Message from the Headteacher

Dear Parents and Carers

This week I have been so impressed with our pupils and students' ambition to help those affected by the conflict in Ukraine.

The PTA raffle to raise funds for the Disasters Emergency Committee, which is aiming to support those affected by the war in Ukraine, has raised over £2500 in two days which is an amazing feat

Next week additional fundraising opportunities will also take place on Friday when pupils and students will have the opportunity to wear an item of red clothing to school and donate to comic relief.

In the week ahead assemblies and tutor time will be focussing on National Careers week. Whilst Year 10 pupils and L6th students will be thinking about work experience placements we would encourage parents to discuss careers with pupils in all year groups and to regularly look at the careers section of our newsletter.

Also next week our Upper Sixth students will be taking their second set of Mock Exams and we wish them all the best for this important part of their preparation for the examinations in the summer.

Many of our pupils are currently in the final stage of rehearsals for the School Concert on 23rd/24th March and the School Production (Little Shop of Horrors) on 6-8th April. These promise to be fantastic events and I would encourage as many pupils and parents as possible to support these events. Details of tickets are available later in the newsletter.

Finally, the drop-off and pick up times at the school gates are currently very busy. Wherever possible I would encourage parents to drop their children off on Bear Flat or further down the hill to reduce congestion and improve safety near the school entrance. This will be essential during a forthcoming road closure (further details available later in the newsletter) but something we would encourage on a longer term basis.

Wishing everyone a good weekend.

Key Notices

Alexandra Park/ Shakespeare Avenue - Road Closure for 2 weeks commencing 14th March 2022

Western Power works on electrical supply to Alexandra Park will commence w/c 14th March 2022. The works will require the park road and part of the public highway on Shakespeare Avenue to be closed for periods of time to allow the work to be completed safely. This will take up to 2 weeks.

As Shakespeare Avenue will be closed, it means that Kipling Avenue will have traffic going both up and down the hill, which will cause inevitable congestion. Please can we ask all parents who are driving their children to school to drop their children on Bear Flat for this period of time rather than attempting to drive to the school gates. Both Majestic and Cook have very kindly agreed that we can use their car park on Bear Flat for drop off. Please be considerate and move on quickly when dropping here.

Thank you for your support.

Operations Manager and Head's PA

Year 7 and Year 8 Parents' Evenings

Dear Parents and Carers,

The Year 7 Parents Evening is next Wednesday, 16th March from 4:30-8pm. The window for booking closes at 12 noon on the 16th.

The Year 8 Parents Evening is on Thursday 31st March from 4:30-8pm. Booking opens on Monday 21st March from 12 noon and closes at 12 noon on Thursday 31st.

If you have any questions about the evening or need assistance with booking, please contact hrogers@beechencliff.co.uk.

Kind Regards

Year 11 revision program and revision sessions schedule.

As we build up to the GCSE examinations this summer, I would like to update you on the support our Year 11 pupils are receiving to help them effectively prepare for this as part of their tutor programme. They have been following a revision and mentoring program as part of the morning tutor time sessions since January. They have looked at how they have performed in mock exams, how to learn from mistakes, examination technique, what they hope to go on to achieve and have covered how to make a revision timetable. They have also covered a range of revision strategies. From now on, they will spend the time in these sessions actively revising whilst their tutors are there to support them. Please can you encourage them to bring revision materials such as revision guides with them to these registration sessions so that they can continue to use this time as effectively as possible.

In addition, please note that the schedule for after school Year 11 revision sessions can be found here. <https://www.beechencliff.org.uk/wp-content/uploads/2022/02/Revision-session-dates-2022.pdf>

These have been running for a few weeks and many students have been attending. I would encourage all students to make the most of these opportunities over the weeks and months ahead.

If you have any questions about support with revision, please contact aseal@beechencliff.org.uk or ssullivan@beechencliff.org.uk.

Beechen Cliff Annual Concert 2022

The School will be presenting it's Annual Music Concert on Wednesday 23rd and Thursday 24th March 2022 at St Luke's Church, Hatfield Road, (BA2 2BD).

Several Ensembles will be involved, including Concert Band, Swing Band, Folk Group, String Group, Guitar Ensemble, Choir, Percussion Ensemble and Year 7 Orchestra, presenting a wide range of repertoire.

The Concert will commence at 7.00pm and finish at approximately 9.20pm including a 20 minute interval during which refreshments will be available.

Price of admission is £1 via ParentPay.

