

BEECHEN CLIFF

23rd November 23

Message from the Headteacher

Dear Parents and Carers,

This week we have been preparing for a lot of upcoming events.

In assemblies we have been explaining the arrangements for our Ignite Day next week with our Bath Hub partners, Hayesfield and St Marks. Separate communication has also gone to parents today.

On Friday we have our PowerUp/Power Down day where we will be turning down the heating by a few degrees to see what energy can be saved. This is an Energy Sparks Challenge supported by our Eco-Team so just a reminder to wear additional underlayers on Friday.

Also on Friday we have odd socks day to raise money for Child Relief organized by our anti-bullying ambassadors. We encourage pupils to join in and wear warm odd socks which also fits in with our 'Layering Up'.

On Saturday many Year 7 pupils are off to Legoland for our joint Bath Hub trip and joint Ice Skating Trips are taking place for years 8–11 in the weeks ahead.

Finally lots of sporting fixtures are taking place at the moment. This afternoon our U18 Football team take on Millfield in the last 64 of the national cup and yesterday our U13 A and B rugby teams had some competitive games against QEH.

Thanks you to all the staff who make these happen and to parents and carers for their support.

Layer Up—Power Down and Odd Socks Day

Beechen Cliff has been working with Energy Sparks to reduce the amount of energy we use. This involves pupils and adults across the school taking actions to identify, understand and tackle energy waste.

On the 24th November, we will be turning down the school's heating and seeing how much energy we can save.

Also, to minimise disruption, on Layer Up Power Down Day on Friday 24th November, we are also holding our Odd Socks Day to emphasise our commitment to Anti Bullying, which has been our Theme of the Week and reiterates the message of our Pledge of Respect and school values.

Take charge of the heating at your school this winter
Many schools waste heating energy and money warming their buildings to excessive temperatures or when they're empty

Energy Sparks challenges you to

Before **November 24th**

- Tell your whole school community about **Layer Up Power Down Day** (you can use our [press release](#) if you want to)
- Share our [Power Down guidance](#) with your Facilities staff
- [Record your pledge to take part](#)

On **Friday November 24th**

- Turn off/ down your school heating for the day
- Wear your warm clothes to school
- Watch our video assembly to understand the importance of not wasting energy for heating
- Why not keep the heating turned off/down until Monday morning to really maximise the impact of your Layer Up Power Down Day?

After

- Check your Energy Sparks dashboard one week later to see how much energy/greenhouse emissions/ money you saved by switching off on **Layer Up Power Down Day**
- Keep an eye on Energy Sparks communications to find out how much Energy Sparks schools across the country saved by switching off - we're all in this together and our individual school actions really do add up!
- Keep up the good work - make sure to wear warm clothes to school and keep your heating turned off/down on all weekends and holidays from now on!

Bath Hub Ignite Day - Thursday 30th November

As you may be aware, next Thursday 30th November we have the first Bath Hub Ignite Day this year. The normal timetable is collapsed for the day giving us the opportunity to spend the day with each year group focussing on a particular theme.

Year 7 will be based at Beechen Cliff working with their peers from Hayesfield Girls School and St. Marks focussing on Sustainable Careers.

Year 8 will be based at Hayesfield Girls School at the Brougham Hayes Campus, working with their peers from Hayesfield and St. Marks focussing on Personal Safety and Wellbeing.

Year 9 pupils will be based at Beechen Cliff and will spend the day looking at their future aspirations, as well as receiving taster sessions for the different subjects they can choose from in the options process which will take place in the coming months.

Year 10 pupils will be based at Beechen Cliff and will spend the day focussing on Employability. They will hear from a keynote speaker before working through a carousel of activities focussing on work experience, applying for jobs and C.V writing.

Year 11 pupils will be based at Hayesfield Girls School, working with their peers from across the Bath Hub focussing on Employability, Interview skills and taking part in a careers fair.

Year 12 students will be based at Beechen Cliff School, working with their peers from Hayesfield Girls School taking part in a graduate showcase, an assessment centre and focusing on study skills.

Year 13 students will spend the day working on their UCAS applications and revising for the upcoming Mock Examinations taking place later this term.

We are really looking forward to the day. It was a real success last year and we hope to build upon that to provide the pupils and students with a useful and enjoyable experience. For further details, please see the letters which have been emailed on Thursday 23rd November.

Andrew Seal
Deputy Headteacher - Curriculum and Assessment.

We would like to express our support to your organisation by offering you and those who needs it at most an NHS dental care at our Practice.

