Message from the Headteacher

Dear Parents and Carers

As we move into the GCSE and A level exam season, the commitment to studying shown by our students has been excellent. Revision sessions are well attended and I know there is a real feeling of wanting to get on with the exams now after all the build-up. Assemblies across Years 7–10 this week have also focussed on summer exams with assessments taking place over the weeks ahead. It is therefore a really good time now to check your child has all the equipment they need for their exams and to provide extra pens, rulers, calculators as required to ensure they are fully prepared. We wish all students every success in the weeks ahead and would like to remind you that pastoral staff are available to support through the assessment period.

Over the next week, ten of our musicians will be singing in the choir with the School Voices Project performing in the Abbey and at the Forum as part of the Bath Festival. We wish them all the best in what will be a wonderful celebration of music.

Today we have had a busy day of sport with tennis, cricket and rounders taking place. I hope all enjoyed taking part.

I hope you enjoy reading the rest of our newsletter.

Reminders about equipment for all students who are due to start their public exams next week:

All stationary equipment (including 2 black pens for every exam) needs to go in a clear pencil case or a clear plastic bag. Pockets can be unreliable. For many exams, you also need a calculator. You are not permitted to use a calculator for GCSE maths paper 1.

If you are taking GCSEs, we recommend you bring a calculator, black pens, protractor, pencil, ruler, rubber and compass to school with you every day. You can leave them outside the exam room in your bag if they are not needed.

If you wish to bring a drink you may only bring water in a clear container without a label-tinted containers are not permitted.

If your child is unwell on the day of their exam, please contact exams@beechencliff.org.uk as early as possible with the reason. We will contact you as soon as possible to let you know the best next steps.

Year 7 Reading Evening – Tuesday 23rd May

Dear Parents/Carers

Please find below a copy of the letter from Mr Newell (also issued via ParentPay) with regard to the Year 7 Reading Evening on Tuesday 23rd May.

9th May 2023

Dear Parent/Carer,

Re: Year 7 Reading evening - How to support your child's reading at home.

You are cordially invited to our 'Reading Evening' meeting which will take place in the school hall between **6pm - 7pm on Tuesday 23rd May.**

The aim of this meeting is to offer help and support with reading at home. At Beechen Cliff our ambition is for all of our pupils to be reading at or above their chronological age by the end of Year 9. This will allow pupils to confidently access their Key Stage 4 curriculum and GCSE exams. Further, confidence in reading will lead to pupils reading regularly, which will increase and enhance their vocabulary and develop their imagination. We aim to build a reading culture where pupils develop a love of reading and routinely read for pleasure.

To achieve this we feel your support is essential and immensely important for your child to find a real love for reading in KS3. Hence, the aim of this evening is to offer practical advice, show clear examples of how to support reading that is both easy to follow and hugely beneficial for your child.

Finally, we really feel this will make a huge difference to your child's reading journey at Beechen Cliff School. We very much look forward to you attending this event.

Please be so kind as to complete the google form link below, indicating if you are/are not attending this event so we can gauge numbers.

Careers

Dear Parent/Carer

Thank you to those of you who have completed the forms to confirm the work experience placement for your child. If you have not yet done so, please can I ask you to fill in the parental consent form and also to forward the form that needs to be completed by the employer.

Please find the forms on our website:

<https://www.beechencliff.org.uk/work-experience-year-10-year-12/>

If your child is taking part in the Year 10 Law work experience or the Year 12 Army work experience then the employer consent forms are being dealt with by the school but we do require the form from you please.

If you need any further information please do not hesitate to contact me.

with kind regards

Extra- Curricular

Ten Tors 2023

This year 36 pupils took part in the annual Ten Tors challenge on Dartmoor. This is a challenge noted for the high levels of determination, teamwork and navigation needed to complete it. It is an arduous undertaking across some of the remotest terrain in England. This year 12 year 10 pupils, 3 year 11 and 21 year 12 pupils took on distances of 35 miles and 45 miles respectively. The challenge started at 7.00am on the 29th April this year and teams had until 5.00pm on Sunday 30th April to complete their routes.