Please Note: this is a ticketless event and an electronic record of tickets purchased will be kept to allow admission on the night.

We look forward to seeing you at what promises to be an enjoyable evening!

Head of Music

Eco Group - News

The group continues to meet every Friday at 1.30pm. Led by the pupils and their own ideas, several interesting areas of interest are developing with the following as priorities:

Raising awareness in school of our need to further "Reduce, Reuse, Recycle". Posters have been created that will be posted in every classroom and around school from next week so that we have a constant focus in this area. Plans are being investigated to paint the large wall in the East and West yard with the same slogan.

In school action - the group is keen to reduce the amount of litter produced on site, especially plastic bottles and containers. Assemblies are planned for all year groups to heighten their awareness of the need to reduce our usage and to take personal responsibility. The end goal being that we don't sell plastic bottles or containers in the Refectory and have a personal reusable bottle for daily use.

The Eco Group will also be 'rewilding' an area near the science block and clearing the 'pond' to strengthen the ecosystem around the block.

The Eco group will be taking part in a Climate Conference organised by Hayesfield School on 31st March.

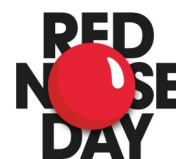

Please encourage your son to take part - open to all age groups!

RED NOSE DAY !!- Friday March 18th, Wear and Item of Red Clothing

As part of our responsibility to help those less fortunate than ourselves and especially those who are currently trying to cross borders to flee from war, we will be raising funds for this great cause. To take part, please donate £2 on parentpay for the privilege to wear an item of red clothing for the day. (Normal uniform expectations remain other than for a single item of red clothing).

Heads of House have been talking to pupils in their assemblies this week regarding other activities that may take place on the day. Please ensure that your son has a small amount of cash with him on Friday 18th March should he wish to contribute to the various events and activities.

SPORTS

Sports Extra Curricular Clubs

For information on after school clubs, please see the [Extra Curricular page on our website](#). This is up to date but please be aware that sometimes there are changes due to unforeseen circumstances. We will notify pupils via google classroom or via the Duty Boys in the event of any cancellation/ changes.

Sports Class on Google Classrooms/ Sports Fixtures website

Each year group now has a Sports Class on Google Classrooms where details of fixtures and notices will be given. Please encourage your son to check this regularly for information.

You can also find fixtures information and team sheets on our [Sports Fixtures website](#)

Team selection

With so many of our boys engaged and interested in the sports offering at Beechen Cliff, we endeavour to give them all a chance to be a part of the teams. This does mean that not all boys will be selected each week in the interests of being fair and giving a chance to all that wish to compete for the school.

Extra Curricular Sports kit

If your son is involved with our extra-curricular activities and therefore additional kit would be helpful, we do have an online shop with Kukri. This kit is not compulsory and does not replace your son's curriculum kit but is available for after school clubs and fixtures. Kit options include tracksuit bottoms, shorts, training t-shirts and additional mid layers.

Beechen Cliff School Presents.....

This spectacular show is packed full of charm, comedy and supernatural botanical delight and is one of the world's most iconic and cult movies and features the brilliant songs 'Feed Me, Mean Green Mother from Outer Space, The Meek Shall Inherit', Skidrow, Somewhere that's Green' and many more.... and of course a dentist from your worst nightmare!

With critics praising previous productions as a 'visual spectacle', which gave students 'an excellent opportunity to utilise and showcase their training in a high-quality production', make sure to get your tickets to see this brilliant show.

Show Synopsis:

Meek flower shop assistant Seymour pines for co-worker Audrey. During a total eclipse, he discovers an unusual plant he names Audrey II, which feeds only on human flesh and blood. The growing plant attracts a great deal of business for the previously struggling store. After Seymour feeds Audrey's boyfriend, Orin, to the plant, after Orin's accidental death, he must come up with more bodies for the increasingly bloodthirsty plant.

Tickets are available from <https://www.ticketsource.co.uk/bath-theatre-school>

Online ticket sales freeze at 2 pm on the day of the performance.

Performances:

7pm - 9.30 pm 6th - 8th April 2022

Venue:

Kingswood Theatre, Lansdown Road, Bath BA1 5RG

Ticket Prices:

£14 Adults, £10 Under 18s and £1 Beechen Cliff Students (including any pupil from our feeder primary schools).

Year 8 Outward Bound Adventurous Activity in Wales - June 2022

We are pleased to offer an adventure activity over 2 days for year 8 pupils.

