mental Distress (normal, everyday mental states and emotions; leads to adaptation, learning and coping. E.g being stressed about exams). What would you do to help yourself/a friend cope here?

No Distress, Problem or Disorder
Is anyone here all the time?

It's important to take the time to talk - pupils spent time in tutor this week doing this:

1. Why is talking about how you're feeling so important?
2. Write a list of questions you could ask someone about how they're feeling and their mental health
3. If one of your friends was struggling with their mental health, what would you say to them?
4. If you are supporting a friend, what should you be careful of?
5. Ask 5 people how they are. Ask them how they're feeling about the day ahead.

It's not always easy to talk to your friends about mental health. These tips might be useful

<https://www.time-to-change.org.uk/personal-stories/5-ways-to-start-conversation-about-mental-health> - how could you start a conversation about mental health?

<https://www.time-to-change.org.uk/personal-stories/5-ways-to-ask-twice-when-your-mate-says-im-fine> - how can you 'ask twice'?

On **Friday 1st April** will have Alice Hoyle running hour long Healthy Relationship workshops with Year 10, 11 and 12.

Burnout

Last week, we looked at the effects of exam stress, particularly in the light of the absence of formal and public examinations during the Pandemic. The mental health charity *'Young Minds'* has a series of very helpful blogs from young people and this blog about how to prevent Burnout is well worth reading for all parents and carers.

What is burnout? What can cause it? Is it the same as stress? Laura, 22, shares her experience of burnout, as well as her tips for coping.

What do you think of when you hear the word 'burnout'? Some may associate it with feeling tired or stressed, which to some extent is true, but that only tells half the story. Burnout is something that builds up over time, as the result of prolonged stress and feelings of being overwhelmed, drained and unable to cope. It's something I have experienced before, so I hope that I can offer some tips on how to avoid it.

Burnout is something that builds up over time, as the result of prolonged stress and feelings of being overwhelmed, drained and unable to cope.

What did burnout look like for me?

I am the type of person that likes to put the maximum amount of effort into everything that I do – I'm sure a lot of you can relate to this. There was a time in my life where I was desperately trying to put an equal amount of effort into my studies, work, family, social life and hobbies (just typing that list sounds exhausting to me now). I'm confident that many of you can predict the feelings that came along with trying to focus on all of those things at once – yep, complete exhaustion, a.k.a. burnout.

As a result of trying to juggle too many things, I felt emotionally and physically drained. Suddenly, the joy in my life seemed to disappear. I struggled to find enjoyment or purpose in what I was doing and thought that if I couldn't put my full effort into each area of my life then I must be failing. During this time, there were many tears and feelings of hopelessness – I thought that I would have to give up aspects of my life that I loved.

As a result of trying to juggle too many things, I felt emotionally and physically drained. Suddenly, the joy in my life seemed to disappear.

If this introduction resonates in any way with you, please do take a few minutes to read Laura's Blog (Source: *Young Minds*) to see how she coped and managed to overcome burnout.

As always, if you feel that you feel your child is experiencing stress, anxiety or even burnout ahead of the exams, please do get in touch with your tutor or a member of the Pastoral Team.

Expert. Fee Free. Mortgage Advice.

We've teamed up with Beechen Cliff School to offer all those connected to the school, an expert, fee free mortgage service, taking away the hassle when getting a new mortgage. We will also pay £50 Cashback to Beechen Cliff for every person that takes a new mortgage out with Lucra Mortgages. You just need to quote 'Beechen Cliff.'
