

BEECHEN CLIFF

26th May 2022

Message from the Headteacher

Dear Parents and Carers,

I would like to congratulate our U6th and Year 11 students on their efforts with their examinations so far. I hope the upcoming half term holiday will give an opportunity to both have a break and also focus on revision for the examinations still to come.

Our Year 7 and 8 pupils have now finished their summer examinations, though pupils in Year 9 and 10 still have these to come after half term. Miss Sullivan has talked to both year groups about the assessment process and revision during assemblies this week.

This week we have also launched to Year 10 pupils the opportunity to apply to become a Year 11 Prefect. This is a great opportunity to take on some leadership responsibility and contribute to the school community. I hope many pupils will take the opportunity to apply.

Finally our U14 football team took part in the ESFA National Cup Final at the Hawthorns in West Brom today. Sadly they were defeated in the final by Calday Grange Grammar School. To reach the final was a fantastic achievement and no doubt it was a great experience to play at a professional football ground. Whilst I know the team will be disappointed, we are really proud of all their success this season.

I wish you all a good half term break in the week ahead.

Mr T.D. Markall
Headteacher

LIBRARY - Closed for public examinations

At Beechen Cliff we are committed to creating the very best possible environment for every student who is taking a public examination. It is always a challenge in a busy, large school to find sufficient, quiet rooms to support our most vulnerable students and those who have additional needs such as laptops, or scribes. Each year we repurpose our Library for the period of summer public exams as our Small Exam Centre.

A Reading Room will be provided before school, at break, lunch and after school instead in our Recital Room which can be found on the ground floor of the Music Block. All Reading lessons will move here for the duration and the Librarian will be on hand with a supply of books, regularly replenished and will take orders for boys who need a specific new book.

Thanks to all students, parents and staff for all your support as we strive to support every single candidate to fulfill their potential during public exams.

Kate Davison
Examinations Officer

School Contacts

Contact details for senior members of staff are available on the contact page of the school website.

If you wish to get in touch or have a concern please contact the relevant member of staff or your son's tutor. Alternatively please email headteacher@beechencliff.org.uk and the message will be passed on to the appropriate person to respond.

Summer Exams

Well done to Year 7 and 8 pupils who have now undertaken their summer exams weeks.

Year 9 summer exams week is the first week back after half term, W/C 6th June. A reminder that, due to the Duke of Edinburgh Bronze qualifying expedition on Friday 10th June, some Year 9 exams may take place in the following week. Class teachers will communicate this on Google Classroom. We wish Year 9 pupils the very best of luck with their exams.

Year 10 exams week is W/C 20th June. All Year 10 pupils have been provided with a revision timetable and were spoken to about how to prepare for their exams in their exams assembly this morning (Thursday 26th May). The first two weeks of term will be a revision fortnight for Year 10, where they will be set revision tasks for all of their examined subjects in place of normal homework. We hope that all of our Year 10 pupils will rise to the challenge and embrace the opportunity to have a practise run for their GCSE exams.

Best wishes,

Sophie Sullivan,
Assistant Headteacher, T&L

Reading at Beechen Cliff School

Sports Extra Curricular Clubs

For information on after school clubs, please see the [Extra Curricular page on our website](#). This is up to date but please be aware that sometimes there are changes due to unforeseen circumstances. We will notify pupils via google classroom or via the Duty Boys in the event of any cancellation/ changes.

Sports Class on Google Classrooms/ Sports Fixtures website

Each year group now has a Sports Class on Google Classrooms where details of fixtures and notices will be given. Please encourage your son to check this regularly for information.

You can also find fixtures information and team sheets on our [Sports Fixtures website](#)

Team selection

With so many of our boys engaged and interested in the sports offering at Beechen Cliff, we endeavour to give them all a chance to be a part of the teams. This does mean that not all boys will be selected each week in the interests of being fair and giving a chance to all that wish to compete for the school.