Preparations, route planning and kit checking at base camp, Okehampton Camp. Friday 28th April

Such a challenge is not taken on lightly and our teams had been training since January. This included an outing across the Mendip Hills, a weekend at Tir Y Cwm in Wales, skills training and three expedition weekends on Dartmoor. This culminates on the Friday before Ten Tors when teams arrive from across the country to prepare for the challenge. This creates an incredible atmosphere of nervous, excited anticipation on the Friday, as a Glastonburyesque campsite grows at the start in Okehampton camp.

During Friday afternoon teams planned their routes and set target tors or waypoints to try and achieve on the Saturday before wild camping on the moor. They also underwent a kit check to ensure they had all the necessary and essential items. After a classic spag bol for tea teams relaxed before turning in for the night and the 5.00am alarm call of Chariots of Fire across the camps tannoy system

Staff up at 4.30am preparing breakfast before team photos and gathering at a foggy start line.

The start of Ten Tors is an awe inspiring site as 2500 youngsters gather on a hillside on the moor prior to the off. As soon as the guns sound the salute they are off. To watch this from a distance is like a scene from Lord of the Rings as armies take to the march. In short it is incredible and staff were extremely proud to watch our teams go out on their own adventure.

For staff back at camp and for parents and relatives tracking at home, an obsessive fixation with updates from the Ten Tors website takes hold.

The screen shot below shows the updates for our team on the S route 45 miles.

The start this year was extremely foggy and for the first few hours all teams had to navigate carefully... which most did, one year 10 group decided extra miles were in order with a geographical misplacement incident. However by the end of Saturday all of our teams were in a good position to finish on the Sunday and were at their targetted camping locations. Saturday also had it's individual stories of some note. Jess Brown (year 12) had blister that covered half her foot and Katherine Heath (year 12) had cable tied her boot sole to the upper on both feet as they were coming off! Jack Kelley (year 12) also completed after stepping in at the last minute! Such are the stories that come back to us and also show the qualities of all our pupils participating.

Sunday, if you are doing Ten Tors, hurts. Sunday plays with your mind over the hours and distance left. One moment you can taste the finish and know you can do it, in other moments, doubts and questions. Throughout this there is an undeniable truth to hold on to... the finish is fantastic. An adrenaline surge of triumph through thousands of spectators in the last 500 metres to the line. For our teams there were family, friends and staff, scanning the horizon, scanning phone updates, waiting.

And then the teams start rolling in. Flags given, clapping, delight, pride. I hope it creates a moment that will always stay with those who attempt Ten Tors

Teams approaching the finish under clouds that threatened and delivered sharp downpours.

Medals are presented for the various distances attempted. Bronze for 35 miles, silver for 45 miles and gold for the souls brave enough to attempt 55 miles.

Home in time for tea and medals!

As ever this year staff were extremely proud of all our groups. Not just their completion but also their conduct throughout the training. Staff give up a lot of weekends to support Ten Tors and get to know the pupils well and have a vested interest in their success. A huge congratulations to our teams. They showed grit and determination and a great desire to challenge themselves and step out of the ordinary. Well done!

The baton is firmly passed to the 2024 cohort...

Sixth Form Rounders

This Week's News

U/16 Football Team are County Champions!

Our Year 11 team has matched the achievement of the 6th form team by becoming Somerset Champions. The game against Heathfield School was a cagey affair in the first half where we were worth more than our 1-0 lead. The second half was a different affair with a couple of tactical switches we blitzed the opposition to run out 5-0 winners. Like the First team, these boys have served the school well over the past 5 years and they have been a tight unit. Some will now ply their trade at College football, some will remain in the 6th Form at Beechen Cliff and the Shield twins, Ollie and Harry will commence their scholarship contracts at Brentford FC and Plymouth Argyle. We wish them the best for the future!

Mr Mann and Mr Macdonald

First X1 Football team lift the Somerset Cup!

Our 6th form team have become Somerset Champions after a resounding 4-1 victory over Millfield at Odd Down FC. A hatrick from Joe DK and a goal from Luke M capped off a dominant performance in what was the last game for these boys before they leave the 6th form.

Theme of the Week

This weeks Theme of The Week is World Red Cross and Red Crescent Day which is an annual celebration of the principles of the International Red Cross and Red Crescent Movement.

