

BEECHEN CLIFF

14th July 22

## Message from the Headteacher

Dear Parents and Carers,

Last weekend our centurion challengers battled the heat and both the physical and mental challenges of walking 100 miles in 48 hours from school to Hungerford and back. Over 100 competitors from Beechen Cliff and some guests from Hayesfield put themselves forward, which in itself shows amazing aspiration and determination.

All challengers completed the first 22 mile section to Devizes and then battled the heat and 56 miles of second on the way to and back from Hungerford. By the end of Saturday just 33 remained.

### AUGUST DATES

12 August—*International Youth Day*

23 August—*International Day of the Abolition of the Slave Trade*

On the Sunday William arrived back at school first at 10.56am shortly followed by Kieran and Oliver. Over the next few hours the other challengers walked, ran or dragged themselves back to school, with the last finisher arriving at 3.50pm just before the 4pm cut off.

I would like to say a huge congratulations to all who took part and in particular our 33 finishers. It took an immense effort to complete, is a significant achievement and the centurion ties earned are really well deserved.

I would also like to say a huge thank you to all the staff, parents and volunteers who made this event possible and allowed not only for amazing achievements to occur but enable a significant amount of fundraising for charity to take place.

We have survived the heat in school so far this week and have kept classrooms as cool as possible. Pupils have also taken advantage of the shade under the trees at break times and lunch times. A number of pupils have also been out and about on trips kayaking, to the Lake District and Spain.

The young musician finals have also taken place and I would like to say congratulations to all involved and to Kipling House who were our winners.

Tonight we have our summer music celebration with 8 bands performing, which promises to be a brilliant evening of entertainment.

Tomorrow we have sports day taking place. Pupils should come to school in their PE kit. Registration and period 1 will take place as normal for all pupils. Sports Day will begin at 10.15am with different events taking place throughout the day. The day is expected to end around 3pm after an afternoon registration.

Next week we have our activities week. The full programme is available [here](#).

High temperatures are expected next week, particularly at the start of the week. I have written to parents separately to explain the arrangements for next week in light of this weather forecast. This letter is also published alongside this newsletter. In addition Mr Mann will be writing to all parents of those pupils due to go on the trips to The Big Pit, The Natural History Museum and Thorpe Park tomorrow with an update.

## Key Notices

### Advanced Notice—Start of Term Arrangements

There will be a staggered start for year groups in the week commencing 5th September 2022. **New Year 7, Lower Sixth and Year 10 students will arrive at school on Monday 5th September** and the **remaining year groups will come into school on the Tuesday 6th September.**

We will publish full details on the School website and email out all key information to parents over the summer holiday.

### Driving carefully and Dropping Off/Collecting Pupils - The Avenues and Greenway Lane

Please can we ask that you drive slowly and carefully on the Avenues when bringing your child to school. It is really important for the safety of our pupils and also the general public/ residents.

Many parents are also bringing their children to the main entrance of the school by car and dropping them off and collecting them near the school gates. To ensure the safety of pupils and out of respect to local residents I would be grateful if cars would not stop to drop off in the middle of the road or stop on the zig zag yellow lines outside the school gates. If you do have to drive up to school, please park in the marked bays on the side of the avenues or, if you are able to, please drop off lower down the hill or at Bear Flat (Majestic Wine are happy for their car park to be used as a drop off/ pick up point). You may also be aware that there is an unofficial one way system in place on the avenues with cars driving up Shakespeare Avenue and down Kipling Avenue. We would appreciate if this is followed.

Can we also ask that you respect the local residents on both The Avenues and Greenway Lane. We have received a number of concerns from local residents that parents are using driveways on Greenway Lane to drop off their children and turn round and this is blocking access for those that live there.

Please note that the lower fields entrance on Greenway Lane is not to be used as a pull in as it a private driveway so please use residential parking opposite the playing fields instead.

### REPORTING PUPIL ABSENCES

It is important that **all absences** from School including late arrivals and medical appointments be reported to School promptly. **Parents and carers please take note of the following correct contact details.**

#### Lower School Pupils

To report a Lower School absence please call the School direct on **01225 480466**, and select **Option 1** or you can email the lower school attendance at [attendance@beechencliff.org.uk](mailto:attendance@beechencliff.org.uk).

#### Sixth Form Students

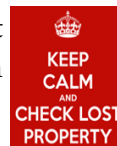

For a Sixth Form student absence please call the School direct on **01225 480466** and select **Option 2** or you can email 6th Form attendance at [sixthattendance@beechencliff.org.uk](mailto:sixthattendance@beechencliff.org.uk)

### Lost Property

If your son has lost an item of uniform or sports kit, please encourage him to visit the school nurse during a break or lunch time to see if the item is there.

Any items not claimed by the end of Term will be donated.