This will take place over a 2 week period in June. The intention is that 4 groups of 20 Year 8's will travel to Tir Y Cwm, the school outdoor activity facility in Wales. The adventure will consist of one day trekking across the Brecon Beacons with team building activities followed by an overnight stay at the hostel. The following day will be a canoeing adventure down the Wye in open Canadian canoes from Glasbury, before returning to school later that evening.

The minibuses will leave early on the first day from school and a packed lunch will be required. We will of course stop at the motorway services for a short comfort break and an evening meal, breakfast and lunch the next day will be provided. We will stop again at the motorway services on our return journey so students will require money to purchase a meal if required as we could return to school late evening.

The Dates are in June . . .

Monday / Tuesday 6th and 7th of June 2022, Thursday / Friday 9th and 10th of June 2022 and then again on the Monday / Tuesday 13th and 14th of June 2022 and Thursday / Friday 16th and 17th of June 2022.

The trip will be released on ParentPay shortly for the specific dates and you are encouraged to sign up for a place.

It is highly likely that this adventure could be oversubscribed and thus, names will be drawn from a hat and you will be notified accordingly.

The cost is £110 and further information will be released nearer the time.

Mr R Steward

Outward Bound Activity Organiser

Theme of the Week

This week's theme of the week is focusing on Gender and Equality, linked to International Women's Day.

Sex - Assigned to a person on the basis of primary sex characteristics (genitalia) and reproductive functions (biological)

Gender - Often expressed in terms of masculinity and femininity, gender is largely culturally determined and is assumed from the sex assigned at birth, although many people do not identify with the sex they were assigned.

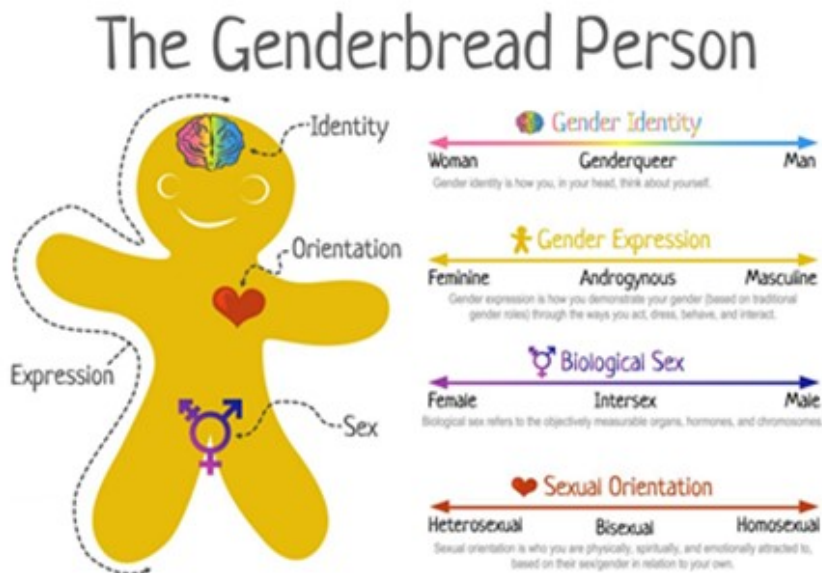

It is important to remember that:

The terms people use to describe themselves may change over time

Sexual orientation and gender identity are not the same thing

Not everyone thinks of themselves as 'male' or 'female'

Not everyone identifies with the sex that they were assigned at birth

International Women's Day is an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide. It is a day to recognize the extraordinary acts of women and to stand together, as a united force, to advance gender equality around the world.

Parent Survey Feedback

Thank you to all parents of pupils in Years 7-11 who completed the Parental Engagement Survey recently. Following these surveys in October and February please see below in terms of some of the recent responses. Thank you for the positive comments in each of the sections and acknowledgement that there have been improvements since the initial survey. We will now be addressing further areas suggested in your comments as we aim to support parents as much as possible in supporting their child's learning:

Question	
I feel welcomed and included when I visit the school	96%
I am aware of extra-curricular events that are offered to my child	85%
My child takes part in clubs and activities at school	75%
I am happy with the school and how it cares for my child	96%
I am able to contact staff when I need to	91%
The information provided by the school allows me to discuss my child's school experience with him	86%
I understand the assessment information that is sent to me i.e reports	93%

Please see below information for parents available on our website which aims to improve parents' understanding of the curriculum, assessment and how they can support their child with their learning.

Programmes of study for Key Stage 3 and Key Stage 4 (for pupils studying in Years 7-11)

Programmes of study are available on the school website.

