

BEECHEN CLIFF

2nd February 23

## Message from the Headteacher

Dear Parents and Carers,

This week has felt a little disjointed with the industrial action taking place and I hope pupils studying at home on Wednesday had a productive day. Certainly those in school had a positive day, taking the opportunity to continue their studies in small groups.

Over the last week there has been so much to celebrate including both our U13 and U16 football teams reaching the quarter final of the national cup, a strong second place performance by our mathematicians in the local Maths team challenge and some excellent training for the forthcoming Ten Tors event.

We have also received a lovely letter from the charity, Genesis, thanking our students for their fundraising and donations before Christmas. Mr Mann refers to this, and other charity work, in an article later in this newsletter and when reviewing all the volunteering taking place as part of Duke of Edinburgh Award, it is clear that Beechen Cliff pupils are making a really positive contribution to society and we are really proud of them.

Over the last week our Year 11 prefects, in partnership with Year 11 Tutor Reps at Hayesfield, have completed their joint project on tackling sexual harassment. This has involved two forums and then planning and delivering assemblies to Year 8 and Year 9 pupils in both schools on what constitutes appropriate and inappropriate behaviours. This project was one of the things that our prefects decided that they wanted to achieve this year, particularly helping to educate younger pupils, and they have done a brilliant job.

Given the current high profile of Andrew Tate, we are continuing the theme of challenging inappropriate behaviours with dedicated time in our character tutor sessions looking at challenging misogyny.

I hope you enjoy reading the newsletter and I wish you all a good weekend.

## Key Notices

### Behaviour in the community

Whilst we often receive praise for the attitudes and behaviours of Beechen students from the local community, a small minority of boys have recently fallen short of our expectations with regards to respect for others. In two locations, the Better Leisure Centre and the Wellsway Co-op, a small number of students have behaved disrespectfully and damaged the good reputation of the school in doing so. We would like to remind all students that local businesses and residents must be treated with the respect and courtesy that we practice every day whilst in school.

Mr Michael Ambrose  
Deputy Headteacher

#### Contacts

Alternatively please email [headteacher@beechencliff.org.uk](mailto:headteacher@beechencliff.org.uk) and the message will be passed on to the appropriate person to respond.

## Student Safety

Through our assembly programme this term we have been speaking to all students about keeping themselves safe in a variety of situations including how to keep themselves safe on their journeys to and from school. Road crossings, cycle safety, safe and respectful use of public transport and Please take this opportunity to review with your child the various risks that may occur on their journey and how to minimise those risks. There is further information available on the [NSPCC website](#) including how to keep children and young people safe at work, work experience and volunteering.

## Substance Misuse

Through our PSHE and tutor time curriculum we have been looking at the risks associated with alcohol and vaping.

### Alcohol

Health risks:

Drinking alcohol can damage a child's health, even if they're 15 or older. It can affect the normal development of vital organs and functions, including the brain, liver, bones and hormones.

Beginning to drink before age 14 is associated with increased health risks, including alcohol-related injuries, involvement in violence, and suicidal thoughts and attempts.

Drinking at an early age is also associated with risky behaviour, such as violence, having more sexual partners, pregnancy, using drugs, employment problems and drink driving.

### Advice for parents:

If children do drink alcohol, they should not do so until they're at least 15 years old.

If 15 to 17 year olds drink alcohol, it should be rarely, and never more than once a week. They should always be supervised by a parent or carer.

If 15 to 17 year olds drink alcohol, they should never exceed the recommended adult weekly limit (14 units of alcohol). 1 unit of alcohol is about half a pint of beer (4% ABV) or a single measure (25ml) of spirits. A small glass of wine equals 1.5 units of alcohol. Read more about alcohol units.

If your child intends to drink alcohol, using positive practices such as incentives, setting limits, agreeing on specific boundaries and offering advice can help.

More information can be found [here](#).

### Vaping

Although e-cigarettes are almost certainly less harmful than smoking tobacco, they aren't risk free. Most e-cigarettes contain nicotine, which is highly addictive, as well as other ingredients such as propylene glycol, glycerine and flavourings.

E-cigarettes have been regulated by the government since May 2016. From April 2017 it's illegal to sell e-cigarettes to, or buy them for, under 18s.

Deputy Headteacher

## Year 11 and Year 13 Draft Examinations Timetables.

All Year 11 and Year 13 students will be receiving their draft timetable this week for the 2023 Summer Exams. Please check that all personal information is correct (DOB and spellings). Also check that the exams entered are correct, if any exams are missing or contain errors please email [exams@beechencliff.org.uk](mailto:exams@beechencliff.org.uk).

