

BEECHEN CLIFF

17th March 23

## Message from the Headteacher

Dear Parents and Carers,

Our pupils and students have adapted well in school to what has been a rather fragmented week this week. The Year 11 pupils have been particularly impressive in school in the way they have completed coursework, practical exams, and walking, talking mock exams in English.

Today we are raising money for Comic Relief. Thank you for the donations that have been made and it is great to see pupils wearing an item of red in support of this cause.

### Sixth Form Politics Trip

Last week saw the Sixth Form Politics trip to London to the Houses of Parliament, which was great opportunity for them to have a tour of these famous buildings and learn more about the work of the UK Parliament.

### U15 Rugby Champions

This week our U15 Rugby team were crowned Somerset Cup champions with victory over Clevedon School in the final at Bridgewater RFC. Congratulations to all the squad on a great result and successful end to the season.

## Bridge Building Workshop

On Tuesday our physics students had the opportunity to take part in a bridge building workshop. There was a real buzz in the room, and it was wonderful to see our students so engrossed in building their bridges. It was great that they had the opportunity to work alongside civil engineering students from Bath University. I'm sure many of our students will be inspired to consider civil engineering as a degree and/or profession.

## Music and Theatre

Our musicians have been working hard in their rehearsals for the School Concert at St Luke's Church next Thursday. We look forward to seeing many of you there to support them.

Also, it is now less than two weeks to the opening night of our School Production of Oklahoma, joint with Hayesfield and Bath Theatre School. Tickets are available via the following link (<http://www.baththeatreschool.com/tickets/>) and there are discounted tickets for Beechen Cliff pupils.

Finally, we will all our challengers the very best for the Coast to Coast cycle ride across Devon this weekend. Let's hope the weather is kind to them!

Wishing you a good weekend,

*T. D. Marshall .*

## Key Notices

### Dropping Off/ Collecting Pupils

Many parents are bringing their children to the main entrance of the school by car and dropping them off and collecting them near the school gates. To ensure the safety of pupils and out of respect to local residents I would be grateful if cars would not stop to drop off in the middle of the road or stop on the zig zag yellow lines outside the school gates. If you do have to drive up to school, please park in the marked bays on the side of the avenues or, if you are able to, please drop off lower down the hill or at Bear Flat (Majestic Wine are happy for their car park to be used as a drop off/ pick up point).

You may also be aware that there is an unofficial one way system in place on the avenues with cars driving up Shakespeare Avenue and down Kipling Avenue. We would appreciate if this is followed.

### Wear Red for Red Nose Day on

#### Friday 17th March

We will be taking part and fundraising for people going through the toughest of times in their lives. All year-round, the money donated to Comic Relief works hard to support some incredible projects making a change to people's lives across the UK and around the world. In fact, over a two year period, Comic Relief funding has helped to support 11.7 million people.

Pupils will be able to wear red for the day for a donation of £2 via Parentpay. There will be a range of activities that will take place during the day to raise money for this great cause - from cake sales to challenges!

Please encourage your son to wear an item of red clothing alongside his normal uniform and donate £2 via Parentpay.

Thanks

## Lyncombe Hill Fields

Lyncombe Hill Fields borders the school site and is a beautiful area of land managed under licence by the Friends of Lyncombe Hill Fields, a Community Interest Company.

Over the last few years significant work has been undertaken to improve this facility for the local community, including the planting of many new saplings, some of which has been supported by members of the school community.

Most Beechen Cliff pupils using the facility do so in an appropriate way, including walking to and from school. Unfortunately, however, in recent weeks there have been reports of vandalism and an increase of littering in the area. Some of this has involved Beechen Cliff pupils.

We ask all members of the school community using the footpaths, field and woodland to do so respectfully to ensure they remain a pleasant environment that can be enjoyed by all.

## PLEASE CHECK FOR OVERDUE BOOKS!

“It was strange phoning up my grandparents to ask them to sponsor me but they were really interested in what I was reading and wanted to know about school. They asked me to phone them back on Friday to prove I'd read the books! We had a really nice chat.”

Year 7 pupil

### Here's what the charity, Read for Good, has to say about Reading:

Reading is life-changing: Children who read in their spare time are more likely to do well in school, have strong friendships, have better mental health, better paying jobs and happier lives!

Sharing books and stories with children has so many benefits

- Children who read for pleasure are more likely to get 5+ GCSEs
- Research shows that reading is good for children's emotional health and happiness.
- Readers are more empathetic; they better understand themselves and their friends.
- Reading is an escape from the constant ambush of information and instant gratification.
- Reading allows imaginations to flourish and heart rates to lower.
- Readers can always seek advice, information, comfort and relaxation in a book

Some of the new books in the library this month

The Read For Good sponsored read is about children **choosing** to read in their free time. And you can help encourage them! It's not too late to get involved. Any reading the pupils have done in the last two weeks can 'count' towards sponsorship.

Sponsor a pupil on this link to raise money for children in hospital and books or the school:

### Widcombe Poster Competition

Many congratulations go to Etienne M (Year 9) who was chosen as the overall winner of the Widcombe Poster Competition, run by Go Green Widcombe. The competition was entered by a number of Bath schools and there were hundreds of entries, so Etienne should be particularly proud of his achievement. He will be awarded with a certificate and £75 prize in due course. He is a talented and dedicated artist and I'm really pleased his talents have been recognised outside of the school!

Well done Etienne!

### Pastoral Staff Profiles

We are starting a series of staff profiles to give parents a greater knowledge of the Pastoral Staff at Beechen Cliff

**Name:**  
Mr Firth

**Role:**  
Head of House - Milton / Teacher of Geography

**How long have I been at Beechen:**  
This is my 7th Year at Beechen Cliff.

**My Best Hopes for Beechen Cliff Students:**

I hope that all students at Beechen Cliff look back fondly at their school experience. Reflecting not only on the daily enjoyment of learning new concepts and ideas, but also with the knowledge that they have grown significantly as a result of their experience - ready to move on to new challenges in adulthood.

**What I notice about Beechen Cliff students that really pleases me?**

Beechen Cliff students are always up for a challenge - shown by their involvement in the many challenges the school runs. Sporting Events, Ten Tors, 3 Peaks, Coast to Coast Cycle and the Centurion.

**What I enjoy about my role:**

I really enjoy spending time with the pupils in Milton, learning about their interests. It's always really rewarding helping students who need support, watching them bounce back and getting back into school life. I also massively value the outdoor education work at Beechen - if you want to see more about this, follow the 'Beechen Cliff Outdoor' instagram page!

**What my friends and family know about me:**

I prefer Type 2 fun to Type 1 fun... I really enjoy huge multi-day hikes or bike rides. Type 1 fun is immediately fun, it's like eating a bag of M&Ms or watching a movie. Type 2 fun is miserable while it's happening, but fun in retrospect.
