

BEECHEN CLIFF

Summer 2023

Message from the Headteacher

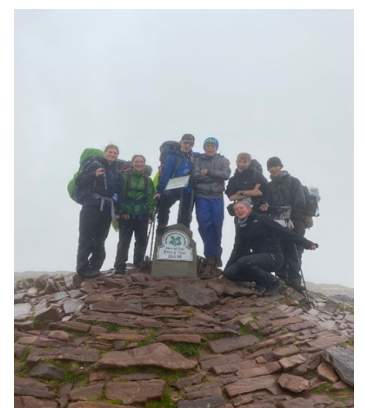

Dear Parents and Carers,

As we approach the end of the academic year I would like to reflect on what has been an incredibly busy time and one where so much has been achieved.

In the last two terms alone GCSE and A Level exams have been completed, summer assessments undertaken by all and hundreds of pupils have taken part in sports, music, and outdoor education activities alongside a significant programme of trips both in this country and abroad.

I am incredibly grateful to the staff at Beechen Cliff who have worked tirelessly to provide the best possible education and opportunities for our pupils this year. They, as I know is also the case for our pupils, are now in need of a break after everything they have contributed this year.

Over the last week I hope pupils have enjoyed the opportunities available during activities week or whilst on work experience and that it has been a positive end to a long term. I have enjoyed seeing such an array of different activities taking place and the photos below give some insight into the fantastic opportunities pupils have had.

I would also like to thank all of you for your support over the last year as without it so much that we achieve as a school would not be possible. As I have said before, I truly believe that we achieve the best possible outcomes for our children when we work in partnership - parents, pupils and staff - and we look forward to continuing to work with you in the year ahead.

At this time of year we do, however, have to say farewell to departing colleagues:

Mr Turner, Mrs Roberts, Mr Morgan, Ms Wong, Mr Sayers, Miss Reith, Mr Tobin, Mrs Ivic, Miss Damazyn, Mrs Smart, Mrs Salmon, Mrs Hawkins, Mrs Gregory and Mr Elrick.

They have all contributed significantly to the education and success of our pupils, some over the last year and some over the last 30 years. It is sad to see them go but we wish them well for the future and I would like to extend a big thank you for all they have given to Beechen Cliff.

We have a number of new colleagues joining us in September and I look forward to introducing them in due course.

In September we have a staggered return to school with Year 7, Year 10 and L6th starting back on Tuesday 5th September and all other year groups returning on Wednesday 6th September. Start of Term arrangements will be published on our website in due course and I will also be writing to you all to confirm arrangements towards the end of August.

In the meantime I wish you all a very enjoyable summer break.

T. D. Markall .

Mr T D Markall
Headteacher

Year 11 Prefects

Many congratulations to our new prefects who will officially start their new roles at the start of Year 11 in September.

Mr T D Markall
Headteacher

Key Notices

Start of Term Arrangements for September

Friday 1st September: INSET Day

Monday 4th September: INSET Day

Tuesday 5th September: First day for pupils in Year 7, Year 10 and L6th

Wednesday 6th September: First day for pupils in Year 8, Year 9, Year 11 and U6th

I will be writing to all parents at the end of August to clarify arrangements and timings for the start of term.

Mr T D Markall
Headteacher

End of Year Reports

Dear Parents and Carers

The end of year reports for Years 7, 8 and 9 and 10 are available to view in INSIGHT using the link below.

<https://insight.beechencliff.org.uk/INSIGHT>

If you have difficulty logging in, please click the "don't know your password" link.

Kind regards

Andrew Seal

ParentPay

Information for Parents and Carers

To help parents and guardians, both new and existing, get the most out of ParentPay there is guidance available at:

<https://support.parentpaygroup.com/hc/en-gb/sections/6089568194577-Parents-and-guardians>

Topics include setting up automatic top ups, setting up alerts for low balances on cashless catering, updating contact details etc.

Calendar

Friday 21st July

Summer Term ends at 12.30pm

Thursday 18th August

A Level Results Day

Thursday 25th August

GCSE Results Day

Friday 1st September

INSET DAY

Monday 4th September

INSET DAY

Tuesday 5th September

Autumn Term commences for pupils in Years 7,10 and 12

Wednesday 6th September

Autumn Term commences for Years 8,9,11 & 13

Tuesday 12th September

Open Evening for Prospective Year 7 pupils and Parents—from 6pm

Wednesday 13th September

INSET DAY

Thursday 21st September

Open Morning for prospective Year 7 Pupils and their parents (9-11.30am)

Saturday 14th October

Sixth Form open Morning (9am—1pm)

PE/Games Kit

We have now moved to a new royal blue (and gold) PE and Games Kit.

This is available to purchase through the PTA or online via the Kukri website.

Please note that older versions of school PE/Games kit may still be worn until they need to be replaced.

Games

Royal blue rugby top, royal blue rugby shorts and royal blue rugby socks.

Please note the older format royal blue rugby tops may also still be worn.

PE

Royal blue PE top, royal blue rugby shorts or PE shorts (either can be worn), white socks and trainers.

Please note the older format white PE tops and shorts may also still be worn.

Full details of uniform are available on the school website:

<https://www.beechencliff.org.uk/parents/uniform-for-years-7-9/>

Expectations

Pupils are expected to wear the correct kit for PE and Games. If pupils are eligible for the Pupil Premium or if there are financial issues please contact the school in confidence for support.

A further letter relating to uniform and equipment expectations from Mr Ambrose has been sent to parents is also published alongside this newsletter on the Beechen Cliff website.

Mr K Mann

Assistant Headteacher

Fundraising Update and Thank You

It has been a very busy and successful year with numerous events planned by the PTA and the School bringing in much needed funds.

We want to take this opportunity to say a sincere thank you to all parents and carers for supporting our various fundraising events, whether it be financially attending or assisting on the day.

We also want to thank Bath Rugby, Southampton FC, Neil Mulholland Racing for their kind donations of raffle prizes and Bath Rugby players/Old Boys Miles Reid, Orlando Bailey, Ethan Staddon, Tom De Glanville and also Tom Dunn for giving their time to our rugby boys on the 'Train like a Pro Day'

With the funds raised, we have managed to purchase 5 Interactive Display Screens which will be installed in Maths, Sports Equipment and Video Analysis Software for the PE department and additional funding towards after School clubs.

