Fifty Books to Read Before You Leave!

A canon is a selection of books that is considered essential.

At Beechen Cliff, we know that reading is essential for academic and personal development. The benefits of reading link closely to Beechen's four core values.

ASPIRATION

Reading can open your eyes to opportunities and experiences you've never dreamed of.

INDEPENDENCE

Reading regularly will help you to achieve your potential across the school and beyond.

RESPECT

Reading can help you understand how words and actions impact others. You will show more respect - and gain it!

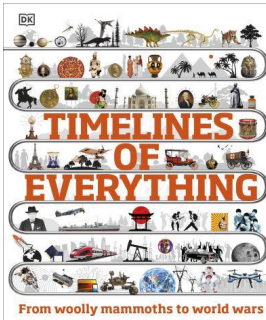

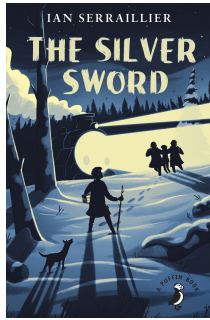

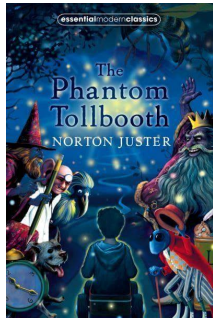

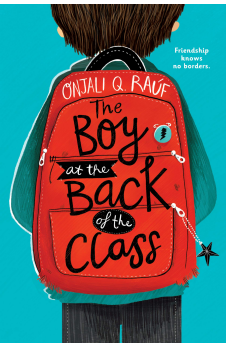

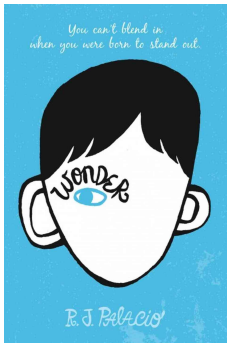

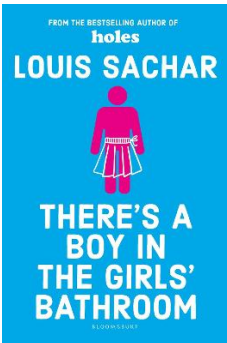

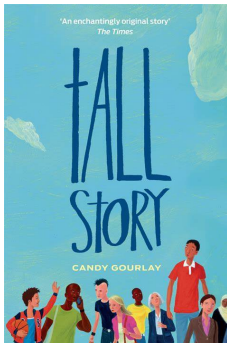

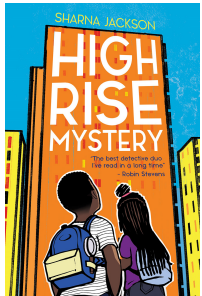

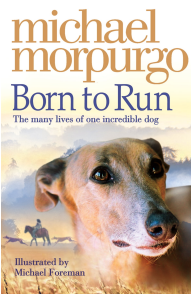

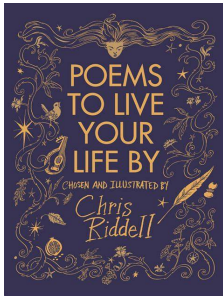

COMPASSION

Reading can reflect your own life, be a window into the lives of others and open a door to become who you want to be.

The books on the following pages have been carefully chosen and are recommended for each year group. There were so many more titles we couldn't include but we think this selection is a good blueprint for your reading journey.

We challenge our pupils in each year group to read these ten titles over the school year.

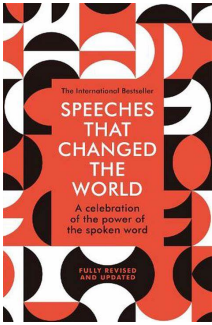

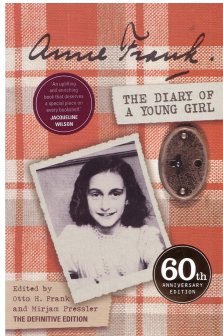

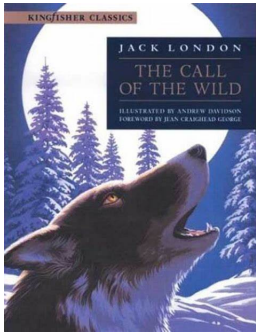

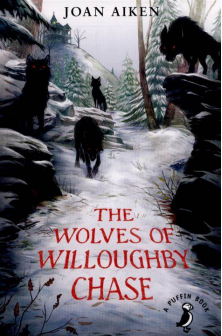

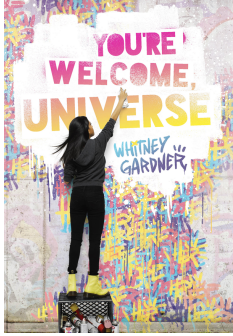

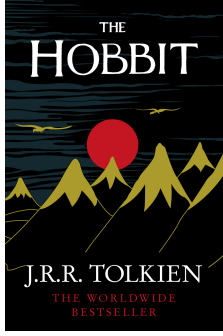

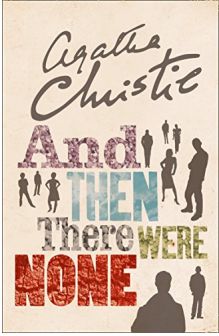

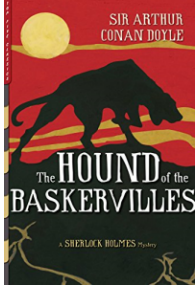

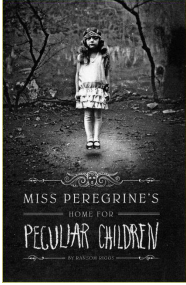

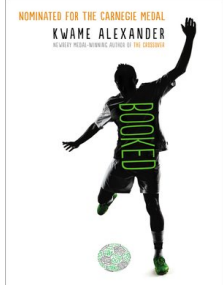

Year 7 is all about exploring your world. Moving to secondary school exposes you to new people, ideas and places. The Year 7+ list includes historical and fantasy adventures in new and strange lands. There are several books to help you see life from the perspective of others. There is a book of timelines so you can make sense of what has gone before and there is an anthology of poetry to help you live your life!