All language speaking exam times will be advised to the candidates by the language teachers.

Dates and times for Music and Art Assignments will be advised by the subject teachers.

History Exams show length as 0.00 they are 2 hours long.

RPE Exams show length as 0.00 they are 1 hr and 45 minutes long.

Some candidates will have clashes, we are aware of them and they will be resolved and the new times will be on their final timetables which will be issued at the end of March.

Students will receive an email in due course which will include all relevant exam information and rules from JCQ the Exams Governing Body. Please ensure that your child reads this and is aware of their responsibilities.

## Healthy Living!

Now that the days are getting longer and we are finally coming out of the dark afternoons, please encourage your son to walk to school whenever possible

### What are the benefits of walking to school?

Walking to school has lots of benefits:

- Something as small as walking 20 minutes a day can help you and your child ward off heart disease.
- Walking can help us to maintain a healthy weight, especially when combined with a balanced diet. It makes us fitter because our heart and lungs can work more effectively.
- In addition, it can help our bones stay healthy and improve our balance and coordination.
- Walking can help to increase our sense of wellbeing by making us feel more awake, focused and cheerful. This is great for your child each school morning as it could improve their levels of concentration in class.
- [Neuroscientists believe that if we walk regularly](#), our brains can function more efficiently. In effect, walking acts as a 'superpower'. This means we are more proactive, cheerful and clever!

## Wera Hobhouse, Local MP visit

Wera Hobhouse MP visited Beechen Cliff on Friday 27th January to speak with our A Level Politics students, Year 11 prefects and other interested Sixth Form students. Wera shared her experiences working as an MP and Beechen Cliff students asked questions about scrutinising government as an opposition MP, electoral reform and House of Lords reform, among other issues.

### Food Technology – Needs your Help!

We have the GCSE 3 hour practical exam coming up and we could do with some nice plates/bowls/boards for students to present their work on. Think Masterchef style!

If anyone has anything suitable and would be willing to donate it to the cookery room, we would be very grateful.

Thank you the generous donations received so far, but we are in continual need of tupperware/containers! Please keep us in mind if you have any surplus.

If you think you can help, please bring items to T3 in the D&T block or drop at reception.

Many thanks

## Theme of the Week

This weeks Theme of The Week is focusing on first aid.

Tutors are going through basic first aid such as bruises, burns, cuts and nose bleeds.

We will also spend time talking about the recovery position and CPR. The students cover more on First aid during their PSHE lessons.

First aid education will **increase the number of children and young people able and willing to help in an emergency**. It will also improve their understanding of health issues and how to care for themselves, building a new generation of life-savers."

## Levels of First Aid

**Green Category:**  
A first aid situation that you can deal with but let a member of staff know what first aid you administered

**Green Situations:**  
Blisters  
Burns  
Cuts & Bruises

Asthma  
Mild Exposure

**Amber Category:**  
A first aid situation that requires help from a member of staff. Call a member of staff and administer first aid

**Amber Situations:**  
Head Injuries  
Asthma  
Shock  
Sprains & Strains  
Fractures,  
Dislocation  
Eye Injuries

**Red Category:**  
A life threatening situation or serious injury in a remote location, call the emergency services (999 or 112), administer first aid, call a member of staff to inform them

**Red Situations:**  
Severe Cut / Puncture Wounds with substantial blood loss  
Severe Fractures, Asthma, Head Injuries, Cuts, Exposure  
Unconsciousness Breathing & Non Breathing  
Heart Attack

### Beechen Cliff and Hayesfield production of Oklahoma!

This is a special message going out to anyone that has previously expressed interest in working backstage for Beechen Cliff and Hayesfield's production of *Oklahoma* and people who can help share these opportunities around both schools.

#### Quick Overview

Backstage Helpers Needed!  
Rehearsals are well underway for Oklahoma with a 60 strong cast and 20 piece band and it's set to be a brilliant show week but we equally need a backstage team to make the show come to life! If you are interested in being part of this great show by working back stage in a variety of interesting roles alongside our experienced production team, then please come along to find out more. This can also be used as part of work experience and Duke of Edinburgh activities!

**Date and Time:** Fri 03 February  
3.45-4.45pm

**Location:** Beechen Cliff Music Centre (see the site map [here](#))

**Sign Up** – If you are interested in being involved and haven't done so already, then please fill out the form here: [www.baththeatreschool.com/mtg](http://www.baththeatreschool.com/mtg). If you can't make this meeting, please complete the form and we will include you in future messages.