All of this has been done thanks to our community, which is a fantastic achievement, but it is important that we are able to sustain this as a School and community, as there are many more much needed projects to fund raise for.

If you think you may be able to help the School in anyway, with fundraising ideas or your time, please contact Clive Greenhough our acting Fundraising Lead by email on cgreenhough@beechencliff.org.uk

Clive Greenhough

Acting Fundraising Lead

Examination Results – August 2023

Results from public examinations will be available for collection in the Main School Hall at the following times:

A level

Upper Sixth (A level and equivalent results) – **Thursday 17th August 2023** from 8:30am-10am in the Main School Hall. The Sixth Form team will be on hand to help with queries and advice about next steps until 12 noon.

All A Level results for students in the Lower Sixth will be emailed to students' school email addresses, unless a different email address has been agreed with the student in advance.

GCSE

GCSE and equivalent results (Year 11) – **Thursday 24th August 2023** from 9:30am-11am in main School Hall

All other GCSE results for students in lower years will be emailed to students' school email addresses, unless a different email address has been agreed in advance.

Results via email

It is recommended that results are collected in person. However, if a student wishes to receive their results by email this must be pre-arranged with the Examinations Office, and can only be sent at the student's request due to Data Protection laws. Results will be emailed to the student as soon as is possible and before 4pm on Results Day. If a student wishes a parent to collect results on their behalf, the student must send a letter/email on Results Day stating the name of the person collecting and this person must bring photo ID on the day.

Enquiries following Results Days

The Examinations Officer will be available, via email, to help with urgent enquiries about results on weekdays between Friday 18th August and Friday 1st September. Please email for guidance, in the first instance, to exams@beechencliff.org.uk.

Mrs J Cotterell
Examinations Officer

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

Keeping safe in the sun

Here are a few tips from the NHS on how to keep safe in the sun:

Make sure you:

- spend time in the shade between 11am and 3pm
- make sure you never burn
- cover up with suitable clothing and sunglasses
- use at least factor 30 sunscreen - remember to bring some to school and on trips
- Keep hydrated - bring an extra drink in your bag
- If you feel as if you're overheating - especially during lunchtime - stop all activity, move to a cooler place and have a drink

Take care and enjoy your summer break.

Clive Hall

Deputy DSL

ECO GROUP – Year Review

In summary this year, the Eco group here at Beechen Cliff have managed to implement some positive changes to the school. With the help of Energy Sparks a charity that helps schools across the country access data about their energy usage and carbon footprint - using this data we have managed to have an automatic shutdown of the school computers at 5pm every day to help reduce our energy consumption. Furthermore we have secured a grant from the MNSP for LED lighting that can be installed across the school site.

We have also attended the youth climate conference 2023 at Haysfield where we were able to take inspiration from other schools and share our achievements.

In terms of sustainability, Beechen Cliff has used Banes Bikeability, a road cycling course for year 7. This will be repeated next academic year for Year 7 pupils as will the walk to school week. Other notable initiatives; :community litter picks, a vegetarian day for lunch once a week and we have welcomed the added water fountains across the school site.

Watch this space in September!

School contacts

Contact details for senior members of staff are available on the contact page of the school website.

<https://www.beechencliff.org.uk/wp-content/uploads/2021/11/website-contact-Nov-21.pdf>

If you wish to get in touch or have a concern please contact the relevant member of staff or your son's tutor. Alternatively please email headteacher@beechencliff.org.uk and the message will be passed on to the appropriate person to respond.

Activity Week - Board Games

Board game sessions in the library this week have been fun. Games have been varied with everything from one-player puzzle games up to whole class bingo. It was interesting to see boys playing new and complicated games such as Star Wars Monopoly and Football Billionaire. Thanks to the staff who let us borrow the games and the boys for looking after them.

Laura Bridge

Librarian

Normandy Trip 2023

Bright and early on a Tuesday morning Beechen Cliff headed off to Normandy, France. We got to Portsmouth and then departed on a 6 hour ferry journey to Caen, France. Once we got there on Tuesday evening, we went to a Gun Battery and we were allowed in a model of an old war plane! After hours of travelling we finally headed to our accommodation and had some dinner.

The next day we went to the D-Day museum which gave us lots of intel about what WW2 was like. We then went to a 360 Cinema where we watched a short film about the D Day landings and the Mulberry Harbours. After that, we made our way to the American Cemetery which was very moving for everyone. To finish the day we went to the swimming pool followed by dinner. After dinner we were able to do activities on the beach including walking to one of the actual Mulberry harbours whilst the tide was out as it was right by our accommodation.

On our final full day in France, we went to a snail farm and were lucky enough to try some snails - which were surprisingly delicious covered in butter and garlic. We also went to a spiruline farm - a super food that contains all the nutrients needed for a healthy diet - we tried some of that too but it didn't taste as good as the snails!. In the afternoon we went to the Bayeux Tapestry which was extremely interesting and we then did an apprentice style task around the town in groups.

On the final morning we went to the city of Caen and visited a market. We then went to a lovely restaurant for lunch before we headed to the ferry and back home.

We would like to say a big thanks to all the teachers for organising the trip and for giving us such an amazing time whilst away: Mr Mann, Mrs Merrett, Mr Hall, Mr Bowett, Mrs Stapleford, Miss Higgs, Miss White and Mr Elrick.

By Max S and Alfie H

Year 8 Spain trip

An action packed 5 days taking in the culture, history, gastronomy and.....heat! Yes, heat. 35 degrees every day with 80% humidity meant that suncream, hat and litres of water intake were "de rigor". This did not stop us discovering the Gaudi experience in Barcelona at Parc Guell, the nearly complete after 100 years Gaudi masterpiece La Sagrada Familia and his wider influence on so many wild and wacky buildings in Barcelona. The impressive Barrio Gotic, old part of Barcelona nestled amongst the modern shops of today, forms a stunning old v new backdrop just off the infamous Rambla with street art and kiosks. With the famous Boqueria market providing welcome shade and an opportunity to use Spanish to order refreshing fruit shakes....and chips of course, the boys were duly wrapped in the Barcelona experience. No visit to Barcelona is complete without a trip up the hill to the Olympic Stadium for lunch with spectacular views over Barcelona. Even if you don't like football, the somewhat shortened tour of the home of Barcelona FC, the Camp Neu was still impressive with its interactivity. Significant renovations are taking place in the stadium that will soon be called the Spotify Camp Neu. Significant funds were splashed by the boys on merchandise!

