## Message from the Headteacher

Dear Parents and Carers,

This term seems to be rushing by at a very fast pace and we are already only two weeks until half term with lots more to cram in.

Over the last two weeks Year 10 and Year 9 Parents Evenings have taken place and I hope the updates from subject teachers has been helpful. If there are any emerging queries following these evenings please don't hesitate to contact your child's Head of Year.

Year 9 pupils are currently making decisions about their GCSE options choices and one-to-one interviews to support the process are underway. The deadline for submitting choices is Monday 5th February and further information is on the school website via this [link](#).

Year 11 and 13 revision sessions are up and running as part of preparation for exams. Attendance to these sessions so far has been really good and I am really impressed by the commitment of the students. I hope this will continue in the build up to the second round of mock exams next term. The full Year 11 revision session schedule is available on the website and the via following [link](#).

There has been football success in the Somerset County Cup this week. The U/15's had a hard fought 3-1 win against Backwell School. The U/16's had a good 4-0 win against Churchill Academy and the U/14's had a resounding 6-1 win at Westfields School in Yeovil. We wish them all the best for the next rounds.

We have a busy couple of weeks of sport and outdoor education in the weeks ahead with table tennis, tennis, football, rugby, hockey and netball fixtures all taking place along with additional Ten Tors training. We wish those taking part all the best.

Finally, we have a new Chair of Governors in post. Sonya Butters took over the role at the start of January. A letter from her is published alongside this newsletter.

Mr T D Markall

Headteacher

# LIBRARY NEWS

## Year 7 Author Visit: Thursday 1st February

We are delighted to be welcoming author A.F. Steadman to Beechen Cliff to talk about her books *Skandar and the Unicorn Thief* and *Skandar and the Phantom Rider* (which is being launched in paperback that morning!). All our Y7 boys will be joined by Y5 and Y6 pupils from local primary schools for a huge event in our sports barn. We have been told A.F. Steadman is a really engaging speaker and her interactive events really pull the audience into the fantasy world of *Skandar*.

Perfect for fans of *Harry Potter* and *Percy Jackson*! I look forward to updating you on the event later in the term

Encouraging boys to read.

New Year, New Habits: Reading Homework

It has been fabulous to see so many Y7, 8 and 9 boys coming to the library to check out a book - some for the first time. There have been some lively discussions and it is wonderful to hear boys asking for books that have been recommended by teachers and friends. This week, boys have been asked to set a daily reading target that can count towards their weekly reading homework. How many minutes a day will they read and when will they choose to do it? Answers next week...

Some of the books borrowed this week for KS3 reading homework. Great choices, lads!

## RECOMMENDATIONS

*Skandar and the Unicorn Thief/Skandar and the Phantom Rider*

Soar into this breathtaking world of heroes and unicorns as you've never seen them before. Epic sky battles, dangerous clashes with wild unicorns and a shadowy villain with an army. These books will enthral readers with a new fantasy world they'll wish they could visit. Y7s can purchase signed copies on Parent Pay ahead of the author visit on 1st February.

The Library is For Everyone!  
Keep Reading!

## Extra Curricular

### Bath Student Parliament

Last week, we were delighted to host this term's meeting of the Bath Student Parliament ('BSP'). The BSP is a group of around 25 students from schools across Bath, so it is a wonderful opportunity for students across the city to get together and have a common voice.

One of our Beechen Cliff representatives (Mia, Year 13) arranged for local MP Wera Hobhouse to attend the meeting and hear about the work of each committee. There are 5 committees: Mental Health, Community and Inter-school, Charity, Environment and Equalities. It was exciting to hear about the ideas of each group for upcoming events or areas of interest such as an inter-school

debate, a concert, self defence classes and thoughts about tackling knife crime.

**Miss K Mather**  
Head of Sixth Form

### Litterpickers –from 4 to 13 in a week and a Year 8 as well.

The boys continue their mission to clean up the mean streets of Bath. William, Segev, Arthur and Caleb were the busiest and ended up with the heaviest bag and the queue passes and all that participated received positives and lollypops.

