29th February 2024

Message from the Headteacher

Dear Parents and Carers,

Year 11 pupils have focused well in their mock exams this week.

In assemblies this week Mrs Bridge has launched her plans for world Book Day and this has been our Theme of the Week. We look forward to celebrating this on 7th March.

It has been a fantastic to see success in the National Maths Challenge and Sports Fixtures over the last week.

Further details are in today's newsletter , which I hope you enjoy reading

Finally, with our upcoming production of West Side Story in partnership with Hayesfield and Bath Theatre School, we are looking for students to help backstage and to support with technical roles including lighting. In addition we are looking for parent volunteers to help back stage

The performances are taking place from 26th to 28th March and we would be grateful for support both during final rehearsals in the week before and during the show week.

If you would like to help out please email staff@baththetareschool.com or contact Miss Moorhead at school.

Discounted Tickets to watch Bath Rugby this March

Bath Rugby is extending an offer to our community, particularly families and children, to enjoy live rugby at The Recreation Ground this March.

We are excited to offer junior tickets for just £5, adult tickets from £5, as well as a discounted family package.

The first match, a highly anticipated encounter against West Country rivals Gloucester, will take place on 9th March at 2.30pm. The following week, on St Patrick's weekend, Bath Rugby will face Irish and European giants Leinster Rugby on Friday 15th March at 7:15pm.

Tickets can be purchased at:

<http://bit.ly/3I6sIL7>

If you have any queries please let us know. We look forward to welcoming members of your school community to The Rec!

CAKE SALE – WEDNESDAY 13th MARCH

On Wednesday 13th March the Sixth Form will be running a Cake Sale both break times in the Refectory. Cupcakes, flapjacks, cake slices and more treats will be on sale for 50p or £1 - cash only. This time we are raising money to pay for coaches for rowing in Sixth Form Games. We are one of the only state schools in the country that offers rowing as a standard Games option and the money raised will contribute to the cost of qualified coaching support. Thank you.

**Reading
for pleasure**

Thursday 7th March is World Book Day!

This week in assembly we have been letting the boys know what will be happening on World Book Day at Beechen Cliff.

Every lesson for KS3 will be a reading-themed hour

Plan for the day:

Tutor: Whole school assembly

P1: Buddy Reading

P2: Book token design competition

P3: Why is reading so important?

P4: Creating displays

P5: Inter-house quiz

*Pupils in Years
10-12 will be
taking part in
the tutor
sessions and
P1 activities*

Normal uniform

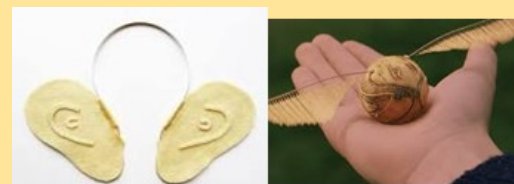

but you can wear an item of clothing to represent a favourite character.

No weapons (real, toy, fantastical or futuristic).

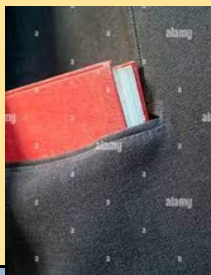

Following parent and pupil feedback, we are not running a sponsored read this year.

Instead, **we invite donations (via Parentpay)** to support literacy development in school. This includes reading resources across the curriculum, author visits and other resources.

Book in pocket

Pop your favourite book in your blazer pocket! This will be used as a great discussion starter about our reading

Book sale

We will be selling a large number of ex-library books for 20p each.

Bring some coins so you can grab a bargain!

The library is for everyone. Keep reading!

Ten Tors training update

February has been bookended by two training sessions. The first was based from Tir Y Cwm in the Black Mountains, Wales and the second on Dartmoor. As you would expect in February the weather threw up some significant challenges.

The training session at Tir Y Cwm was an intensive weekend of skill building in campcraft and navigation. Many of the navigation techniques taught

had to be put into practice on the Saturday afternoon and Sunday as a persistent, drizzly fog had made itself resident across the region for the entire weekend.

Teams had to follow bearings, aim off, handrail features and work on timings for each leg. On return to Tir Y Cwm they had to cook a meal for themselves and route plan for a longer outing on the Sunday.