Evening entertainment practicing Spanish....and haggling were commonplace in the quaint shopping area of Calella and no trip to Spain in this heat is complete without a cool down day at an Aqua Park. Legends and champions were created in bowling and minigolf but overall, all boys on the trip were winners for their energy, enthusiasm and excitement for all things Spanish .

Mr Kant Mann
Assistant Headteacher

Combined Cadet Force (CCF)

This has been a busy year for the CCF as the contingent has returned to full strength following a couple of years disrupted by the after effects of Covid 19 restrictions. The Beechen Cliff boys are able to sample life in the CCF from the Summer Term of Year 8 and then decide if they would like to pursue a 'career' in the contingent, potentially rising to one of the NCO ranks.

The overall contingent strength in 2022-23 has been around 65, with 25 of the cadets being drawn from Beechen Cliff School. In 2023-24 the overall contingent strength is around 110, with Beechen Cliff contributing over 50 cadets. The attractions of life in the CCF are fairly clear to see and there is little doubt that the breadth of the syllabus, the opportunities provided for advancement and building of confidence are difficult to match in other areas of school life.

Key Events of 2022-23

The cadets attended their first significant exercise in October 2022, at Crowborough in Sussex. *Exercise First Chance* gives new recruits a chance to learn how to use all the kit that is provided, to camp in the field and to be given the rudimentary knowledge of fieldcraft and navigation that helps them 'get around' effectively.

In November the contingent represented both King Edward's School and Beechen Cliff through participation in the Remembrance Day parade in the City of Bath - an event which they remember for a long time and which gives them a chance to show their respect for those lost in conflict over the last century or more.

Following this there were Christmas party events and a Biennial Inspection to prepare for and the Beechen Cliff boys did exceptionally well in demonstrating their own skills and interest in the CCF through participation in command tasks, 'battle exercises', climbing wall challenges and ration pack cooking. The latter is always a firm favourite!

Exercise Patch Up, a 'real life' simulation of first aid emergencies, took place in February and this gave the boys the chance to earn one of the coveted First Aid badges which adorn the arms of many cadets.

In May 2023 the boys were taken to Portsmouth to tour the Royal Navy flagship, HMS Queen Elizabeth, being provided with lunch on board and even being able to sit in the Commander's seat on the bridge - very 'Star Trek' in terms of the technology on show.

A superb camp at Scraesdon Fort near Plymouth (*Exercise Next Step*) followed in late May.

The culmination of the year's activities saw the boys pit themselves against the elements in the Brecon Beacons, participating in an entirely tactical event, *Exercise Warrior Cadet*. This was the culmination of a year of training in a number of areas and their skills with the cadet weapon system, first aid, navigation, signals and camp creation (known as a 'harbour' in army parlance) came together in a non-stop package which left them exhausted but hopefully elated by what they learned about themselves.

This exercise is one which built resilience and really allowed the boys to 'dig deep' and discover that they were stronger and more determined than they ever thought possible. The same could be said to have gone for the staff.

For the new recruits May and June consisted of induction sessions (all CCF sessions are on a Wednesday afternoon from 4:00 - 6:00) which allowed them to get a feel for contingent life before committing to us.

In June and July the Year 8 CCF inductees had the opportunity to participate in the 'fun shoots' at Potterne - an experience detailed elsewhere in the newsletter. The year has been full of opportunity and personal development, something that each one of them can reflect on and use as experiences which will shape them, build their CVs and help them answer the inevitable interview question - *'Tell me about a time that you really had to push yourself'*.

We now look forward to next term. In September the first exercise takes place and this is followed by the Remembrance event, the Annual Dinner/Ceilidh and the Christmas party in December. All of that before Christmas!

Interested Year 7 boys...

It might be worth thinking ahead at this point. Boys in Year 8 will receive an assembly in February which outlines the CCF and its activities, giving them the chance to book in for the induction programme which begins in April. The fact that the uniform and all kit is provided for nothing and the exercises are offered at a hugely subsidised rate by the army (the average three day camp, including food and transport, coming in at £26) makes it a very attractive package for boys and parents. Any boy in receipt of the Pupil Premium receives this package at no cost or at a school subsidised rate. So, if you think your son might like to be a member of the King Edward's CCF contingent and be part of a great group of boys and girls, please look out for the notices next year or contact me using the email address below.

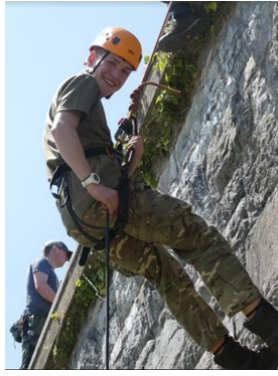

Although I am a member of the KES CCF I also act as the liaison between Beechen Cliff and King Edward's, making sure that parents have a point of contact in the school at all times.

Music

It has been an exciting, busy and productive term for the music department.

Throughout term 5, nine lower school pupils: Edward R, Xavier dG, Ned G, Nathan M, Arthur B, Hugo D, Tom T, Zach C, Max S and Jack PP were involved in workshops and rehearsals for a project involving all secondary schools across the city. This culminated in the pupils composing, rehearsing and performing 4 songs which were performed as part of the opening night of the Bath festival on Friday 12th May at Bath Abbey. The following week, they sang 2 of the songs at The Forum with a full size symphony orchestra which was an exciting experience for all concerned. The pupils thoroughly enjoyed the whole process and similar projects are being planned for next year.

Bath Abbey was also the setting for a charity concert in aid of Dorothy House on Friday 9th June, again involving lots of secondary schools in the city. The repertoire for the concert was based on songs from musicals, with the massed choirs singing 4 pieces including a medley from Les Miserables. Most of the programme involved soloists from the individual schools and Beechen Cliff was represented by Xander S, Finlay A, Max S and Hamish M (who sang a duet with Ella M from Hayesfield). All the performances were very well received and both participants and audience thoroughly enjoyed the evening.

Both of the projects outlined above brought all the music departments from the various secondary schools together which was a great experience in itself and I am looking forward to more collaborative projects next year.

Term 6 saw the annual Young Musician competition for years 7-10 and Mr Thompson and I had the hard task of auditioning all pupils who had entered. There was a wide range of talent on display and it was hard to select a group of finalists. Eventually 23 pupils were selected to perform in the final.

