

BEECHEN CLIFF

30th November 2023

Message from the Headteacher

Dear Parents and Carers,

Yesterday we had our annual talent show, Beechen Cliff's Got Talent, organised by our Sixth Form Prefect Team. The event was a huge success and I would like to thank the prefect team, our pupil sound and lighting technicians, staff judges and our Music Technician, Mr Harriman, for making it all possible. It was fantastic to see the range of talent on display. A big congratulations to all our acts!

Today we have had our Ignite Day across the Bath Hub with pupils working with their peers, in year groups, at St Marks and Hayesfield, across themes of careers, personal safety and wellbeing. It has been a bit different with pupils attending different school sites but a great opportunity to learn collaboratively and I would like to thank the staff across all three schools who have made this event possible and the parents, employers and other guests and visiting speakers who have given up their time to contribute to the event and promote such a great opportunity for pupils in all schools.

Year 13 students are currently preparing for their mock examinations which begin next Friday. The examination timetable is available on the school website and personalised copies have also been shared with students. We wish them all the best for the busy weeks of revision and assessment ahead.

The Big Ambition

A survey has been launched by the Children's Commissioner for England to hear from all children and young people in England aged between 6 and 18 years old. Adults can answer on behalf of a child or young person aged up to 18.

The Big Ambition provides a much-needed opportunity for the children of England to tell political decision makers what is important to them ahead of the General Election. These views will then be shared with Government to ensure that children's voices are heard.

Children or parents can complete the survey here - www.childrenscommissioner.gov.uk/thebigambition.

Beechen Cliff Annual Carol Service

Our annual Carol Service will take place in Bath Abbey on **Thursday 14th December** at 7pm. This is an important event in the school calendar and is always well attended by parents, carers and pupils.