### Keeping safe in the sun

From looking at the current weather forecast it appears almost certain that the hot weather will be with us until the end of term - here are a few tips from the NHS on how to keep safe in the sun:

Make sure you:

- spend time in the shade between 11am and 3pm
- make sure you never burn
- cover up with suitable clothing and sunglasses
- use at least factor 30 sunscreen - remember to bring some to school and on trips
- Keep hydrated - bring an extra drink in your bag
- If you feel as if you're overheating - especially during lunchtime - stop all activity, move to a cooler place and have a drink

Head of Kipling and Deputy DSL

### Books borrowed from English and the Library Books

We would be grateful for parents and carers to remind their child to return any books borrowed from English or the Library please before the end of term

## Literacy Update

### Year 7 - Reading Evening

The aim of this meeting was to offer help and support with reading at home. At Beechen Cliff our ambition is for all of our pupils to be reading at or above their chronological age by the end of Year 9. This will allow pupils to confidently access their Key Stage 4 curriculum and GCSE exams. Further, confidence in reading will lead to pupils reading regularly, which will increase and enhance their vocabulary and develop their imagination. We aim to build a reading culture where pupils develop a love of reading and routinely read for pleasure.

To achieve this we invited a group of year 7 parent/carers to the school for our inaugural 'Reading Evening'. We wanted parents to feel supported as the aim of this evening was to offer practical advice, show clear examples of how to support reading that is both easy to follow and hugely beneficial for your child from home.

If that wasn't enough we also held a free prize draw where one lucky family received a £50 One4all voucher and all pupils attending the evening received a bookmark and a free copy of 'Lark' by Anthony McGowan (winner of the 2020 Carnegie Medal) quoted as being a 'stand alone masterpiece'.

### Year 8 - Author Visit

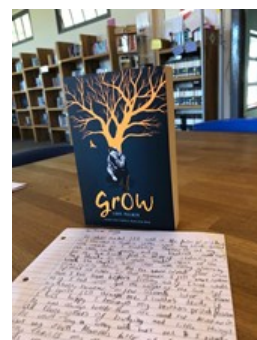

#### [Luke Palmer - Grow](#)

Our Years 8s had the opportunity to participate in our first author visit on Friday 8th July.

We selected a specific group of pupils to participate in workshops for the day. Our Years 8s listened to a talk from the author about his book and many of our Y8 cohort had the opportunity to work on their poetry and prose throughout the day. Some also went away with a signed copy of his book.

Mike Newell

Literacy Co-ordinator

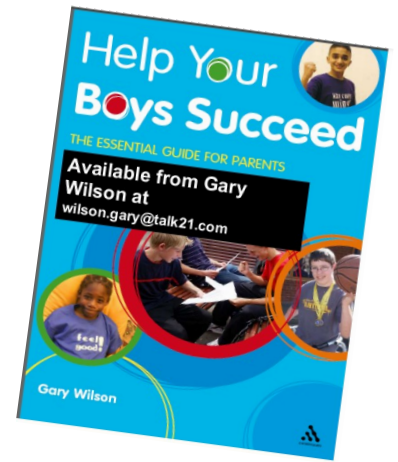

## Boys' literacy evening with Gary Wilson

Last week we were happy to welcome Gary Wilson, boys' literacy expert and author, to our school hall to deliver a talk on boys' literacy to our Year 7 and 8 parents. Some selected slides from Gary's presentation are now available on the school website. Please follow this [link](#) to view them.

Many thanks,

Sophie Sullivan  
Assistant Headteacher — Teaching and Learning

## Activities Week Update

Next week is Activities Week with trips and workshops in place for pupils in Years 7-10 and the Lower Sixth. Please ensure that suggested mitigations for warm weather are followed as per Mr Markall's letter. The programme can be viewed on the following link, with the exception that Sky-line walks will return before lunch to avoid higher temperatures.

# SPORTS

## English Schools Athletics Championships

Congratulations to Dylan who came in 2nd and took the Silver medal in the Inter Boys 1500m Steeplechase at the English Schools' Championships in Manchester last week. He also took a huge 7 seconds off his PB - which is now 4:27.43. His performance has earned him a place in the English Schools' A.A. Inter Boys team and he will now go on to represent England at the Schools' International Athletics Board (SIAB) Home Countries Track & Field International in Belfast on Saturday, 16th July.

This is a fantastic achievement and we wish him every success this weekend.

Mr T D Markall  
Headteacher

## Sports Extra Curricular Clubs

For information on after school clubs, please see the [Extra Curricular page on our website](#). This is up to date but please be aware that sometimes there are changes due to unforeseen circumstances. We will notify pupils via google classroom or via the Duty Boys in the event of any cancellation/ changes.

## Sports Class on Google Classrooms/ Sports Fixtures website

Each year group now has a Sports Class on Google Classrooms where details of fixtures and notices will be given. Please encourage your son to check this regularly for information.

You can also find fixtures information and team sheets on our [Sports Fixtures website](#)

## Team selection

With so many of our boys engaged and interested in the sports offering at Beechen Cliff, we endeavour to give them all a chance to be a part of the teams. This does mean that not all boys will be selected each week in the interests of being fair and giving a chance to all that wish to compete for the school.