Year 7	Year 8	Year 9	Year 10
Teminioluwa E— Bass Guitar	Alfie M - Piano	Izaak F - Clarinet	Billy P - Piano
Charlie B - Guitar	Daniel M - Piano	Jacob S F - Trumpet	Matthew C—Flute
Adam B - Piano	Nathan M - Piano	Dan H Guitar	Jackson M—Guitar and voice
Clem S Trombone	Nick E - Trombone	Ed R Flute	Isaac P— Violin
Joseph S Piano	Alex W - Guitar		Barnaby D - Drum Kit
Finlay C - Clarinet			Arbel R - Cello
Max S - Guitar and voice			Wilson Y Piano

The final was held in the Recital room on Tuesday 4th July in front of an invited audience of staff, parents and pupils. Special thanks must go to Miss H Townsend, Head of Music at St Gregory's, who after some tough deliberating announced the following as winner and runner up in each class:

Lower School (Year 7) Winner: Joseph S, Runner up: Max S

Middle School (Years 8 and 9) Winner: Dan H, Runner up: Nathan M

Upper School (Year 10) Winner: Wilson Y, Runner up: Jackson M

All the entries were scored and the overall house with the most points was Milton. Congratulations to all those who took part in what was an enjoyable afternoon of listening to a wide variety of pieces.

On 9th July, we embarked on a joint 5 day music tour to Barcelona with Hayesfield. Sixty-three pupils from both schools formed an orchestra and choir and performed 3 concerts in and around the city. The whole week was extremely successful and thoroughly enjoyable. The two schools mixed very well together and we hope to be able to do another joint tour in the future.

Finally, I would like to take this opportunity to thank all the music staff (both curriculum and instrumental) for their hard work throughout the year, both in class work and in extra curricular opportunities.

I hope you all have an enjoyable summer break.

P E Calvert

Head of Music

Potterne .22 Shooting

This shooting experience has been resurrected to provide an opportunity for Year 8 boys who have signed up to the CCF induction experience at King Edward's School.

The rifle range at Eastwell, near Potterne, plays host to an event which sees our boys use .22 semi-automatic rifles to take on a number of target challenges. Working in pairs, the boys take on 'The Pimpernel', an attempt to remove the scarlet dot in the middle of a small box at 25 metres. This is followed up by the old favourite 'Part the Hangman's Noose', an element that requires the shooters to cut through a thin wire from which is suspended a large skittle. Each pair gets two minutes to try and remove all five skittles using forty rounds. It gets quite exciting as the rounds progress and the competition hots up.

The next event, 'The Stake Shoot', involves the pairs having to shoot through a white line painted on an extended beam of wood, severing it completely to gain the points. 'Tin Can Alley' (you can probably work this one out yourself) comes next and the boys then have their group photograph and return to Bath.

The staff at the range have been delighted with the conduct and attitude of the boys and I am sure that this will remain the case for the last two shoots in July and the beginning of September.

For those interested in participating next year look out for the CCF induction information in Year 8.

Top scores to date:-

Felix D and Spencer H	764 points
Max C and Pip d'C	713 points
Isaac A and Mrs Sullivan	690 points
Orran K and Chris D	622 points

Andrew Davies

adavies@beechencliff.org.uk

U12 Cricket Tour

The Year 7 cricket squad toured Devon again this summer - for the 17th year. 16 boys accompanied by Mr Turner, Mr Thompson and Mr Ebdon left early on Thursday morning to travel to Exeter School in what would become the most successful tour we've ever had!

Traditionally, Exeter has always been our strongest opposition on this tour so it was some feat when we came out on top this year for only the second time EVER. We showed class with our batting setting a grand total of 167 in our 20 overs with our top four batters all retiring on 25 runs. This class continued through into our bowling after taking a couple of quick wickets helped put us well on the front foot. Exeter started pulling the score back after one player retired on 25, but that was until Freddie B got the ball in his hands. Bowling amazingly, he took an unbelievable 5-11 off of his 4 overs.

After a fantastic lunch laid on by our hosts, we set off to our next destination, Torquay Boys Grammar School where we played an 8-a-side tournament on Astroturf. The format was really interesting and set the boys lots of challenges

regarding scoring zones, running between the wickets, calling and close fielding. It was a very useful exercise and we took a lot of learning from it into our next games.

That evening we sat on the cliff tops at Babbacombe and ate our fish and chips before driving off to Exeter University to move into our overnight accommodation at their halls of residence.

The boys slept well and were up raring to go for day two. In the morning we filled our boots at the amazing all-you-can-eat breakfast bar before heading off to play the first game of Friday against QE Crediton at Sandford Cricket Club. Sandford was an amazing venue with a beautiful outlook, surrounding Parkland and a massive mansion. In a very tight encounter, it was good to see another retirement while chasing our second T20 win of the tour, this time for Theo C this time on 30.

We then travelled back to Exeter University to play an internal indoor 8-a-side game in their state of the art cricket school in their sports park, this was very enjoyable and competitive and gave the boys experience of a game they never played before. After this it was good that we were able to book into one of the Uni's outdoor pools for an hour so the boys could chill out before going back to the accommodation.

We were up earlier on the last day as we needed to get to our last game for an earlier start. We played against Ipplepen Cricket Club, and yet again it was another good looking ground. This was an important match for the boys as if they won this they would go unbeaten the whole tour! We did come out on top which meant we ended the tour being the most successful tourists in 17 years of travelling down on tour.

The few days were finished off with a visit to Dawlish Warren beach where the boys set up and ran their own game of beach cricket. Before we left the beach we had a brief awards ceremony where the Star of the tour was given out. This was given to Alfie H for his energy and quality all throughout the few days as well as his maturity on and most importantly off of the pitch. We hope they all really enjoyed the tour and learnt some valuable skills on and off of the cricket pitch.

U12 A Cricket

The U12A's had a very successful season this year and it was amazing to have new players asking me and wanting to play right up until the last game.

The 'A' team did very well winning 5 out of their 8 games played which included getting to the semi final of the regional cup against a very strong QEH team. The 'B' teams record unfortunately wasn't as nice too look at but that doesn't matter as it was more important to have as many students playing cricket as possible, which is why it's amazing that we had 3 'C' team fixtures going ahead at the same time we were playing 'A' and 'B' team matches.