With the bottom field, Greenway Lane and parts of Wellsway done before school, next weeks

focus will be the Avenues. Let's see how big are numbers are then.

Many congratulations

Assistant Headteacher – Character Development

# Wellbeing

Parent Mental Health Day (PMHD) was established by the charity [stem4](#) which supports teenagers and young adults to build positive mental health.

Parent Mental Health Day aims to encourage understanding and awareness of the importance of parent mental health and its potential impact on the whole family system with the theme 'Balance'. The day aims to get parents and carers to take a moment to reflect on the balance they have in their lives, as well as how they balance looking after their family's mental health and to take steps to make positive change and 'balance out'.

Parent Mental Health Day is here to shine a light on the unsung heroes who have parented under changed circumstances throughout the pandemic, but now need some focus on themselves as well as their children and young people. By getting parents (and their employers) engaged in discussions about how to look after their own and their family's mental health, PMHD breaks the stigma surrounding parent mental health and starts a discussion on how parents are coping too.

With a focus on encouraging balance, Parent Mental Health Day will encourage parents, carers, and employers to acknowledge the difficulties parents across the world have and are facing and, through this sharing, develop ways to change.

## When is Parent Mental Health Day 2024?

Parent Mental Health Day will take place on the 27th January 2024.

## How to get involved in Parent Mental Health Day 2024

For more information and resources on Parent Mental Health Day and Balancing Out go to: <http://parentmentalhealthday.co.uk/>

stem4 provides resources, including free apps, for young people to encourage good mental health, ward off anxiety and low mood, encourage calm, and prevent self-harm. stem4 also have an app to support parents who are looking after a young person with mental health issues. stem4 also helps and provides resources to those supporting young people including; parents and carers, education professionals, GPs and school nurses.

The charity delivers mental health education, resilience strategies and early intervention. As well as the free apps, these are delivered through an innovative education programme, a clinically-informed website, and mental health conferences.

stem4 is run by one of the country's leading clinical psychologists, Dr. Nihara Krause, who also advises Parliament on mental health issues.

The Wellbeing Team

## Theme of The Week—Holocaust Memorial Day

Theme of the week this week is Holocaust Memorial Day.

Holocaust Memorial Day Trust (HMDT) encourages remembrance in a world scarred by genocide. We promote and support Holocaust Memorial Day (HMD) – the international day on the 27th January to remember the six million Jews murdered during the [Holocaust](#), alongside the millions of other people killed under [Nazi persecution of other groups](#) and in genocides that followed in [Cambodia](#), [Rwanda](#), [Bosnia](#) and [Darfur](#).

The 27th of January marks the anniversary of the liberation of Auschwitz-Birkenau, the largest Nazi death camp.

HMD is for everyone. Each year across the UK, thousands of people come together to learn more about the past and take action to create a safer future. We know they learn more, empathise more and do more.

Together we bear witness for those who endured genocide, and honour the survivors and all those whose lives were changed beyond recognition.

Anne Frank's comment, quoted above, concludes 'You couldn't do this and you couldn't do that, but life went on'. But of course, for Anne, and millions of others, life did not go on – they were deliberately murdered. Building upon the multiple restrictions on their freedoms, their freedom of life was destroyed.

On HMD 2024, we can all reflect on how freedom is fragile and vulnerable to abuse. As we come together in communities around the UK, let's pledge not to take our freedoms for granted, and consider what we can do to strengthen freedoms around the world.

## HMD 2024 THEME

Fragility of Freedom is the theme for Holocaust Memorial Day 2024.

### Risking Freedom

It isn't only those directly targeted for persecution whose freedoms are affected by perpetrator regimes. Vali Rácz risked her freedom and her life to save Jews in Hungary during the Second World War. Despite knowing she would likely be murdered if caught, she built a false partition into a large wardrobe to hide people. She was arrested several times but with no proof that she was hiding Jews, was released.

Students this week are listening to ten minutes of a podcast with Monica Porter, Vali Rácz's daughter, at [hmd.org.uk/vali](https://hmd.org.uk/vali).
