26th January 2023

Message from the Headteacher

Dear Parent and Carers,

It has been a busy week with the start of Year 9 options interviews, football and netball fixtures, and preparations for bands night next week.

Congratulations to our Year 8 footballers who yesterday reached the quarter finals of the national cup defeating Ivybridge by four goals to one.

The theme of the week has been Holocaust Memorial and today the Humanities department have been running workshops for Year 9 exploring this in more detail.

Year 11 and Upper Sixth students are starting to attend revision sessions and both year groups will be completing a second set of mock exams in lessons after half term.

Next week industrial action is planned for Wednesday 1st February. Further information about the arrangements for the day are provided in a separate letter which is included alongside this newsletter.

C2 Slips

Dear Parents and Carers

We have made some slight alterations to our sanctions system, full details of which will be published on our website in due course. However, please be aware that we have replaced the short 'C2 detention' with a C2 reflection slip.

If a student needs a C2 (usually for relatively minor offences such as a second warning for talking, lateness or inadequate work) they need to complete the reflection slip, detailing how this issue can be improved next time. They then return that slip to the member of staff in their own time within 24 hours. If they should fail to do so, this can then be escalated to a 30-minute 'C3' detention.

Mr Michael Ambrose
Deputy Headteacher

School Contacts

We believe that communication between parents and carers and The School is really important. If parents or carers have a concern, query or information to pass on then please do contact us. A list of contact details for senior staff is available on the School Website and via the link below.

Alternatively please email headteacher@beechencliff.org.uk and the message will be passed on to the appropriate person to respond.

Revision Session Schedule for 2023

Dear Parents and Carers,

In the build up to the summer examinations, in order to help your son to revise effectively for his GCSEs, please see the [Revision Session Schedule for 2023](#).

We realise that it will not be possible for him to attend all of the sessions due to the limitations in the calendar. Where two subjects are on at the same time, we advise that he prioritises the subject(s) for which more revision would be useful, or to alternate between the sessions each week.

As well as these revision sessions, tutors will, from next week, be running a weekly mentoring and revision session in morning tutor time which will run from then until the final exams. This will take place in the slot which has until now been devoted to Reading.

Please therefore encourage him to bring revision materials into school to use at this time.

Kind regards

Andrew Seal

Theme of The Week

Holocaust Memorial Day 27th January

HOLOCAUST
MEMORIAL
DAY 27/1

Why do we have a Holocaust Memorial Day?

Ordinary People is the theme for Holocaust Memorial Day 2023

Genocide is facilitated by ordinary people. Ordinary people turn a blind eye, believe propaganda, join murderous regimes. And those who are persecuted, oppressed and murdered in genocide aren't persecuted because of crimes they've committed – they are persecuted simply because they are ordinary people who belong to a particular group (eg, Roma, Jewish community, Tutsi). Ordinary people were involved in all aspects of the Holocaust, Nazi persecution of other groups, and in the genocides that took place in Cambodia, Rwanda, Bosnia and Darfur. Ordinary people were perpetrators, bystanders, rescuers, witnesses - and ordinary people were victims.

We mark Holocaust Memorial Day to bear witness for those who endured genocide, and honour the survivors and all those whose lives were changed beyond recognition. As many survivors of the Holocaust have died, it is our responsibility to keep sharing their stories - **why do you think this is? What lessons can we learn from their stories?**

You can listen to some survivors' stories here:
<https://www.iwm.org.uk/history/concentration-camp-survivors-share-their-stories>

'What is abnormal is that I am normal. That I survived the Holocaust and went on to love beautiful girls, to talk, to write, to have toast and tea and live my life - that is what is abnormal.'

Elie Wiesel, survivor of the Holocaust

We are all ordinary people today who can be extraordinary in our actions. We can all make decisions to challenge prejudice, stand up to hatred and to speak out against identity-based persecution.

Work experience placement is open for students to apply - placements available in February, April and June.

What you will do:

The five-day placement aims to give you the broadest possible experience in the shortest possible time.

- You'll spend on the shop floor – shadowing operators and discovering exactly what their jobs involve.
- You will also spend two days looking at things from more of an engineering perspective – how the products are designed and why we manufacture them the way we do.
- Finally, depending on the specific placement you're offered, you'll spend a day focusing on one department or aspect of that process.

By the end of your placement, you'll hopefully have a clearer idea of where your interests lie and an insight into the potential opportunities for you at Rolls-Royce in the future.

- You must be currently studying and aged 14-19
- Live within twenty miles of the location you apply for
- Able to join us on-site for five consecutive days, Monday-Friday

All work experience placements must complete the on-line application.

Work Experience

Year 10 & Year 12 - Monday 17th to Friday 21st July 2023

We would like to confirm that our Work Experience dates for both Year 10 and Year 12 is the week commencing Monday 17th July (during the last week of the academic year). In discussion with Hayesfield School, we have chosen different dates so that pupils from both schools are not competing for the same placements.

We understand that pupils may be offered a placement for different dates than above - if this is the case then please contact Mrs Pascoe at workexperience@beechencliff.org.uk so that these dates can be approved by the school. If your child has a placement on alternative dates then they will be expected to be in school during the week commencing Monday 17th July.

Year 10 students spent the day on Friday 2nd December working on their CVs, cover letters and researching what they might like to do and which companies may be able to take them for a week. We hope that this has prepared them to be able to find a suitable placement.

Year 12 students have begun thinking about work experience placements this term in tutor time, and will be getting further support via their tutor, along with resources shared with them over the next term.

We will be sending out further correspondence shortly including the Google Forms that will need to be filled in by the pupil, their parent/carer and the employer; this information will enable us to confirm the placement.

If you have any questions or would like any further information, please do not hesitate to contact Mrs Pascoe, Head of Careers.