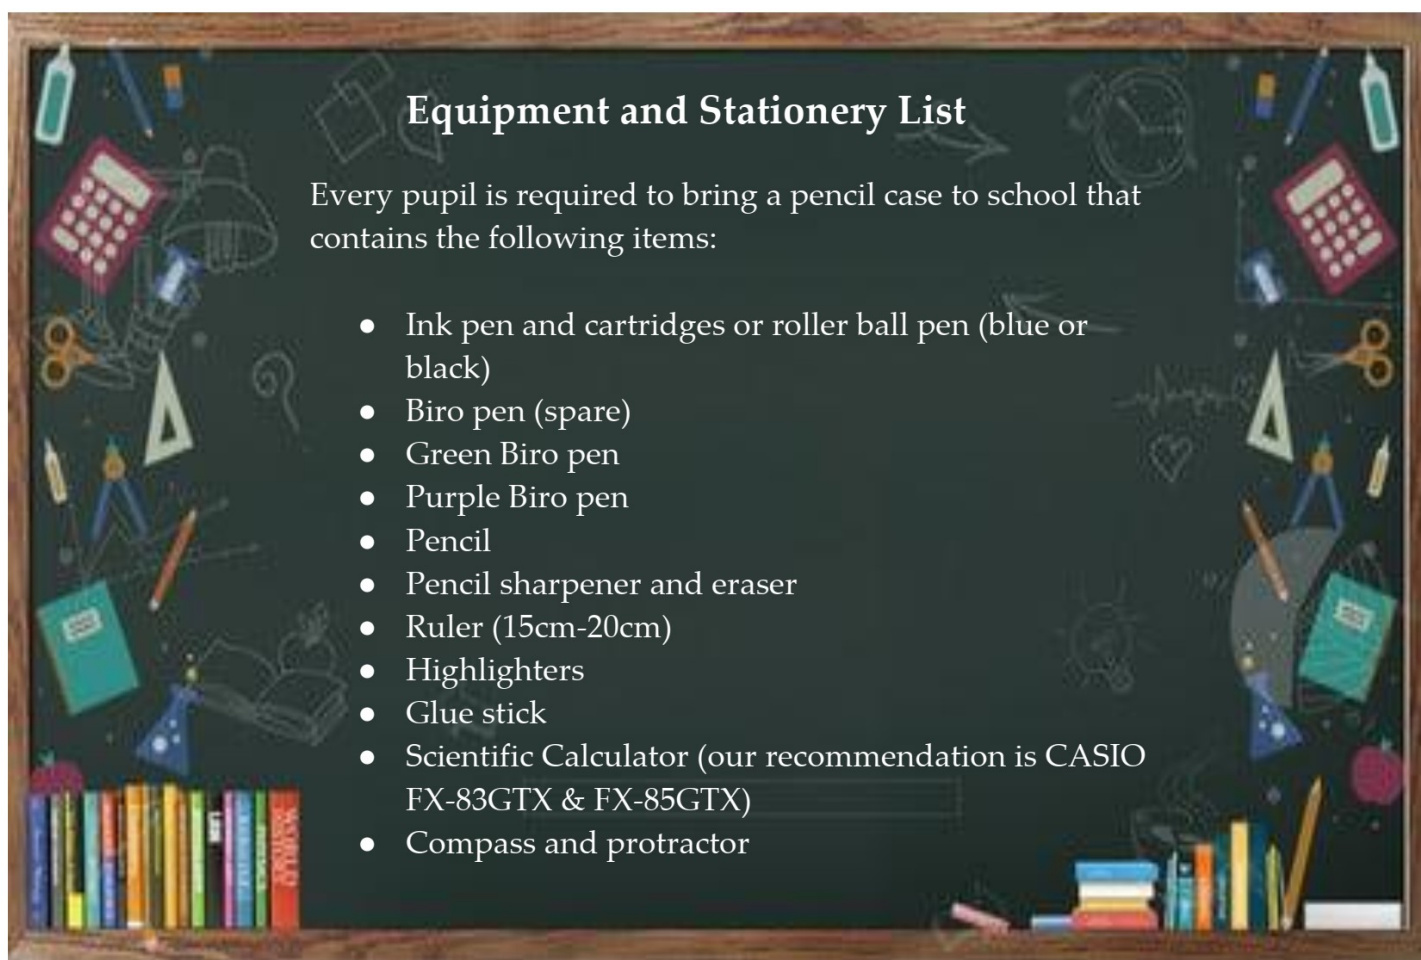

Whilst there is an expectation that all Year 7 pupils will attend with their parents/carers, this is an open invitation to **all** pupils and parents to attend this service. We hope that you will accept the invitation and are able to attend and enjoy the occasion with your son/daughter.

If your son/daughter will be attending unaccompanied, please make arrangements to ensure that he/she can return home safely after the service at 8:30pm.

This is a joyous and uplifting occasion that provides the opportunity for all students to join in a school community celebration of Christmas at the start of their festive break. We hope to see you there!

Food Technology

Year 10 Hospitality & Catering students have been learning how to joint a chicken in lessons last week. This is a 'high skill' which has been shown to students to help build their practical skill level. They are using some of the chicken in a Curry this week and took some of the chicken home last week to be creative with it as part of their homework.

Here are some images of the fantastic dishes made by the students for their homework task.

Year 9 Food Competition

Are you the next Jamie Oliver? Gordon Ramsay? Big Zuu? If so, this competition is for you...

The MNSP Trust is holding a Young Chef of the Year competition to discover our next big talent.

On Monday 8th January, Beechen Cliff are holding our internal competition in T3 from 3.15- 5.15pm.

The winner from here will go on to compete against other schools in the Trust on Wednesday 6th March at Writhlington.

The brief is a **main course dish** to serve **2** people that can be produced in **90 minutes** with ingredients costing no more than **£15**.

Ingredients:

To include seasonal and locally sourced ingredients wherever possible.

No pre-prepared elements permitted, with the exception of homemade stocks.

Dishes will be judged on the following criteria:

- the creativity of the recipe
- the balance of the ingredients used in the recipe
- the skills required to create the dish
- the use of ingredients produced locally to you or from the wider South West region wherever possible.
- Final dish including presentation.

If you are in **Year 9** and would like to compete, please email Mrs Gallagher before 18th December.