Along with the standard 20 over matches, we were also able to play some games of the still new format of the Hundred. This challenged the players on the day and got them thinking a bit differently than they normally would, particularly in our bowling innings' when the bowler could make the decision to keep bowling after 5 balls to make it 10 on the bounce or just to stop and let someone else bowl the other 5.

In total we had over 50 players play cricket for the u12's this year which included some very notable performances. Two of the most memorable games this year were against Dauntsey's and Prior. In the Dauntsey's game we chased down 136 in the last over with only one wicket left, this match included lots of very important partnerships and some very clever batting all the way until the end. The Prior game was memorable because of the extent of the score. 333 runs were scored in the match, and we were playing the Hundred! This game included a box office batting performance from Will B, hitting 95 off of 48 balls!

Notable Performances

Will B - 95 vs Prior, 65 vs Kingswood, 59* vs Dauntsey's, 50* vs Millfield

Will ended the season with a batting average of 60.4 and strike rate of 149!

Alfie H - 51* vs KES

Benji F - 50* vs KES

Jack B - 3-2-9 vs Millfield

Max S - 3-3-10 vs QEH

Player of the Season: **Will B**

Sol Thompson

U12a Cricket

Cricket U13 Report:

With the hottest June since records began, plenty of cricket was played this year for our U13 teams. 17 fixtures were arranged with private schools near and far. We travelled from Dauntseys to Kingswood, QEH to KES and many others. Each team was packed with enthusiasm and excitement.

The U13 A team played 7, won 2 and lost 5. There was healthy competition for places in the U13 A's this year with good numbers representing the side. A couple of matches went to the wire, which if won would have given us a better win/loss ratio. The team warmly welcomed Sam P who hit a 50 in his first match. Another notable performance was by Tom S for a 5 wicket haul at Prior.

The B team played some fearless cricket with some stand out performances by Matthew P, hitting a half-century vs Millfield and Alfie W replicating this against Prior Park. Having lost earlier in the season to Prior Park, the U13b's bounced back to record a brilliant victory over them in the last game of the season. A very close match was played against Millfield U13b's. 159 runs to chase was a steep task but after match teas of sausage, chips and beans this energy provided our batters with the added energy to chase gallantly but fall short by 9 runs.

What an outstanding season with huge participation across three teams. We had 53 boys represent Year 8 which was a fantastic achievement itself!

Jack Utton
PE Teacher

U14 Cricket

The U14 Cricket Team have had a positive season this year with some fantastic performances against high quality opponents. The boys have shown a real desire to represent the school and have worked incredibly hard as a team throughout the season.

A particular highlight of the year was the game vs Monkton Combe. The bowling from Beechen was brilliant, taking several early wickets with Monkton ending the innings with 168 runs. Xavier P being the stand out bowler taking 3 wickets. In reply, a valiant batting performance from Charlies S and Charlie G resulted in both players scoring 50+ runs and leading Beechen to victory. This game was a real team performance and a testament to everyone's perseverance and hard work.

There have been several games throughout the season which have been difficult for the team however due to the team spirit, resilience and determination shown by all players it has been a pleasure to watch this team develop.

I would like to thank all the pupils, parents and staff that helped make this season such a success and I look forward to next season and hope that as a squad we can continue to improve and be successful.

Elliot Hill
PE Teacher

U15 Cricket

What a fantastic year of cricket for this year's u15 team. Making it to the final of the Gloucester Cup (narrowly losing to Clifton College), Dexter T scoring 83 off 48, Max H scoring a solid 47* to secure the win, Luke M bowling a final over to hold out a win v QEH, Harry H being caught on 49 to secure the win v Prior. These are just a few of the fantastic parts of a wonderful season of cricket. Throughout the season the boys have been eager to play more cricket, and we were struggling to field all of the players wanting to play cricket for the school. There have been so many positives to take from this year of cricket and I hope all of the boys who have played this year continue to play next year for the senior cricket teams.

Ryan Bowett
PE Teacher

1st XI Cricket

Game #1: KES

After a gruelling ten weeks of early morning pre season sessions, it was finally time to try and put this practice to good use. The season got underway with what is always a feisty clash against our noisy neighbours, KES, in the Bath schools T20 cup competition. This year was no different, and it was vital to set the tone for the rest of the season, needing a solid performance to kick start our campaign as we looked to go one better than last seasons effort in the competition, in which we narrowly lost to Kingswood in the final.

Archie G and Harry L took to the middle in drizzling rain, but unfortunately weren't able to replicate some of their previous shotmaking in the nets for the previous ten weeks, which was also the case for the rest of the top order. Having found ourselves in quite some trouble early on, Fergal M and Fin R steadied the ship somewhat, as we posted a respectable 110 from our 20 overs.

With a challenging total to defend, it was essential to stay switched on in the field and peg KES back with wickets early on in their chase. However, the KES openers capitalised on the power play field restrictions, getting off to a rapid start as they used the pace on the ball from Dillon T and Joe H bowling to their advantage. Despite three wickets each for Josh N and George W, the team's best efforts were in a losing cause, as KES chased it down in 17 overs. While it was certainly not the result we were after, there were clear signs of what needed improving, such as not giving wickets away cheaply, and also minimising the number of wides and extras being bowled.

Game #2: Prior

Looking to bounce back from defeat to KES, we had a must-win game vs Prior Park as our final match of the group stage of the Bath schools T20 cup. Winning by a big enough margin was required to give us a chance of qualifying to the final, as well as other results to go in our favour.

Captain for the day Fergal M got off to the worst start possible by losing the toss, so we took to the field in conditions that seemed to favour the hosts who were batting first. Prior's openers were just finding their rhythm, until Joe H unleashed his first rocket of the afternoon, undoubtedly leaving a large bruise on the chest of one of the Prior batters. Off stumps at either end were peppered as George W, Freddie H, Joe H and Dillon T picked up all 10 wickets between them, as we dismissed Prior Park for just 97.

Once again, it was Archie G and Harry L who opened up, this time getting us off to a flier in the power play, partly thanks to some unorthodox field settings from the host's inexperienced skipper. The openers oozed class in every shot, and put on 84 runs for the first wicket, before Harry L, on 48, copped one on the pad that he claims was sliding down leg but given in an attempt to make the game more interesting. Archie G and Fergal M, ending on 38* and 12* respectively, saw the team home in this must-win cup game to an emphatic 9 wicket victory. This result was a statement of intent for how we wanted to perform for the rest of the season, but all we could do now in this competition was to keep our fingers crossed that other results went our way in order for us to qualify for the final.