These are available via the main menu: Curriculum & Assessment/Subject Curriculum Information (Key Stage 3/4) or via the following link:

<https://www.beechencliff.org.uk/curriculum-assessment/overview/subject-curriculum-information/>

For each subject there is information on the curriculum intent, what topics are covered each term in each year, revision and support and useful resources.

General Homework information

General information on homework is available via the link below:

<https://www.beechencliff.org.uk/the-school-day/homework/>

All pupils and students are set homework on Google Classroom. We encourage all parents to sign up for the weekly homework summaries to access more information on their child's homework.

Assessment information at Key Stage 3

Information on Key Stage 3 (Year 7-9) assessment is available via the link below

<https://www.beechencliff.org.uk/curriculum-assessment/exams-assessment/summer-exams/>

Some specifics will be updated in advance of the summer exams though the general revision principles will remain the same.

Message from Deputy Headteacher

Attendance

Thank you to all parents for ensuring your child's good attendance at school. We appreciate the winter months have presented more than their usual challenge with COVID on top of seasonal illnesses. As the weather improves, and hopefully COVID and other illnesses abate, we hope to see a recovery in some pupils' attendance.

In order to give you some perspective on the impact of absence, we have attached to the newsletter a poster about the equivalence between attendance and missed lessons. You can check your child's attendance on Insight and then use this to approximate the number of missed days or lessons. As an example, attendance of 90% amounts to around 100 missed lessons over the course of an academic year. We would encourage you to share this information with your child so they understand the impact of absence.

If you are unsure about whether to send your child to school, we would urge you to do so and we can send them home if they are too unwell to stay. Often getting the day started at school encourages them that they can do the full day. Our Attendance Improvement Officer, Ms Gormley, is monitoring all pupils' attendance and will get in touch with you if we feel there is any support we can lend.

For those pupils whose attendance has been excellent so far this year, we are giving out some awards next week. Due to COVID, we will then effectively be 'resetting' the clock on attendance so that anyone who has 98% or above attendance from now until the end of the year can also receive a reward.

Road Safety

We have been told about several incidents recently in which pupils have put themselves at risk when travelling to and from school. Heads of House have talked to pupils about this in assemblies this week and we would ask that parents reiterate the message as well. Examples of issues reported to us include cycling too fast down Kipling Avenue and crossing the bottom of Wellsway by jumping over the railings, rather than using the underpass.

Mental Health and Wellbeing

If you woke up this morning, looked at the news, and felt increasingly worried about the war in Ukraine, you are not alone. After a two-year pandemic, it's a lot to absorb, and experts agree that feeling overwhelmed is normal.

Sarah Kendrick, clinical director with text support service **Shout**, says she is particularly concerned about young people, who are typically on their phones a lot and accessing news 24/7.

"Children and young people are texting in saying they're worried about war, some say it's keeping them awake at night," she says. "They're up at night with access to their phones and with news alerts going off."

The guidance that **Shout** has been giving out sounds simple - turn off your phone at night and don't feel like you have to keep looking at the news - but it can be hard to put into practice.

Advice about how to support our children and young people, as the Ukrainian invasion unfolds, is starting to become more readily available and we are following the guidance in school and will share this with you as experts such as reputable mental health charity **Mind**, text support service **Shout** and child psychologists and counsellors with **Save the Children** publish their advice in the midst of this crisis.

Clinical psychologist Dr Emma Hepburn says "The advice I'd give to children is just as much relevant to the adults. You have to try hard to guard time where you just have fun and escape all of the bleakness. It's about having compassion for everyone including yourself."

Helping others is one of the **five steps recommended by the NHS** to improve mental wellbeing and there are countless ways to help with the Ukraine crisis.

A **number of charities have launched appeals**, including the British Red Cross, the UNHCR refugee agency and Unicef, while many individuals across the UK are raising money and collecting donations independently.

Dr Hepburn says that watching war unfold can make you feel out of control, and focusing on ways to help can manage that.

"There's lots of evidence that doing something for other people has a really beneficial impact on your own mental health. If we perceive that we made someone else feel good, we feel good. Our brains are designed to be social and have connections and creating a connection with something bigger than you is really beneficial to your wellbeing."

Please do read the full BBC article where you will find expert advice on how to support ourselves and our children with their mental wellbeing and at this critical time.

<https://www.bbc.com/news/uk-60557186>

If you have any immediate concerns about your child in relation to the Ukrainian conflict, please do not hesitate to contact your child's tutor.