As you may be aware Dentistry is going through crisis in the UK and therefore we ask you that once you register with our Practice, you do keep up with your regular dental appointments to remain your eligibility for NHS Dental care. To improve access to your NHS Dental services we have recruited Dental Therapist who sees patients for Dental examination under the Direct Access Law, they are registered and skilled Dental Professionals who supports Dentist, just like senior nurses and paramedics do in GP practices, so we will most likely book you with one of them initially. Dental Therapists are able to carry out all types fillings and they specialise in treating children, however there are treatments such as extractions, root canal treatments or prosthetics that they will not be able to provide for adults in which case patients are booked with senior dentist to carry out the treatment.

Please could you email us with required information on info@dentalcarebradfordonavon.co.uk and arrange an appointment in November as there is temporary and very limited availability this month. It is important, that you arrange your appointment and attend to fulfil the NHS registration. Please note, that we will not be able to register any other patients outside of your setting on the NHS due to limited capacity.

The Big Ambition

A survey has been launched by the Children's Commissioner for England to hear from all children and young people in England aged between 6 and 18 years old. Adults can answer on behalf of a child or young person aged up to 18.

The Big Ambition provides a much-needed opportunity for the children of England to tell political decision makers what is important to them ahead of the General Election. These views will then be shared with Government to ensure that children's voices are heard.

Children or parents can complete the survey here - www.childrenscommissioner.gov.uk/thebigambition.

Further resources are available on their website.

BANES VRP Knife Crime Awareness Event for Parents

The BANES Violence Reduction Partnership (VRP) will be holding the following event, *aimed at parents and carers who would like to know more about the dangers of knife crime or may be concerned that their children are at risk.*

Join us at Keynsham Community Space on Monday 27th November, 18.00 - 20.00, for our Knife Crime Awareness Event for parents

The purpose is to increase awareness of key issues surrounding knife crime, empowering parents, and children to make informed and positive decisions to stay safe.

The Bath & North East Somerset Violence Reduction Partnership (VRP) is a multi-agency partnership that aims to prevent and reduce violence in the area. We work to understand and address the root causes of violence, to prevent further violent crimes from occurring in the future. We provide resources and support the work of professionals and community groups who help children at risk or involved in serious violence.

The event is supported by partner agencies such as Avon and Somerset Police, DHI Project 28, Youth Connect Southwest, NHS and more. On the day, you will have the opportunity to hear the real, lived experience of a parent who has been personally affected by Knife Crime. There will also be a presentation by Street Doctor's followed by a panel discussion with the opportunity to ask questions.

Please note: Questions for the panel should be submitted prior to the event and emailed to VRU_Events@BATHNES.GOV.UK.

Spaces are limited. Book your ticket now via [Eventbrite](#).

CCF Dinner Night - November 18th

The Beechen Cliff cadets participated in the formal Dinner Night at King Edward's School on Saturday night, participating in the formal dinner, awards and celebratory Ceilidh.

This evening is an annual opportunity for the contingent to get together, invite former cadets, discuss the experiences of exercises and events over the previous twelve months. For most of the fifty Beechen Cliff cadets attending this was their first time at the event and they thoroughly enjoyed the meal ('as good as Chef Dan Keal's', according to one BCS boy) and the chance to swing each other around the dance floor for nearly two hours in the dance which followed.

The meal was followed by the presentation of awards and promotions for a number of the cadets and sections, all very much deserving of recognition.

It was a truly fantastic evening and the cadets looked very impressive in their smart attire, representing Beechen Cliff brilliantly. Their families can be very proud of them.

Back to muddy exercises away, weapons handling, laser tag shooting and first aid for the remainder of the term.

THINK

How did the traffic make you feel on your journey to school today?

Why do, or don't, you feel safe when you make journeys?

How do you prefer to make journeys?

Key speed facts to discuss:

- ◆ Every 1mph increase in speed increases crash frequency by 5%
- ◆ These small increases in speed can lead to bigger stopping distances – this is the distance a vehicle travels when it is slowing to a stop
- ◆ If a vehicle is moving faster, it will crash with a greater impact. This increases the likelihood of death or serious injury
- ◆ Where traffic is slow, people will choose to walk and cycle more, which leads to happier, healthier communities.
- ◆ Nearly a third of people (32%) said that they might feel uncomfortable asking a driver to slow down if they were going too fast.

What discussions would you like to have as you grow up and learn to drive? Having these constructive conversations can help to create positive change.

