## Message from the Headteacher

Dear Parents and Carers,

What a busy week it has been!

Over the weekend our Silver Duke of Edinburgh expedition took place with the pupils enjoying beautiful scenery as well as demonstrating excellent organisation and commitment.

On Monday evening we held our New Parents Evening as we prepare for our new intake of Year 7 pupils in September. We also held our annual Art Show with fantastic live music on the front drive and a wide range of art and photography work on display in the Art block. The calibre of the students' work was exceptional and it was wonderful to see their talent showcased in this way.

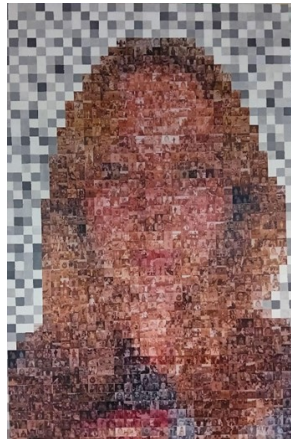

Last night we had our Year 7-10 Celebration of Achievement evening, which was a brilliant evening that not only recognised pupils achievements but also showcased the work of our student tech team who organised all the videos, music recordings and lighting. I would like to thank everyone involved with organising the event, thank parents for attending the evening and offer many congratulations to all our award winners.

Over the last two days we have also had our Sixth Form induction with students attending talks and taster lessons as part of the preparation for post-16 study in September. The new Sixth Form Prefect Team have played a significant role in the smooth running of this event and there has been a real buzz in the Sixth Form areas. I hope all who have attended are really excited about Sixth Form study ahead.

Finally there has been separate communication to parents today outlining the arrangements for 5th and 7th July during the two days of industrial action.

# Key Notices

## Anti Idling Campaign

Drivers often idle their engines outside of schools, unaware of the harmful impacts to those around them. We are inviting you to get involved with an anti-idling campaign, 'Kick the Habit'. The campaign helps tackle toxic emissions by encouraging drivers to switch off their engines while waiting.

We are requesting that if you are in the vicinity of the school, to kindly turn your engine off while waiting. Help us to make a pledge to turn your engine off here [www.bathnes.gov.uk/engineoff](http://www.bathnes.gov.uk/engineoff).

### The 'Kick the Habit' campaign aims to:

- raise awareness of the dangers of idling engines
- encourage more people to switch off their engine while waiting
- highlight the benefits of driving more responsibly

### Key messages

The impact of running engines whilst waiting:

- Contributes to air pollution affecting the health of those around you
- Particularly harmful for children and vulnerable people close to schools, nurseries, clinics and hospitals
- 36,000 deaths a year are estimated to be linked to air pollution
- Nitrogen dioxide pollution caused by vehicle emissions can worsen heart and lung conditions, reduce children's lung development and worsen asthma
- Costly wear and tear to your vehicle

### The reasons why you don't need to keep your engine running:

- Modern batteries are more efficient and don't need to be running constantly to remain charged or use the radio
- Engines take a long time to cool down so will still send warm air through the heaters into the vehicle for a reasonable time
- You can idle your engine when defrosting your windscreen, but it's better for the environment to use a windscreen protector
- **You can idle your engine if you are queuing in traffic, but if you are stationary for longer than 1 minute, you should turn off your engine.**

**Thank you!**

## Tutor Time Programme

The tutor time programme this week has been based around understanding Human Rights and British Values through our theme of the week sessions and House assemblies.

In addition Year 7 and 8 pupils have had assemblies on personal safety and knife crime following the same input to pupils in older year groups last week. We have wanted to strike a balance between honest information and reassurance for all our students in the wake of recent events, and have shared what the law says about knife crime, as well as sharing statistics on how rare it is for anyone to be involved with knives or violent crime. We have also ensured all our pupils know what to do if they are feeling concerned about this issue, whether that means talking through any anxieties with an appropriate adult, or using the [Fearless](#) anonymous reporting tool to inform police of any illegal activity.

# Celebration of Achievement Evening 2023

A wonderful evening of celebrating the success of our students both in the academic and House setting. Commendations and Oscars were presented to those who have made a considerable impact to the life of the school via their House and in terms of academic progress. The coveted SLT award was presented to Max H in Year 10 who delivered an exceptional speech on his contributions to life at Beechen Cliff and how concentrating on the small things lead to satisfaction and the feeling of success.

## Extra- Curricular

### Inter House Junior Maths Team Challenge

The heats for the Junior Maths Team Challenge took place in school on Friday 23<sup>rd</sup> June. Each house was represented by a team of four pupils: (*two from year 7 and two year 8*).

The teams faced a series of demanding mathematical challenges against the clock. The last event was an interesting relay round where the answer of the first pupil's question becomes the input number of the second pupils's question and so on along the chain, until the final answer is achieved.