World Red Cross Red Crescent Day is celebrated on 8 May each year. This date is the anniversary of the birth of Henry Dunant, who was born on 8 May 1828.

He was the founder of International Committee of the Red Cross (ICRC) and the recipient of the first Nobel Peace Prize.

World Red Cross and Red Crescent Day is a time to celebrate the spirit of humanitarianism and recognize the individuals who make a difference in their communities

This year, the theme is: Everything we do comes #fromtheheart

We want to celebrate the people in our communities, "the person next door", who often are the first ones to step up and support those in need around them. They could be someone at work; a neighbourhood business-owner; a Red Cross or Red Crescent community volunteer; someone at the gym, shop or market we go to; or someone living close by who has always been by our side. However they support us, they do it with love and #fromtheheart.

Can you think of any acts of kindness that you could easily add into your day? Week? Challenge for this month?

WELLBEING

As our Year 13s go on study leave this Friday, and our Year 11s are soon to follow, we wanted to remind all of our students (in every single year group) that they are remarkable! Let's not forget that our Year 13s did not have the opportunity to take their GCSEs and that all of our children were significantly affected by the disruption to their education and social and emotional development during the Pandemic. They are all incredible and need to be reminded of their amazing resilience throughout this unprecedented time in history. We celebrate their success at dealing with this time and wish them every success in the forthcoming exam season, but these beautiful words by the writer, Donna Ashworth, are still so poignant.

To the Exam Takers

*To the students who feel their future starts here,
well it does.*

But perhaps not in the way you think.

You see, you are very special people.

Teenagers who lived through the strangest historic time period in a century.

And your success, your bright career...

will be born not of your result in a test,

but in the way you handle the tough times.

Your resilience.

And let me tell you,

resilience is not appearing to have handled things well.

It's healing.

No one gets through unscathed, no matter how they seem to.

So, do your best, but keep close in your pocket,

that you are already quite something.

Continue your journey of adapting, of coping,

of evolving to be the first to face a new world.

Because you are.

And you have.

And you will.

And you have plenty to offer the future.

And plenty of time to see that.

Donna Ashworth

This week, Tara asked some of her Year 12 clients for a top tip to give to our lovely Year 11s and their wonderful nugget of advice was this:

Their advice was:

"Revise little and often and don't burn out". And they wished them the best of luck! And so do we!! This advice applies to all of our lovely students, no matter which year they are in.

Good luck from Tara and Susie and all the amazing staff at Beechen Cliff!

Kings of the Jungle

The series follows adventurer Ed Stafford as he takes a group of dad, and their children - aged between 11-15 - to live in the jungle for 2 weeks (this would be during the summer holidays). There, they will get the chance to experience back to basic living, take on challenges together, and bond in a once in a lifetime experience to connect with their children without the pressures of the modern world.

KINGS OF THE JUNGLE

A NEW EXCITING ADVENTURE SERIES NEEDS DADS!

CHANNEL 4 AND WORLD-FAMOUS ADVENTURER ED STAFFORD ARE LOOKING FOR UK DADS AND THEIR KIDS TO GO ON A ONCE IN A LIFETIME JUNGLE ADVENTURE FOR 3 WEEKS.

DO YOU HAVE A CHILD AGED 11-15YO?

DO THE PRESSURES OF MODERN LIFE MAKE IT MORE DIFFICULT TO BE A PARENT?

ARE YOU READY TO TEST YOURSELF WITH AN INCREDIBLE CHALLENGE?

IF YOU WOULD LOVE THE CHANCE TO GO BACK TO BASICS, FOCUS ON YOUR RELATIONSHIP WITH YOUR CHILD AND MAKE SOME UNFORGETTABLE MEMORIES, THIS SERIES IS FOR YOU.

IF YOU ARE INTERESTED IN TAKING PART WE WOULD LOVE TO HEAR FROM YOU ASAP

PLEASE EMAIL: Kingsofthejungle@twentytwenty.tv FOR DETAILS ON HOW TO APPLY

(Please note - families must be UK based, available for filming during summer holidays 2023 and have children aged 11-15 to apply)