## Extra Curricular Sports kit

If your son is involved with our extra-curricular activities and therefore additional kit would be helpful, we do have an online shop with Kukri. This kit is not compulsory and does not replace your son's curriculum kit but is available for after school clubs and fixtures. Kit options include track-suit bottoms, shorts, training t-shirts and additional mid layers. [Kukri- Beechen Cliff](#)

**Pat Macdonald**

**Head of Shakespeare/PE**

If your son is absent on the day of his fixture, please can we politely ask that when you contact Attendance to report the absence, you also advise the sports team [sport@beechencliff.org.uk](mailto:sport@beechencliff.org.uk) as soon as possible to enable an alternative player to be found.

## Fixtures

Please refer to the [Sports Fixture website](#) for the most up to date information on any upcoming fixtures.

# Outdoor Activities

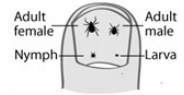

## Be Tick Aware

At this stage of the year through various outdoor activities many pupil and students will be in areas where they could pick up ticks. These minute spider like insects are a parasitic and take blood from their host.

Ticks are normally easy to remove with tweezers and are quite common. However they can carry Lyme disease, which if untreated is extremely debilitating.

The incidence of this disease is more common in the warmer months so here is some advice on what to look for.

*The rash is very distinctive and more commonly looks like a target/dart board. Please consult your doctor if you see this.*

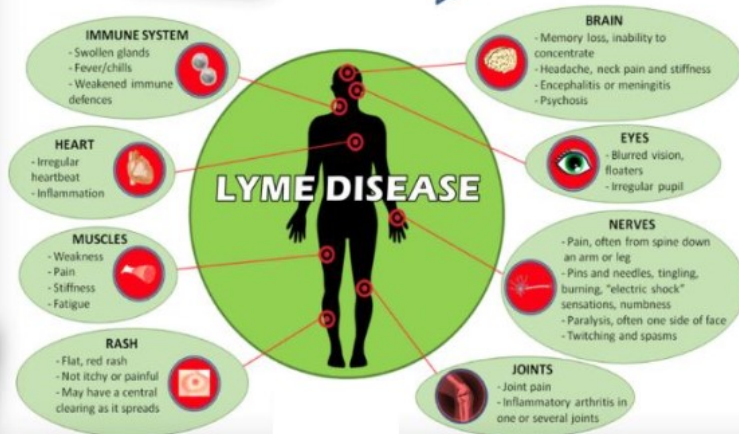

## TICK BITE FIRST AID

IF YOU FIND AN ATTACHED TICK...

1. Do NOT DELAY removing the tick.
2. Use a tick remover tool if possible. If not, use long fingernails.
3. Lift straight upwards, pulling firmly and steadily. Do not squeeze the tick's body.
4. Disinfect the bite area and wash your hands with soap.
5. If you don't manage to get the feeding parts out, the bite could go septic but this is not Lyme disease.

LOOK OUT FOR THESE SYMPTOMS FROM 3 DAYS TO 3 MONTHS AFTER THE BITE. PEOPLE USUALLY GET SEVERAL SYMPTOMS BUT NOT ALL OF THEM.

Further details are available by following the links on the Outdoor Education page of the school website or directly from this link (<http://lymediseaseaction.org.uk/about-ticks>)

### LYME DISEASE SYMPTOMS

If bitten by a tick carrying lyme bacteria you may get some/all of the following symptoms

- |                   |                                 |
|-------------------|---------------------------------|
| Fatigue           | Dizziness                       |
| Weakness          | Confusion                       |
| Headache          | Buzzing in Nerves               |
| Backache          | Paralysis                       |
| Joint Muscle Pain | Trouble with: speaking/Thinking |
| Stiff Sore Neck   | Talking, Walking, Concentrating |
| Nausea/Diarrhoea  | Trouble Breathing               |

## Self-Care in the Summer Holidays

The summer holidays offer an opportunity to recharge, but some young people may find themselves struggling without the structure and support network of school.

The Anna Freud National Centre for Children and Families have created these #SelfCareSummer packs for primary and secondary schools. These packs feature a range of creative activities based on self-care strategies that other young people have found useful in helping them stay mentally healthy. As many of our pupils and students have primary aged siblings, we have included both support packs.

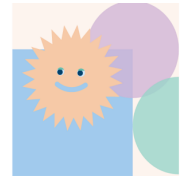

<https://www.annafreud.org/schools-and-colleges/self-care-summer/>

They also signpost young people and their families to additional support, including the AFC crisis messenger text service.

I am running another Resilient Teen workshop in the woods over the summer. This time it is a one-day workshop which may be of interest to some pupils.

Also I am now running my workshops in secondary schools within their woodland areas. There is something about the campfire effect to help people to open up.

## Bath Summer Escapes – with Youth Connect South West

We at Youth Connect South West have planned multiple trips and day experiences for Young People in the Bath area during summer.

I have attached our Bath Scape flyer with the trip information This is a brilliant opportunity for young people to get out and about during the summer and experience new things.