## Ten Tors Training 2023

Training has started for this years Ten Tors expedition on Dartmoor, with pupils of year 10 and year 12 walking and navigating routes over the Mendips, Somerset and Black Mountain, mid Wales.

The most recent training took part on the Black Mountain and the pupils were based at Tir y Cwm, the schools cottage. This was an intensive weekend where a range of skills were taught and practiced such as micro-navigation, tent pitching, cooking on stoves and expedition safety. This is all in preparation for spring expedition weekends on Dartmoor where they will be wild camping and are as self sufficient as possible.

Due to the King's coronation the Ten Tors event is the last weekend of April instead of in May. Our groups are shaping up well.

## Year 8 and 9 Table Tennis

Following the success of the Year 7 table tennis tournament a few weeks ago, events for Year 8 and 9 took place after school on Monday. The pupils played competitively and with great spirit.

Many congratulations to all who took part and well done to our winners: Marley in Year 8 and Hugo in Year 9.

We are also pleased to have some table tennis coaching starting after school with a professional coach for pupils in Years 7-9. This has proved really popular and so we are trying to arrange additional sessions to ensure more pupils can take part.

# CAREERS

Dear Parent/Carer

In support of National Apprenticeship Week (NAW) which runs from Monday 6th to Sunday 12th February, we thought it would be useful to give you some information about the apprenticeship landscape and opportunities available to pupils post 16 and post 18.

NAW brings together businesses and apprentices across the country to shine a light on the positive impact that apprenticeships make to individuals, businesses, and the wider economy. The theme this year is "Skills for Life"

Please find attached information, advice and guidance about apprenticeships - myths busted, links to events, workshops and resources that I hope you will find useful. The majority of the events will be for pupils from Year 10 upwards but I thought that those of you with younger children may be interested in the resources and information too.

We will be running a number of events at school across the week, please see below:

# Wellbeing

Dear Parents and Carer's,

You may have noticed in the Newsletter lately some information about some changes to the 'C2 detention'. That it has now been changed to a 'Reflection Slip'. Where the students are invited to think about what they might do differently nexttime.

This was something that the Wellbeing Team were overjoyed to hear about.

Especially as it has had such a positive impact on students and staff already. In that it reduces escalation in the moment and it highlights to the students that we believe in them, that we see hope and possibility in relation to their ability to take responsibility for their themselves and they experience autonomy in how they chose to explore what they may do differently next time.

The hope is also that this Reflection Slip creates opportunities at home for positive conversations rather than further escalation for being in trouble.

What difference does something like this make to our emotional wellbeing?

When we use more hopeful language with children and young people it enables them to learn how to build their own self controls and to build positive relationships.

It builds their self-efficacy, which enables them to have a have a more positive sense of self, which in turn can improve their general emotional wellbeing.

With Best Wishes,

The Wellbeing Team

## C2 Slips

Dear Parents and Carers

We have made some slight alterations to our sanctions system, full details of which will be published on our website in due course. However, please be aware that we have replaced the short 'C2 detention' with a C2 reflection slip.

If a student needs a C2 (usually for relatively minor offences such as a second warning for talking, lateness or inadequate work) they need to complete the reflection slip, detailing how this issue can be improved next time. They then return that slip to the member of staff in their own time within 24 hours. If they should fail to do so, this can then be escalated to a 30-minute 'C3' detention.

## ACTIVE WESTON needs your help please

ACTIVE WESTON is a new organisation encouraging active participation in sport and leisure activities by people of all ages and abilities in the Weston and Newbridge area of Bath.

We see a real opportunity to develop the facilities at Weston Rec, for as many types of activity as possible, so that it can be used by a wide and diverse range of groups, encouraging leisure activities and sports for teams and for individuals.

**If you live or work in the Weston and Newbridge area, please help us by completing this very simple survey.** Go to [www.activeweston.org.uk](http://www.activeweston.org.uk) It'll take you two minutes.

When we have enough replies, we will then know what to include in a plan for developing the Rec for more sports and leisure activities.

**The survey is for everyone** – whether you are young, old, sporty, in a wheelchair, with small children, keen on fitness, crazy about football, would love to play boules, or just push your buggy, or sit on a bench and smell the flowers, go for a jog, or run along the top of a log, play table tennis, play cricket, practice basketball, or just go on taking your dog for a walk.

Thanks for taking part !
