

BEECHEN CLIFF

7th December 2023

Message from the Headteacher

Dear Parents and Carers,

It has been a busy week of ice skating trips, carol service rehearsals and national cup sports fixtures in addition to the usual curriculum and timetable.

We have also been pleased to have the organisation Tender with us this week to run workshops and talk to pupils in Year 9 about domestic abuse, as well as run training for staff. This forms part of our PSHE programme and pupils responded really well including presenting to their peers about what they had learned in an assembly.

Year 13 students begin their mock examinations tomorrow and we wish them all the best for the busy week ahead.

This week in the newsletter you will see an article about our Parent Teacher Association who are looking for new recruits and new leadership and I would be grateful for any parents or carers who are able to support.

In addition we have provided feedback from our recent parent survey including areas of strength and some areas we want to develop or improve further. We are grateful for the information provided in the survey.

Finally we have seen a number of pupils and staff affected by seasonal illness over the last week and wish them all a speedy recovery.

Parent Teacher Association

We are really grateful for members of our Parent Teacher Association who are incredibly supportive of the whole school and who have raised tens of thousands of pounds over the last few years to support a variety of projects that otherwise would not have been possible.

Money raised has funded the clubhouse by the tennis courts, support to build up mental health and wellbeing services, renovation of the school library, lots of different extra-curricular clubs including debating, lego robotics, foreign film club and sports, 3D Printers for DT and new digital screens in Maths and English classrooms.

Funds have been raised through crowdfunding, raffles, quiz nights, an auction of promises, the Christmas market, second hand uniform sales and running a bar at school events.

In addition, the second hand uniform sales play an important role in the recycling of uniform and ensuring access to pre-loved uniform at a reduced cost.

We have reached a stage where many of those who have volunteered for many years are moving on and we are looking for both new recruits and new leadership of our PTA to ensure this support is able to continue and for the benefit of our pupils in school.

Our current members would be delighted to meet you and please be assured that you can give as much or as little time as you have.

Below are some quotes from current and previous members of our PTA:

"I enjoyed helping out with the Uniform Sale. Everyone on the PTA team was really friendly and showed the new helpers how to sort and display the second hand uniform stock and how to take card payments. Amazingly, in just a few hours we'd raised £2,000 for the school which was so rewarding." **Ali W**

"Last year's Christmas Market for Year 7 was great fun and it was a lovely way to meet other parents. I loved helping the children choose Christmas gifts for their family members and wrapping them up. It was interesting to chat to the children about what they enjoyed about school and hearing about their school trips."

"My son started at Beechen Cliff in September 2021 and I remember being impressed by the sums the PTA was raising. The previous PTA team funded some incredible kit for our kids to use in different departments across the school such as PE equipment and 3D printers for Design Technology. Well done to all and long may it continue." **Ali W**

"I've really enjoyed helping out at a few PTA events - mainly the second hand uniform sales. It's great to meet other parents and no pressure or huge commitment. You make a real difference raising important funds for the school AND give parents an opportunity to buy school uniform in a sustainable, hugely discounted way. A couple of hours once a term is an easy way of helping out." **Fiona C**

"I don't feel any pressure to do more than I can commit to. We have a small group that just look after second hand uniform and do a sale 2 or 3 times a year!" **Geri B**

"Quiz night is a great fun way to support the PTA. The more people that can help with small things the less you have to do."

"If you can't commit regularly, just pick an event once a year to help out with. Many hands make light work!"

"I really enjoyed helping out the PTA. I made new friends and got to learn lots about the school. I could only help from time to time, but that didn't matter as everyone is busy too!" **Amy L**

"Making teas and coffees at open evenings is quite a fun quick one for a Mum, Dad, Grandparent or Carer."

"My kids love the Santa Run fundraising event in Alexandra Park."

"I have really enjoyed being involved in some PTA events and being part of the secondhand uniform team which has raised so much money for our school, whilst providing a great service to parents and also avoiding many clothes ending up in landfill."