The final standings are shown below and the winning team will go on to represent the school in the MNSP Junior Maths Team Challenge at Norton Hill School on Monday 3<sup>rd</sup> July.

1st	Shakespeare	Harry T, Tiger T, Nicolas Q-T and Paddy B
2nd	Byron	Daniel M, Noah. M, William D and Tomas A
3rd	Kipling	Matthew. P, E. O'Sullivan-Clarke, J. Masero and L. Revilla
4th	Milton	F. Davies, Lucas W, Stanley. R and William. G

Congratulations go to all incredibly talented Mathematicians who were selected to take part and special mention goes to the five sixth form students who helped to run this event:

B. Pearcey, B. Liang, G. Jones, E. Rorison and K. Bloomfield

The quizmaster was Mr Richards whilst Mr Henly organised the event.

## Unlock Cyber Taster Day

On Friday 23rd June 24 year 8s with Ms Jarvis and Mr Quintin boarded a coach and set off to UWE for the Unlock Cyber Taster Day with other schools from around the Bristol and Bath area.

Different groups moved around various activities to learn more about cyber security and how to prevent breaches, such as hacking, malware and social engineering.

The “green” group in stream 1 visited the following activities:

- Think like a hacker run by Hargreaves Lansdown where they learnt some of the tricks and techniques that hackers use. They were also given an excellent goodie bag!
- A chance to be part of testing some eye tracking software designed by Airbus to identify social engineering techniques used by phishing emails.
- “Capture the flag” challenge where teams tested their skills by completing puzzles and cracking codes to find flags whilst supported by BT. Harrison excelled at this and gained the maximum number of points available to finish top of the leaderboard!
- The SW Regional Cyber Crime Unit taught the group about the Computer Misuse Act 1990 along with the fines and prison sentences you could expect if caught obtaining unauthorised access to computer systems.

Our other group was in stream 3 and learnt how to ethically hack with PWC, solved puzzles and controlled a drone to escape from a virtual escape room, played a capture the flag cyber game with Sage and were shown how hackers can target critical industrial systems, such as water and electricity, and how Atkins Global can “Defend the City”.

Everyone came away from the taster day having learnt more about how cybercrime is having an effect on our lives and how we can implement different cybersecurity measures.

Please let me know if you’d like more information about the activities or the companies that ran them.

## Be Tick aware

At this stage of the year through various outdoor activities many students will be in areas where they could pick up ticks. These insects are in great abundance this year. They are parasitic and take blood from their host. They are normally easy to remove with a tick remover and are quite common. However they can carry Lyme disease, which if untreated is extremely debilitating. The incidence of this disease is on the rise so here is some advice on what to look out for. Further details are available from this website:

<http://www.lymediseaseaction.org.uk/about-ticks/>

If you remove a tick please keep an eye on the area and any of the symptoms below.

General Early Lyme disease Symptoms and Signs may include: Erythema Migrans (EM rash), the Bull's Eye rash (a subset of EM rash), or no rash.

The EM rash may appear on other places on your body than the bite site (Disseminated disease). It

may begin as a single circular red mark that spreads outwards. As it disseminates over the skin, sometimes it becomes lighter in the area nearer to the center of the bite--this central clearing is what distinguishes a Bull's eye rash from other EM rashes. In people of color, the rash may appear more like a bruise. The rash is usually not itchy. Since Lyme disease is a multi-systemic illness there are a multitude of Lyme disease symptoms including:

- Flu-like illness
- Fever
- History of Tick Bite (Not all patients recall a bite)
- Headache
- Extreme Fatigue
- EM Rash, Other Rashes (Only found in 50% of patients)
- Malar Flush, Red Ear Lobes
- TMJ/TMJJD Jaw Pain (Temporomandibular joint dysfunction)
- Neck and Back Pain

**Actual Size Comparison** **MI Tick ID Card**

**Tick removal tips** [www.michigan.gov/lyme](http://www.michigan.gov/lyme)

- Remove as quickly as possible.
- Use tweezers to grasp the head close to the skin.
- Pull gently.
- Use soap and water, or antiseptic on the bite.

**...preventing tick bites**

- Use a repellent containing no more than 30 percent DEET.
- Use repellents that contain permethrin on clothing.
- See your healthcare provider if you have symptoms of fever, rash, body aches or fatigue after a tick bite.

The rash is very distinctive and looks like a target or dart board. Please consult your doctor if you see this.

## Year 7 Tennis Tournament

On Tuesday evening we ran a Year 7 tennis tournament with boys competing in a ladder format.

After an hour's competition the top court players were Toby and Lucas and the second court players were Henry and Cyrus. All boys who took part had a great time and there were some excellent rallies on display.

