18th May 23

## Message from the Headteacher

Dear Parents and Carers,

The Year 11 and Upper Sixth students have made a positive start to their exams this week and I am impressed with the way they are approaching their assessments.

The Department for Education has recently published a fact sheet for parents of students taking exams this summer including details on grade protection, which is available [here](#).

Beechen Cliff pupils (along with other schools in Bath) performed brilliantly in the School Voices concert at Bath Abbey on Friday evening in what was a fantastic musical celebration. We wish them well for their next performance at the Forum this evening.

This week we have been flying the pride flag at school as our Theme of Week has been IDAHOBIT. Further information is available later in our newsletter.

## Staying Safe

There has been a rise in youth crime and antisocial behaviour in the city centre over recent months, and many of you will be aware of the recent tragedy that occurred in the SouthGate Centre. As a result, many of our students are feeling less secure in going out and enjoying themselves.

Barnados have compiled the following advice which you may wish to go through with your child to help them understand how to keep themselves safe when out in the community.

### Keep Safe

1. Stick with mates a similar age to you – a good mate won't ask you to do stuff you're uncomfortable with.
2. If you feel you can't say no, ask yourself: 'Am I in a safe situation?'
3. If someone offers you something for free, ask what they want in return.
4. Listen to your body – a fast, pounding heartbeat and churning stomach are signs you feel unsafe.
5. Be careful what personal details – including photos – you give out online, by phone, or in real life.
6. Make sure you know where you are going and how to get home. Have credit and charge on your phone.
7. Make sure someone you trust always knows where you are.
8. Drinking and taking drugs can make you unaware of unsafe situations and you can become a target for people who may hurt you.

### Do you know where you're going and why?

Think carefully about your safety before agreeing to travel anywhere with anyone or accepting an invitation into someone's car, room, house or party. If someone offers you a lift or to pay your fare, think carefully about why they are doing it and what they may potentially want from you in return.

Plan your journey to and from home. If you get a taxi or minicab, make sure it's licensed. Only flag down black hackney carriage cabs from the street.

Don't accept lifts from someone who has taken drugs or had too much to drink.

**Think very carefully before going to a house party, hotel or leaving a pub or club with someone you have just met. If in doubt, don't go!**

## Key Notices

### Beechen Cliff Multi Faith Prayer Room

We have set up a dedicated prayer space in school for pupils who are religious and would like to pray during the school day. The space can also be used by non-religious pupils who would like some quiet reflection, meditation or mindfulness time during their free time at school. The room is in the Pavilion, next to the Humanities Office.

We plan to have boxes for each religion who will be using the prayer room, with religious items to aid pupils' prayers and contemplation. If you have religious or mindfulness items at home that you would be willing to donate to our prayer room, please bring them into Reception labelled 'Prayer Room' and they will be gratefully received.

### Year 11 – Post 16 Destination confirmation

Under the Gatsby Benchmarks for excellent Careers Education in schools, it is our duty as a school to maintain records on the destinations of our students for three years after they finish Year 11.

Throughout Year 11, all students have been offered at least one IAG (Information, Advice and Guidance) appointment with our qualified Careers Adviser. Support for decision-making, applications and preparation for further education and training has been given to all students by the Careers Adviser, Form Tutors, Head of House and all associated staff to ensure that all students secure a positive intended destination.

Students completed a survey in October to let us know their intended destinations and this information has been updated to include the applications they have made, interviews and offers of study for post-16 education or training they have received.

To support our internal procedure, please could you complete this second survey to confirm your son's intended destination as soon as possible:

If you would like any further information or support please do not hesitate to contact me.

# LIBRARY NEWS

PLEASE CHECK FOR OVERDUE BOOKS!

*Due to exams, the library has temporarily relocated to the Recital Room. Books can still be returned and reserved from the recital room at break and lunchtime. HOMEWORK CLUB WILL TAKE PLACE IN C3.*

## Book Donations

We have been lucky to receive a number of quality book donations from parents of pupils at school recently. It is always fantastic to have new books and we are always happy to take more! We are especially looking for books that older children enjoyed when they were in KS3 as well as more challenging books that are suitable for KS4 and sixth form students.

Please check your shelves at

home for any books that you would be willing to donate. **We have had specific requests for non-fiction books about cars, sports, chess, politics and philosophy. We are also looking for graphic novels and diverse fiction published in the last five years.** Please leave any donations in reception, marked 'Library'.

The library has been looking really smart recently with 12 new computer chairs and some new tables. I have been so impressed to see the number of boys using the space to revise for their exams and there has been a great atmosphere of support across the year groups.

It's lovely to see more boys reading regularly throughout the school day and I was delighted to take this photo of pupils engrossed in their books, discussing homework and sharing comics during break. It's fantastic to see the culture of reading thriving at Beechen Cliff.

## THEME OF THE WEEK

This week theme of the week is IDAHOBIT. The International Day Against Homophobia, Transphobia and Biphobia was created in 2004 to draw the attention to the violence and discrimination experienced by lesbian, gay, bisexual, transgender, intersex people and all other people with diverse sexual orientations, gender identities or expressions, and sex characteristics.

The date of May 17th was specifically chosen to commemorate the World Health Organization's decision in 1990 to declassify homosexuality as a mental disorder.

The Day represents a major global annual landmark to draw the attention of decision makers, the media, the public, corporations, opinion leaders, local authorities, etc. to the alarming situation faced by people with diverse sexual orientations, gender identities or expressions, and sex characteristics.

Transphobic hate crimes have quadrupled in the last five years, with 4 out of 5 trans people experiencing a transphobic hate crime, and 1 in 4 experiencing physical assault or the threat of physical assault. Some UK media outlets frequently carry articles by anti-trans hate groups that are active in seeking to undermine trans people's rights.

The number of homophobic attacks is also increasing, with data suggesting that these have risen by [22% in London](#) in the space of one year.

## Mental Health Awareness Week 2023: Tips to Support your own Family

Mental Health Awareness Week takes place from Monday 15 – Sunday 21 May 2023. The official theme for this year, as set by the Mental Health Foundation, is 'anxiety'. Our **'Just' Anxiety?** campaign aims to help people and organisations to understand the difference between anxiety and anxiety disorders and to confidently seek and signpost each other to the right support.

<https://youtu.be/1KYC5SsJjx8>

Here are some solution focused conversation tips that may help support a conversation with the young people in your families about anxiety –

### Finding Out What They Hope For -

- o Acknowledging – “I can see this is really difficult for you (use their language) ...what would need to change even just a little bit to make this better?”
- o “What has helped in the past when you have felt anxious?”
- o “What do you want to happen?”
- o “What would need to be different for you to feel safer what could we do differently to support you?”
- o “What could be different that might help, that we and school could help you with?”
- o “We suggest...what do you think? What would you suggest?”

### Noticing What is Going Well -

- o “I am/was really pleased to notice...”
- o “How did you do that?”
- o “I noticed the other day you were able to... What was different then?”
- o Notice the times they do come out of their bedroom, not the times they don't and amplify that.
- o Notice when they seem in a better place. Be gently curious...

Take Care and Best Wishes,

**The Wellbeing Team**