It has been good to have had an increased insight into the school community, get to know more parents and teachers and see the need for these essential funds (with no pressure to over commit!)". **Jo M**

"When my son first started Beechen Cliff, I found the shift from primary school and the reduced contact with teachers hard. Joining the PTA was the best thing I did. It gave me a real connection with the school and genuine friendships with other parents. Helping run the bar at band nights and quizzes is brilliant fun and raises essential money for the school. I would recommend getting involved to anyone new to the school." **Jen S**

"I would say the second hand uniform sale is a great place to start if you are new to PTA activities. It not only helps to raise vital funds for the school, but also by allowing uniform to be reused it is also good for the environment." **Kate M**

"It's a rewarding and great way to 'give a little back' and get involved with your son's school." **Marina Beare (Past co-chair PTA Beechen Cliff School)**

A great opportunity to see how the PTA operates is by attending the Quiz and Curry Night which has been scheduled for Friday 2nd February. Tickets are available on ParentPay (see flyer in this newsletter)

Beechen Cliff Annual Carol Service

Our annual Carol Service will take place in Bath Abbey on **Thursday 14th December** at 7pm. This is an important event in the school calendar and is always well attended by parents, carers and pupils.

Whilst there is an expectation that all Year 7 pupils will attend with their parents/carers, this is an open invitation to **all** pupils and parents to attend this service. We hope that you will accept the invitation and are able to attend and enjoy the occasion with your son/daughter.

If your son/daughter will be attending unaccompanied, please make arrangements to ensure that he/she can return home safely after the service at 8:30pm.

This is a joyous and uplifting occasion that provides the opportunity for all students to join in a school community celebration of Christmas at the start of their festive break. We hope to see you there!

Year 9 Food Competition

Are you the next Jamie Oliver? Gordon Ramsay? Big Zuu? If so, this competition is for you...

The MNSP Trust is holding a Young Chef of the Year competition to discover our next big talent.

On Monday 8th January, Beechen Cliff are holding our internal competition in T3 from 3.15- 5.15pm.

The winner from here will go on to compete against other schools in the Trust on Wednesday 6th March at Writhlington.

The brief is a **main course dish** to serve **2** people that can be produced in **90 minutes** with ingredients costing no more than **£15**.

Ingredients:

To include seasonal and locally sourced ingredients wherever possible.

No pre-prepared elements permitted, with the exception of homemade stocks.

Dishes will be judged on the following criteria:

- the creativity of the recipe
- the balance of the ingredients used in the recipe
- the skills required to create the dish
- the use of ingredients produced locally to you or from the wider South West region wherever possible.
- Final dish including presentation.

If you are in **Year 9** and would like to compete, please email Mrs Gallagher before 18th December. kgallagher@beechencliff.org.uk

Parent Survey - Highlights and Feedback

Following the recent Parent Survey (181 responses), we would like to provide some feedback to parents. Please see the salient results, some strengths and areas for us to look at moving forward.

- 97% agree that we have a clear vision for our pupils and we encourage them to embrace the Core Values of Aspiration, Compassion, Independence and Respect
- 86% agree that we develop pupil's character
- 93% agree that their child feels safe and is happy in school
- 84% agree that the school promotes and supports good mental health and well-being for our pupils and that we encourage pupils to consider others and to make positive contributions to the lives of those around them.
- 85% agree that the school encourages positive relationships, respect and tolerance amongst all members of the school community.
- 98% agree that the school encourages good attendance for all pupils
- 85% agree that Beechen Cliff promotes good behaviour amongst its pupils and 91% agree that we have high expectations of pupils with the same number agreeing that their child does well at Beechen Cliff.
- 90% of parents are aware of the extra curricular activities on offer at school with 84% taking part in these activities in school and another 84% taking part in activities outside of school

There is also strong agreement that you feel welcomed when you visit school and that you can contact staff when you need to and find them friendly and approachable.

We will be working on the following:

- Continued focus on high expectations, respect and wellbeing to ensure all pupils feel safe and happy in school.
- Ensuring timely responses to parent queries - within 48 hours (working days) wherever possible.
- Providing further support in helping your child's learning (in addition to the Parent Information Evenings for every year group in September and October)
- Making parents more aware of how to see what their child is learning by directing them to curriculum booklets on the school website with more regular communication on this.
- Some parents are frustrated with dealing with several IT platforms. Streamlining will take place where possible including linking Google Classroom to Talaxy.
- Encouraging and supporting even greater participation in extra-curricular activities.
- Considering the format of Parents Evenings
- Considering forms of communication to reduce the number of parents who respond 'don't know' to survey questions.

We are really appreciative of the feedback. It will feed into school improvement planning.

Collecting for Bath Foodbank

We are again this year collecting donations for Bath Foodbank.

Founded in 2011, the Bath Foodbank is one of the hundreds of Trussell Trust Foodbanks in the country, and it one of the projects of Genesis Trust Bath.