Extra Curricular Sports kit

If your son is involved with our extra-curricular activities and therefore additional kit would be helpful, we do have an online shop with Kukri. This kit is not compulsory and does not replace your son's curriculum kit but is available for after school clubs and fixtures. Kit options include tracksuit bottoms, shorts, training t-shirts and additional mid layers. [Kukri- Beechen Cliff](#)

Resilient Team Workshop

I am running another Resilient Teen workshop in the woods over the summer. This time it is a one-day workshop which may be of interest to some pupils.

Details are here at <https://www.bathmindfulness.co.uk/resilient-teen-in-the-woods>

Also I am now running my workshops in secondary schools within their woodland areas. There is something about the campfire effect to help people to open up.

Theme of the Week

This week makes the two year anniversary of the murder of George Floyd. We are discussing George Floyd and BLM during tutor time this week.

George Perry Floyd Jr. (October 14, 1973 – May 25, 2020) was an African-American man who was murdered by a police officer in Minneapolis, Minnesota, during an arrest after a store clerk suspected Floyd may have used a counterfeit twenty-dollar bill, on May 25, 2020. Derek Chauvin, one of four police officers who arrived on the scene, knelt on Floyd's neck and back for 9 minutes and 29 seconds. After his murder, protests against police brutality, especially towards black people, quickly spread across the United States and globally.

Watch the clip below to remind students of the events that followed the death of George Floyd

<https://edition.cnn.com/2020/06/01/world/george-floyd-global-protests-intl/index.html>

What are your memories of this time two years ago?

What do you remember seeing on the news/social media?

What is Black Lives Matter?

Mission - Black Lives Matter Global Network Foundation is working inside and outside of the system to heal the past, re-imagine the present, and invest in the future of Black lives through policy change, investment in our communities, and a commitment to arts and culture.

Vision - Black Lives Matter Global Network Foundation imagines a world where Black people across the diaspora thrive, experience joy, and are not defined by their struggles. By achieving liberation, we envision a future that is fully divested from police, prisons, and all punishment paradigms to be replaced with investment into justice, joy, and culture.

Mental Health and Wellbeing

The impact of lockdown on our young peoples' mental health simply cannot be understated. What we read about in this article is what we are experiencing at Beechen Cliff. In our work as Solution Focused Practitioners at Beechen Cliff, and with our whole school solution focused approach to mental health, we love being able to help young people to notice how well they have coped during such unprecedented times and to realise that no problem exists all of the time. Working with young people, who are the true experts of their own lives, can truly make a remarkable difference to their mental well-being struggles.

As the strain on mental health services for young people has never been so high, please do get in touch with the pastoral team if you are worried about your child. We are exceptionally proud to be a school whose mental health work has been described as "remarkable" by Ofsted in their last boarding inspection. This is more important than ever when you read the shocking statistics about the demand for NHS mental health support for young people under the age of 18, and the difficulty accessing this.

Spotters Hockey

For the summer we are running two coaching activities - one in term time and camps in the holidays. Here are the details:

New Summer term Spotters Hockey Academy sessions - these started on **16 May** and will run from 6-730pm for 6 weeks be at the Royal High Senior School astro.

These sessions are designed to give young hockey players' more insight into their performance on the hockey pitch and how they can enhance their contribution to the team's performance through recognising the phases of the game and enacting strategies that will achieve better outcomes. We will work on individual skills and how to utilise these in the game and combine with the team to optimise their performance. We have also ensured that we are offering good value for money and a discount is provided for multiple session bookings, and our high quality coaching is offered at a price much lower than other providers!

Aimed at Years 6-8, (high performing Year 5's also welcome - and any Year 9's interested and we will put on an extra coaching group) these sessions will help to ensure that players benefit from this time in the off season and continue their progression, ready to impress when the season resumes in September. We will also run these pre-season in September, as we did last year and include the option to select additional athlete development and mentoring if this is of interest.

We also have our **Spotters Hockey Summer Hockey Camps running on 25th and 26th July 2022, and 18th and 19th August 2022**, suitable for ages 7-15 and providing lots of fun hockey skills and game play, with specialised effective coaching provided by our qualified and experienced coaches, and booking can be made via this link for those: <https://form.jotform.com/210805551045346>