Game #3: Monkton

Exam season was now fully underway for the year 11s and 13s, which meant some chopping and changing to the team from game to game. Fergal M's toss record became 0 from 2 as Monkton Combe strangely decided to put us into bat as the sun was beating down on this beautiful afternoon for cricket. The longer format meant that Fergal M opened the batting alongside Harry L, as the two batters strolled out to the middle with completely opposing mindsets. Fergal M took the shine off the new ball 54 times for his 26. Harry L meanwhile, was looking as majestic as ever before being struck on the pad on 54, and again had to wait for the ominous raise of the umpire's finger before walking back to the pavilion. Wickets tumbled before Archie G joined Dexter T at the crease and shared a scintillating 90 run partnership, with Dexter walloping the ball all around the ground (mostly beyond the rope) before giving his wicket away for 66 from just 37 balls. Archie G had been rotating the strike elegantly so that he could have a prime view of the action down the other end and wishing he was capable of doing the same, as he ended on 21*. We posted a monster score of 225-5 from 30 overs, a total which looked out of reach from the knackered Monkton team having chased the leather for 2 hours in the sun.

After a brief yet impressive match tea spread, Dillon T and Dexter T took the new ball and got us underway. 7 overs in and still no runs scored off the bat, the win was already on the horizon, even before Dillon T got the eventual breakthrough, as Harry L pouched two routinely behind the stumps. Wickets from Dexter T, George W and Connor D followed, before Arthur G was chucked the ball and he picked up 2 wickets. Fin R redeemed his batting performance somewhat with a wicket, before Archie G finished things off, ending with figures of 0.1 overs 1 wicket 0 runs, as Monkton were bowled out for just 64. A whopping 161 run victory at Monkton filled the team with confidence (admittedly some more than others) and was full of individual positives to take away from the game.

Game #4: Downside

We travelled to the picturesque grounds of Downside for a T20 in what seemed like lovely conditions for a bat. Unfortunately Fergal M had other ideas as he finally won the toss and we took to the field. The pink ball was flying in the early stages of Downside's innings, until Eric S got the eventual breakthrough thanks to Dexter T holding onto one at first slip. Dexter T then picked up two wickets with two toe-breaking yorkers, and a wicket each from Freddie H and Dillon T alongside some tight overs from Alex D on debut limited Downside to what felt like a competitive score of 150.

Harry L and Archie G went about the powerplay with standard procedure, making the most of the fielding side only being able to have two men outside the ring. Boundaries were flowing for both batsmen before Harry L got a thick outside edge down to deep third man as he departed for a quickfire 30 which included 7 fours. Fergal M and Dexter T both came and went, but it was Archie G who prevailed, despite having been checked for concussion after being struck on the helmet by a short ball, as he ended with a graceful 70*. He and Ollie S saw us over the line with five overs to spare, as we romped home to an impressive seven wicket victory. While the top order made lightwork of this chase, it was certainly a needed experience to chase a larger total for the upcoming final of the Bath schools T20 cup against Kingswood. Stand-in skipper Fergal M maintains his 100% win record.

Game #5: Wycliffe

After a lengthy 2 week break, school cricket resumed with this highly anticipated 30 over fixture against Wycliffe, a team that we have beaten every year for the last 12 years. The overcast and damp conditions very much suited a bowl first, which led to the rest of the team baffled by Fergal's decision to bat having won the toss. Unfortunately we got off to what could only be described as a horror start, as we found ourselves 14-4 from 7 overs with three of these batters walking off without scoring. Archie G and Freddie H steadied the ship with a vital 70 run partnership, before both were tamely dismissed for 43 and 24 respectively. The tail did not wag, and we were bowled out for just 123, which was still a reasonable total to defend given the shambolic start to the innings.

We took to the field in search of early wickets. Unfortunately, none of these were found despite restricting Wycliffe to below the required run rate for the majority of their innings. Josh N got the eventual breakthrough and a couple of more wickets fell and suddenly we had a glimmer of hope. That was until Fergal M got chucked the ball to 'work his magic.' However, his magic turned out to consist of wides and boundaries, and some more wides. The game had now slipped away from us in addition to some simple errors in the field, and Wycliffe hit the winning runs with just ten balls to spare. A disappointing result, but still plenty of both positive and negative points to take away from it.

Game #6: Maggsy XI

The annual friendly against Maggsy XI had finally come around which presents a great opportunity to some lesser experienced players, a number of which were making their first team debut. Luckily, there was not a toss for Fergal M to either lose, or win but make another poor decision. The team settled into Hinton CCC's fancy new pavilion as we prepared to take to the field in what we knew could be a long time chasing leather until Maggsy declared, if we didn't pick up early and regular wickets.

Joe H and Christian L took the new ball with some tight overs to get things underway, which included brothers Fergal M and Rory M both spilling chances off Christian, but it was Mr Reliable Connor D who found the breakthrough. Three wickets apiece for Freddie H, who showcased his skill and control of the out swinger to perfection, and Arthur G, whose unpredictability between his googly and seam up proved too difficult to pick for the batsmen, came in the middle overs alongside very tidy spells from Charlie P and Alex D, with the latter taking his first of many wickets for the 1st XI. Fergal M and Christian L then saw off the rest of the tail, as we ended up bowling Maggsy XI out for 162.

After the eventual lunch break, Charlie P and Alex D got us on our way, playing sensibly while still rotating the strike, and each scored 21 before departing. Tom M looked solid with the bat on debut, but only managed 5 before chopping one onto his stumps. Fergal M decided to give some catching practice back to the bowler as he made it two ducks in two days, which brought another debutant in Max H to the crease. He had his eyes on a draw, as he faced 27 balls for his 7 runs. His dismissal was very quickly followed by Rory M, as he too departed without scoring. This created some tension amongst the rest of the team, but these nerves were soon settled by a compact and unshakable 80 run partnership between Freddie H (57*) and Joe H (47*), who steered us over the line to win by 4 wickets. A special mention to Freddie H for battling through having cramp in both calves, but putting his body on the line for the team, which is exactly the mentality we need for the Bath schools T20 cup final against Kingswood.