Former Pupil visit to Beechen Cliff Languages Department

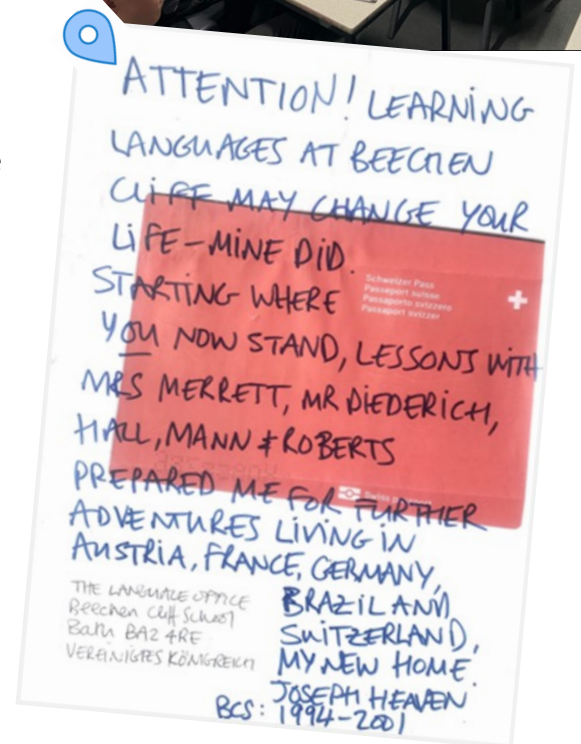

On Wednesday 22nd November the Languages department were visited by former pupil Joseph Heaven. Joe was a pupil in year 10 when I first joined the school in 1997! Mr Hall and Mr Mann also taught Joe during his time at Beechen Cliff.

Joe wrote to the school over the summer as he wanted to give something back to the Languages department in recognition of the importance learning languages has been for him. Joe has kindly offered to fund a pupil to go on the Montpellier language school trip each year as well as a prize for creative use of languages.

Joe studied French and German at GCSE and went on to study French at A level. He then studied law at university. Joe is now a resident of Switzerland and uses both his German and French language skills daily in his job in a bank. It was wonderful to have Joe in school and during the day Joe visited many of the classes, talking to the pupils about how learning languages had shaped his life. He told the boys about his other jobs in media in Paris and his travels around the world inspiring our year 10 and 11 pupils with their language learning.

He also left us with a poster to display in Languages.

Best Youth Actor Nomination

Finlay was nominated for best youth actor at the annual Rose Bowl Awards for his performance as Judd Fry in the Beechen Cliff and Hayesfield school production of Oklahoma in partnership with Bath Theatre School earlier this year. This is a fantastic achievement and I hope he enjoyed attending the awards evening in Bristol last weekend. Congratulations Finlay!

Wellbeing

Cultivating Emotional Wellbeing through LGBTQ+ Understanding

Dear Families,

We hope this message finds you well. At Beechen Cliff, we are deeply committed to nurturing the emotional wellbeing of all our students. Today, we would like to shed light on how we promote understanding and acceptance of LGBTQ+ identities from an emotional wellbeing perspective.

1. Inclusive Spaces for Emotional Expression: Emotional wellbeing flourishes in an atmosphere of acceptance. At Beechen, we strive to create inclusive spaces where every student, irrespective of their sexual orientation or gender identity, can express their emotions authentically without fear of judgment, such as in tutor time and PSHE.

2. Counselling Services Tailored to Individual Needs: Our dedicated counselling services extend beyond academic support. Our counsellors are equipped to provide emotional guidance and support, particularly for students navigating the unique challenges associated with LGBTQ+ identities. Confidential and empathetic, our counsellors offer a safe space for students to explore their feelings.

3. Awareness Campaigns and Events: Emotional wellbeing is closely tied to a sense of belonging. We organise awareness campaigns and events that not only educate but also create a sense of community. Such as Assemblies for all students during Pride Week, flying the Pride Flag and Our Pledge of Respect. These events promote understanding, empathy, and emotional support for all students

4. Inclusive Curriculum for Emotional Intelligence: Our commitment to emotional wellbeing is reflected in our curriculum, which includes elements of emotional intelligence and empathy. Lessons (tutor programme, PSHE and Character Award) incorporate narratives that showcase diverse emotional experiences, helping students develop a deeper understanding of one another.

5. Parental and Carer Engagement for Emotional Support: We recognise the pivotal role parents and carers play in the emotional wellbeing of their children. Workshops and resources are provided to parents and carers to help them navigate conversations around emotions, identity, and acceptance, fostering a home environment that complements our efforts at school.

6. Celebrating Individuality: Emotional wellbeing is closely tied to self-acceptance. We celebrate the unique identities of all our students, recognising that embracing one's authentic self is a vital aspect of emotional health. Our best hope is to create an environment where every student feels seen and valued.

7. Ongoing Professional Development: Our staff continuously engage in professional development opportunities to enhance their understanding of the emotional needs of LGBTQ+ students. This ongoing training ensures that our staff is well-equipped to provide the emotional support necessary for a diverse student body. All staff receive Safeguarding training and are invited to participate in our Solution Focused training programme, which innately fosters an inclusive approach

8. Future Emotional Wellbeing Initiatives: As we move forward, we are committed to expanding our emotional wellbeing initiatives. This includes exploring additional resources, workshops, and partnerships to create an even more supportive environment for the emotional growth of all our students.