- More than a million people die on the world's roads every year
- Road crashes are the biggest cause of death for children and young people, worldwide
- 1711 people died on UK roads in 2022
- Speed is a factor in many crashes. The faster a vehicle is travelling, the harder it hits and the greater the risk of death and injury.

We all want to make safe and healthy journeys, whoever we are and however we travel

So, we're going to be talking about speed, about how slow traffic makes roads safer for us, and how we can make a difference in our community.

Beechen's Got Talent

Parents of Beechen Cliff, the time has come for students to take to the stage for a good cause in Beechen's Got Talent. It will take place Wednesday 29th November at 6pm and there will be a huge variety of acts, from singing/bands, to magic and comedy! With talent coming from every corner of the school, they will be competing for a mystery prize while raising money for Children in Need.

This is a high production contest and generous prizes to be won for individuals and the school house they are representing... Some of the schools' most entertaining teachers will be our enthusiastic judges for the evening. This year we welcome Our School Headteacher Mr Markall, The Head of 6th Form Miss Mather, Art Teacher Mrs Moorehead, and Maths Teacher Mr Henley.

With charismatic presenters, entertaining judges, and talented acts plus a super special staff band this is not a night to be missed. So what are you waiting for? Get those tickets and experience Beechens' best battle it out!

Tickets are £1 on ParentPay or on the door, with the option of donating more to the cause if you wish to. There will also be snacks, soft drinks, tea and coffee available before the show with the profits from the sales also going to Children In Need."

Poetry Competition Results.

In October, we ran a poetry competition, with the theme of 'Refuge'. Congratulations to Finley O. in Y7 who won a £25 voucher for his entry, which he also illustrated.

Refuge

Brave people escaping,
Voyaging into the unknown.
A long way from their home -
Instead, in a strange, unfamiliar land.

A journey of sorrow.
Fear. Death. Separation!
They are lost in a labyrinth of thoughts
Floating around in their head.

The stench of injustice reeks through their story.
When will it end?

Wellbeing

Stress

November is the month when the mental wellbeing focus is on Stress. Particularly poignant when we see so many of our Year 11s taking their mocks and our Year 13s preparing for university interviews and mocks in December.

This resource is for young people, and looks at what stress is, how it feels, what causes it, what you can do about it and where to get further support if you need it. Please do not hesitate to contact our Pastoral Team if you are worried that your child may be struggling with stress. We are here to help.

Chloe's Story

"It started a few months ago, during year 11. I had a lot of work to do because it was my GCSE year but I was off for two weeks in April because I had tonsillitis and I needed an operation.

"When I went back to school, I had missed tonnes of work and I was given extra homework to do to catch up. I tried really hard to get this done on top of my coursework but I just got more and more behind. I started to think I'd never be able to catch up and I thought I'd fail all my GCSEs.

"It got to the point where I couldn't sleep because I was worrying too much and although I was spending more and more time doing homework, I couldn't actually concentrate on it because I just kept thinking about how much I had to do. I was really snappy and horrible to my family, and I stopped seeing my friends.

"I didn't want to get any help because I thought I'd look stupid, but my mum dragged me to see my head of year, Mrs Young. I'm glad she did because Mrs Young was really understanding about the mess I had got in and she helped me to sort it out.

"She spoke to my class teachers, and they agreed that I didn't need to do all of the outstanding work, just the most important bits. Two of my teachers spent some time with me after school, going through some bits of my courses-- I hadn't understood properly. I was given some time out of lessons to catch up on my coursework.

"Within a couple of weeks I was fully caught-up and I was feeling much better because I was sleeping properly and seeing friends again. I got good grades in my GCSEs and I'm going to college in September."

Parent/Carer Solution Focused Training

Last Thursday, Tara Gretton and Susie Ingram (IASTI Accredited Solution Focused Practitioners) delivered their first online Parent/Carer training session on the Solution Focused approach used at Beechen and in the therapy sessions offered to pupils and students at school. It was wonderful to welcome parents and carers with children from all year groups.

A number of parents/carers contacted us because they could not attend but wanted to, so Tara and Susie are going to make a recording of the training which they will share in the Parent Newsletter shortly.

Tara and our SENCO, Jo Blair, held an additional training session the week before for parents interested in how to use the Solution Focused approach with children and neurodivergence. They will also be sharing a pre-recorded video of this training in the newsletter shortly for any parents who are interested but could not attend.

We are delighted to be able to share the Solution Focused approach with our Parent/Carer community as it mirrors what we are doing in school. We will be running more training over the course of this academic year and will keep you posted.