Game #7: Kingswood

In a repeat of last years final, where we found ourselves on the losing side, the boys were hungry for revenge against Kingswood and in doing so hoping to become the first Beechen Cliff team to win the Bath schools T20 cup. Fergal M won the toss and opted for a bat first, so the reliable opening pair of Archie G and Harry L took to the middle. However, Archie G only managed 3 before being bowled, and was soon followed by Josh N who maintained his average of 6 this season. Fortunately, we still had Harry L at the crease, who once again showed his class with a destructive 44, including a particularly large six which cleared the pavilion at Bath Cricket Club by some distance. Dexter T chipped in with an accomplished 32

in the middle overs, before Fergal M suddenly remembered how to hit the ball with three balls of our innings remaining, two of which flew to the boundary which took his total up to a very useful 23*. We had set Kingswood a respectable and defensible score of 132.

Dexter T got us underway with the ball with a tight over, which was followed by a buffet served by Josh N and was certainly tucked into by one of the Kingswood openers. Having conceded an expensive powerplay, Dexter T dented Kingswood's hopes by striking twice in quick succession, with one of these being the opposition's most dangerous batters. Joe H's bowling was a bit too quick for their number three, who was flattened by a bouncer and landed on his stumps, along with a couple of wickets apiece from Fred H and Fin R with their accuracy and variation proving difficult to keep up with the required run rate. This led to risks being taken by the Kingswood lower order, and tried to take a quick single to Archie G who combined with Harry L behind the stumps for a run out. Dexter T returned to the attack and took the final two wickets, ending with superb figures of 4-0-11-4, as we bowled Kingswood out for 102, therefore taking the victory by 30 runs and being crowned the Bath schools T20 cup champions for 2023.

Arthur Gouriet

First XI

Beechen Cliff Tennis

This year the Tennis on the whole has been a great success. The numbers of participants, both competitively and recreationally in Tennis, has been fantastic. All year groups have been heavily involved in the LTA Avon competitions against some of the Bath and Bristol schools. Each team has faced some excellent challenges this year and came out on both ends of the result, but this has not disheartened their desire to play in more fixtures.

The Year 7s were unfortunately let down by a number of schools pulling out of the competition, which reduced the number of fixtures that they had. However, they demonstrated some outstanding tennis to beat Collegiate school and had some good games against KES and Clifton College. It was great to run our internal tennis tournament too with lots of boys taking part and a high standard of competition.

The Year 8's also followed the same fate as the year 7s, with a heavy amount of schools pulling out of the LTA competition. They still showed lots of heart to compete in all of the competitions well against some very strong competition.

Throughout the year the Year 9 tennis squad were eager to get involved with the extra-curricular sessions and put this eagerness into many of their fixtures, however faced some very strong opponents, but still never gave up and put up a good fight. Road to Wimbledon saw 20 Year 9 students take part in a morning of Tennis. This internal, knockout style of Tennis gave many boys the ability to take part and provide the opportunity for the winner to progress to the next stage, which if successful, grants them to play at Wimbledon. Congratulations to Matthew P and Tom S who battled it out in the Beechen Cliff Final.

The Year 10 and Senior tennis teams had the highest number of fixtures, again playing some very strong schools. Showing throughout that they want to play more tennis and enjoy the opportunity to challenge themselves. It has been amazing to see so many pupils in KS4 and Sixth Form playing tennis for their school. Particular highlights were a narrow 7-6 loss to Bishop's Wordsworth and a close fought 2-2 draw with Kingswood

Mr Bowett and Mr Markall

Careers

Dear Parent/Carer

Thank you for your support of our Careers programme this year - we have had a huge variety of exciting and inspiring visitors, workshops and trips and we currently have 250 Year 10 and Year 12 pupils out on work experience which is a huge achievement given the ever changing working environment.

We could not achieve this without your continued support and encouragement of your child to be inquisitive, resourceful and interested in their future career path.

I look forward to working with you next year but in the meantime, please find the links to guides that might be of interest to you and, as always, if you would like any further information or support please do not hesitate to contact me epascoe@beechencliff.org.uk

Medic Mentor Insight into Medicine conference for Year 10 - Year 13

Free virtual events that will provide valuable insights into various medical specialties and the daily lives of three distinguished doctors.

Registration link: <https://medicmentor.org/insight-into-medicine-conference-2/>

On Saturday 29th July, from 3pm to 7pm, we have the honour of hosting three leading NHS doctors who will share their expertise and experiences with your students:

Dr Niharika Nalagatla - Ophthalmology

Dr Shahrukh Khan - Leadership and Education in Medicine

Dr Micheal Mikael - General Practice

On Saturday 12th August we will hear from:

Dr Myo Htoo – Geriatrics

Dr Esther Khoo – Urology

Dr Fatima Bushra Hamdani – Pathology

Having an insight into medicine is a key component of making an informed decision about becoming a doctor. We encourage students to come to as many insight conferences as possible to enrich their knowledge of the medical field.

To secure a spot at the conference, students can register by visiting the following link:

<https://medicmentor.org/insight-into-medicine-conference-2/>

RUH Careers Fair on Tuesday 3rd October 2023 open to pupils in Year 10 - Year 13

Sign up now for tickets!

There will be 2 slots to choose from:

1st slot will be 5.00pm-6.00pm

2nd slot will be 6.30pm-7.30pm

This event offers a fantastic opportunity for students in year 10 or above (who live and/or study in the RUH catchment area) to meet various staff members and talk about different careers in the NHS.

Booking is essential, please note due to capacity only 1 parent/guardian will be able to accompany you. Only 1 ticket per person (this will admit your parent/guardian)

Eventbrite link: <https://www.eventbrite.co.uk/e/royal-united-hospitals-bath-nhs-ft-careers-fair-3rd-october-2023-tickets-676612104017?aff=oddtcreator>

ENGINEERING VIRTUAL WORK EXPERIENCE AT WSP

ABOUT:
 Our placements are run using Microsoft Teams, Monday to Friday. Students participate in various modules throughout the week which are run by Engineers/ Consultants working at WSP. Our presenters introduce the students to their field (i.e. structures, environment, flood risk and drainage etc), talk about their role, their routes into industry and their real-world project experiences at WSP. All presentations include an interactive activity for students to undertake relevant to that job role. Each module lasts approximately 1.5 hours. We also cover routes into engineering, including both the Apprenticeship and Graduate routes.