Over the 12 years of its existence there has been evidence of increasing need. The Bath Foodbank is run entirely by volunteers who operate the warehouse facility, 3 distribution centres and the van for collections and deliveries. It is entirely dependant on voluntary contributions of food and finance, and is generously supported by individuals, churches, schools, supermarkets and businesses

Any donations of food please bring to the main school office. Thank you

Arkwright Engineering Scholarship 2023

Arkwright Scholars - Leaders in Engineering

A huge congratulations to Treya Creffield who has been awarded a prestigious Arkwright Scholarship. The Arkwright Engineering Scholarship is the most esteemed scholarship of its type in the UK, designed to inspire students to pursue their dreams and change the world as a future leader in Engineering.

Treya has been awarded the scholarship following a rigorous selection process and will support her through her A level studies and aspects of career planning. Treya has been sponsored by AB Dynamics, based in Bradford-on-Avon, who will provide support in various forms. Treya will receive the opportunity to gain valuable work experience, industry link days, support for curriculum projects and a personal mentor who will advise on further study relating to her chosen field of Engineering. In addition to this, there is a bursary awarded to support and enhance her further study.

Congratulations!!!!

Legoland

On Saturday 25th November, the intrepid Year 7s arrived at Odd Down Park and Ride at 6.45am for our annual Bath Hub Trip to Legoland. The third time that we have run the trip and it is as popular as ever with over 400 students from Beechen Cliff, Hayesfield and St Mark's making the journey.

The boys were given free reign and worked in small groups to access as many rides as possible, strong favourites were The Dragon and Mythica where the boys reported 'The Mythica ride was amazing' and 'My favourite ride was The Dragon, I just wish it was longer and I hadn't eaten just before!' but others really enjoyed The Haunted House and the Submarine ride; some even came back with driving licenses.....

The nine staff that accompanied the boys from Beechen couldn't have been prouder as the attitude, inclusivity and camaraderie was evident from all of them, helping, encouraging and taking care of each other all day. On the bus on the way home, those that were not listening to music or sleeping were keen to tell us that 'The trip was really fun. We went on so many rides and had loads of fun' and that 'Legoland made me very happy and I enjoyed all the rides especially the dragon roller coaster ride I am thankful to the staff for taking us, it was a great day'

A big thanks to the parents for allowing the boys to go and for making the drop off and pick up so efficient.

Wellbeing

Supporting From Home – using the Solution Focused Approach

We are constantly looking to engage with parents and support them to support their child at home. One recent initiative is explained below. Whilst this initiative was designed to offer bespoke training for parents of pupils who are neurodiverse, the training is extremely helpful for all parents/carers who are curious to learn about how to have a Solution Focused conversation with their children.

Solution Focused Therapy and Neurodiversity

In November 2023, Jo Blair (SENDCo) and Tara Gretton (Solution Focused Therapist) delivered bespoke training for parents/carers of pupils who are neurodiverse, helping parents to consider how they might use the principles of Solution Focused Therapy to support positive, curious and purposeful communication at home.

Tara and Jo were delighted at how well received the session was and how enthusiastic parents were. For so many parents, life with teenagers can be challenging, for parents of pupils who are neurodiverse these challenges can be more pronounced. It was great to come together and consider how making some small changes at home using this approach can help pupils and families focus on positive change and avoid getting caught in the cycle of dreaded future and troubled past.

A video of the session can be found [here](#).

As well as the video link, please can we draw your attention to the 3 resources below, which all help with the application of the Solution Focused Approach.

Resources from the session are available below:

Open to boys and girls aged 6 -16
AVAILABLE IN BATH AND BRISTOL AREA

INDIVIDUAL PERFORMANCE COACHING 1 TO 1

Our Individual Performance course offers personalised training sessions for all skill levels. Each session is tailored to the individual's specific goals and needs, whether they are looking to improve their technical skills or physical conditioning. From beginners starting out on their footballing path, to players who want to improve specific aspects of their game taking their performances to the next level.

GROUP SESSIONS GROUPS OF 4, 6 OR 8

Our small group sessions are fantastic for players who prefer to train with friends & team mates. Training with other players brings intensity and competition creating a match environment.

Sessions with: LEWIS DIXON

- FA Level 2 qualified & DBS checked
- Current Larkhall player & former Bath City Academy player

To book a session or for more information please contact Lewis
on 07870993631 or email lewis@upandundersports.co.uk

COSTS per session	1-1 Coaching Session £25 2-1 Coaching Session £40	4-1 Group Session £60 6-1 Group Session £60
Sessions will cover: basic passing, dribbling, control, shooting etc. Progressing onto more advanced training: movement, positioning, fitness & tactics progressing the individual to their highest potential.