Well done to all boys who took part.

# PTA NEWS

## PTA Crowdfunding

The Beechen Cliff School PTA has been hugely successful in raising funds for the school to improve resources and facilities for pupils. Your ongoing PTA donations aim to benefit all pupils with a wide variety of initiatives not currently offered with statutory funding. These also include supporting some fun after school clubs aimed at offering all round positive experiences.

Thanks to your generous past donations, we've been able to invest in the following for all our pupils:

- Design and Technology: £4,500 for a new 3D printer (1st photo above)
- Design and Technology: £7,000 donation towards a laser cutter
- Multipurpose clubhouse, next to tennis courts: £30,000
- Mental health wellbeing services: £6,500
- Special Educational Needs & Disability, classroom renovation: £2,500
- Library renovation and new books: £6,000
- School Projector: £2,200
- LEGO robotics after school club and reinstating the climbing wall: £3,500
- Sports grant and new basketball nets: £1,900
- Microphones for TED x public speaking platform: £300
- Stage lighting for school events and musical concerts: £1,100
- Water bottle refilling station: £2,655

## Why we're raising money

As you can imagine, our PTA charity fundraising is continuous. We welcome all parents to come and help volunteer in whatever capacity they can. At the moment, the PTA would love to support the school for replacement IT equipment - screens and projectors for the classroom and your donations, whether one off or regular would be really appreciated. # Wellbeing

On Friday morning (30<sup>th</sup> June), our newly appointed Sixth Form Mental Health Prefects – Olivia Bendry and Daisy Grimes, will join our Solution Focused Practitioners Tara Gretton and Susie Ingram to introduce themselves and run 4 separate student-led testimony assemblies for Years 7, 8, 9 and 10. Olivia and Daisy will introduce their Sixth Form Mental Health team and some of them will read out anonymous testimonies written by boys in the younger years about their personal struggles with their wellbeing and how getting support helped them.

We are keen to provide support to any pupil who is struggling, as early in their Beechen journey as possible. We believe that testimony assemblies are the most powerful way of encouraging our pupils and students to seek help.

Tara and Susie will introduce themselves and will explain a little about the Solution Focused Approach which they both use to support students and pupils at Beechen Cliff. Tara works mainly with the Lower School pupils and Susie works with the Sixth Formers.

We hope that the assembly will encourage more boys to seek help sooner if they are struggling or feel that they can talk to the older students who are part of the mental health team, as they will wear easily identifiable lanyards for the younger boys to see when they out and about around the school.

Here are a few of the slides the boys will see in Friday's Testimony Assembly to give parents and carers a flavour of what is happening.

As always, if you are worried about your son's mental wellbeing, please do not hesitate to contact the pastoral team.

### Coaching skills for Parents Course

Have you had a conversation with your son or daughter that you would have liked to have ended differently?

Having a coaching approach can open up a conversation and elicit a response which will give insights. It promotes self reflection and self awareness. A coaching style allows you to support decision making as your young person becomes increasingly independent and heads towards adulthood.

#### Do I need a whistle and trainers?

No, this is not sports coaching. Our focus will be on listening skills and asking effective questions which promote exploration of a topic and clarity of mind to allow for decision making.

#### Is this a parenting course by another name?

No. Coaching is used in many sectors including business, education and self improvement. The ethos of coaching is that the person doing the thinking is robust enough to make progress and that the coach will listen and ask questions in order to support that thinking. This is not a parenting course but it can ease family life and allow for better conversations with your offspring.

#### Course details

- \* This is a 9 hour course delivered in two sessions. 9.00am - 1.30 pm.
- \* It will take place in person, in Bath.
- \* There is a maximum of 24 places available on each course.
- \* There are three courses available this summer each taking place on two consecutive Saturday mornings.
- \* The price is £95 for the 9 hours of training plus a one to one coaching session to be booked following the completion of the course.

#### Course dates

**Summer 2023 Course 1:** 29th July and 5th August

**Summer 2023 Course 2:** 12th August and 19th August

**Summer 2023 Course 3:** 26th August and 2nd September

#### Who is running the course?

Deborah Ross has been delivering coaching training to teachers for the past 5 years. She soon realised that the techniques and tools gained on this course were also hugely beneficial to parents and therefore developed a course with a parent focus. She is a licence holder for facilitation of the coaching courses for Graydin - a coaching training provider accredited by the International Coaching Federation. Deborah is also a trained coach and has coached people in a variety of roles including leaders in education, Mums, mid life career changers and her own teenagers. Deborah has worked in the education sector for over 20 years and has therefore come across a variety of children and young people, all unique and all capable of a fruitful conversation given the right environment.