WHEN:
 14th - 18th August 2023

AGE GROUP:
 14 years old - 18 years old

CONTACT:
 If you are interested in being involved in our virtual work experiences, please sign up at the following link <https://forms.office.com/r/0t0wY9gU3>, or use the QR code. For more information, please email the-team@uk-stem@wsp.com

EXAMPLE OF VIRTUAL WORK EXPERIENCE WEEK:

	Monday	Tuesday	Wednesday	Thursday	Friday
AM Session	10:00 Intro to WSP & Health and Safety (1.5hrs)	10:00am Future Ready Module (1.5hrs)	10:00am Net Zero Module (1.5hrs)	10:00am Civil Bridges Module (1.5hrs)	09:00am Collaborative Design Module (1.5hrs)
Lunch	11:00 Intro to Engineering and the role of an Engineer (1.5hrs)		11:30am Structures Mod via live!	11:00am Routes into STEM (1.5hrs)	12:00 Wrap up the week (1.5hrs)
PM Session	2:00pm Highways Module (1.5hrs)	2:00pm Environmental Module (1.5hrs)	2:00pm Sketching (1.5hrs)	2:00pm Flood Module (1.5hrs)

Coaching skills for Parents Course

Have you had a conversation with your son or daughter that you would have liked to have ended differently?

Having a coaching approach can open up a conversation and elicit a response which will give insights. It promotes self reflection and self awareness. A coaching style allows you to support decision making as your young person becomes increasingly independent and heads towards adulthood.

Do I need a whistle and trainers?

No, this is not sports coaching. Our focus will be on listening skills and asking effective questions which promote exploration of a topic and clarity of mind to allow for decision making.

Is this a parenting course by another name?

No. Coaching is used in many sectors including business, education and self improvement. The ethos of coaching is that the person doing the thinking is robust enough to make progress and that the coach will listen and ask questions in order to support that thinking. This is not a parenting course but it can ease family life and allow for better conversations with your offspring.

Course details

- * This is a 9 hour course delivered in two sessions. 9.00am - 1.30 pm.
- * It will take place in person, in Bath.
- * There is a maximum of 24 places available on each course.
- * There are three courses available this summer each taking place on two consecutive Saturday mornings.
- * The price is £95 for the 9 hours of training plus a one to one coaching session to be booked following the completion of the course.

Course dates

Summer 2023 Course 1: 29th July and 5th August

Summer 2023 Course 2: 12th August and 19th August

Summer 2023 Course 3: 26th August and 2nd September

Who is running the course?

Deborah Ross has been delivering coaching training to teachers for the past 5 years. She soon realised that the techniques and tools gained on this course were also hugely beneficial to parents and therefore developed a course with a parent focus. She is a licence holder for facilitation of the coaching courses for Graydin - a coaching training provider accredited by the International Coaching Federation. Deborah is also a trained coach and has coached people in a variety of roles including leaders in education, Mums, mid life career changers and her own teenagers. Deborah has worked in the education sector for over 20 years and has therefore come across a variety of children and young people, all unique and all capable of a fruitful conversation given the right environment.

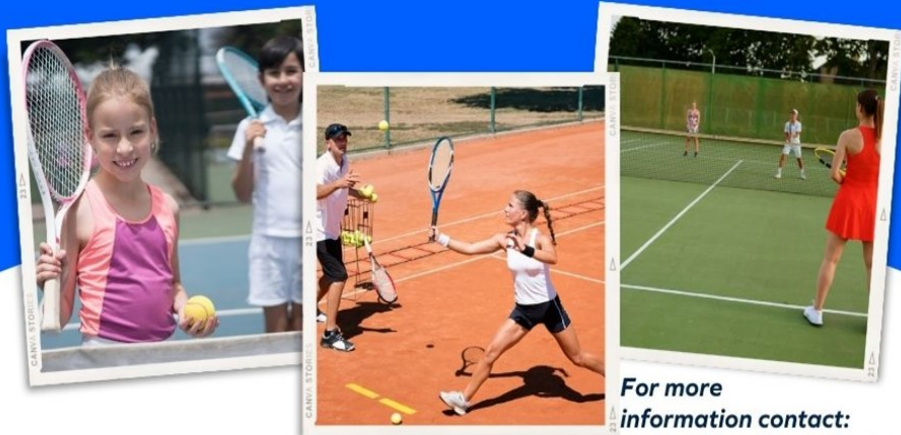

To book your place or to ask further questions, please email: info@cultivatecandt.co.uk

to confirm your space!

Basketball is growing rapidly in the UK we would like to get as many juniors interested in the sport. We are a new community interest club offering basketball to Bath and the surrounding areas. These sessions are aimed at school years 5-11 but we will look to expand these sessions in the Autumn.

Thank you for your time

Antonio Wilburn,
Director at Bath Basketball.

The Rock Project

This summer we are running The Rock Project Summer Workshops in Bath!

The sessions will be 9am - 4pm Monday - Friday at Beechen Cliff School in Bath for ages 7-11 and will cost £250, there are limited spaces on either guitar, drums, bass, and vocals!

During the workshop the students will learn songs with tutors, rehearse together as a band and put on a gig at the end of the week. What makes this different from our normal sessions is that the students will get to play all of the instruments. Guitar, drums, bass, and singing and will perform a gig on all the instruments at the end of the week.

If you follow the link below you can sign up for the limited spaces at the summer project with a deposit of £50

<https://trpwiltshire.onlineweb.shop/product/summer-school-7-11th-august-2023>

CLARION CALL ARTS ACADEMY HOLIDAY

EVENTS FOR CHILDREN and TEENS

This summer Clarion Call Arts Academy are partnering with the Forum, Bath to provide some exciting performing arts workshops.

CREATIVE FEST DAYS

Three days of workshops and master-classes to develop skills and explore creativity. All courses will be divided into two age groups: 6-12yrs and 13-17years and will run from 9am-4pm.

Day 1 July 27th **VOCALS** with Melanie Armitstead and Dani Miché

Day 2 July 28th **ACTING** with Janey Mcleod-White and Jessica Whiley

Day 3 July 29th **DANCE** with Jessica Whiley

Day 3 July 29th **DRUMS** and **PERCUSSION** with Martin Neil and Dan Bilborough

Each of the sessions will be led by expert practitioners. Choose to book full three-day course or individual days.

Costs:

£45 each day

Special offers

10% discount for additional siblings from Saturday June 24th -£40.50 per additional sibling per day (Full price for first family member)