At the end of February the groups visited Dartmoor for a day but carrying full expedition kit for the first time which adds extra challenge. The preceding weather had been wet to say the least, so an early assessment of stream states was needed. The day itself was not too bad. Snow was lying on the highest tops

and brooding dark clouds delivered hail and sleet between bursts of warmer sunshine.

Teams had planned their route the night before as well as undergoing a kit check to ensure they had the necessary equipment to deal with the conditions.

There are two more weekend training events on Dartmoor before the event in May. The teams are shaping up well and will be overnighting on the moor on the next two trainings. Hopefully it will be less wet!

Intermediate Maths Challenge 2024

The Intermediate Maths Challenge is aimed at enriching the Mathematics of the most able students throughout the UK, targeting Year 11 and below. Nationally the challenges attract entries from about 200,000 students. The challenge involves answering 25 multiple choice questions in one hour and is sat in school under normal exam conditions. The top 40% of students nationally receive a Gold, Silver or Bronze certificate in the ratio 1:2:3. Around 500 of the highest scorers in the UK are invited to take part in the Intermediate Mathematical Olympiad papers: Cayley Year 9, Hamilton Year 10 and Maclaurin Year 11.

Many of the best of our mathematicians from Years 9, 10 & 11 rose to the challenge, sitting the exam after school. As usual, the school performed extremely well, with an outstanding haul of certificates.

Special mention goes to:

Wilson (Year 11) who qualified for the Olympiad round, as a high performer nationally.

Further congratulations to:

Miles and **Vincent**, who not only achieved Gold but also qualified for the European, (Kangaroo), follow on round.

Harry, the only Year 10 pupil to achieve a Gold certificate at Beechen Cliff this year.

Isaac and **Samuel** achieved Silver awards

Arbel and **Arden** gained Bronze.

Alex, **Henry** and **Ted**, all from Year 10, came very close to achieving awards this year.

The **Junior Maths Challenge** will take place on Thursday 25th April 2024. The School enters the top sets in Year 8 and the most able Year 7s by invitation. Further information, past papers, plus solutions can be found on the UKMT Maths Challenge Trust website:

CRICKET KIT

WANTED

If you have any unwanted or second hand cricket equipment (which includes; **bats, pads, gloves, helmets and bags**) then we would like to take it off your hands.

We are in need of refreshing the kit that we have as we are running low on usable pieces. It's really helpful to have all sizes as we use them at training and take sets to matches for pupils to use that don't have kit.

Donated kit can be dropped into school where it will be passed to Mr Thompson or Mr Ebdon.

Thank you,

WELLBEING

Why Beechen Cliff School prioritises support for Young People's Mental Health

This week, the issue of increased poor mental health for young people in the UK has hit the national news. Data, collected by British think tank, The Resolution Foundation, funded by charity, The Health Foundation, can be seen below. They have called for cross-party government action to prevent a "lost generation" of young employees.

Currently, half a million children and young people are on a waiting list to access mental health services in the UK. **This is 85% higher than before the Pandemic.** Children and young people can wait **2-3 years** before they are seen by CAMHS (Child and Adolescent Mental Health Services).

This is why we are so fortunate that Beechen Cliff School prioritises the mental health and wellbeing of all pupils and students in the school and provides in school Solution Focused Therapy, Counselling and Talking Therapy for all who need it. Beechen Cliff School believes that early access to therapeutic support leads to improved outcomes educationally and for life, and this is why this remains a priority for us and our students.

Research Findings:

The research was published as official data pointed to an increase in young people with poor mental health.

- In 2021/22, 34% of young people aged 18-24 reported symptoms of mental disorder, including [depression](#), anxiety and bipolar disorder - a 10% increase compared to the figures reported in 2000.
- Young women are one-and-a-half times more likely to be affected than young men (41% versus 26%), according to the research.
- Between 2018 and 2022, some 21% of 18 to 24-year-olds with mental health problems were unemployed, compared to 13% without, the new study found.
- In 2022, 40% of the same age group with mental health problems were in low-paid jobs, compared to 35% of their healthier peers.
- Mental health problems increase failing GCSE risk
- Some 79% of people aged 18-24 who are "workless" due to ill health were identified to only have qualifications at GCSE level or below.
- This compares with a third (34%) of all people in the same age group, the study found.
- The report also found one in eight (12%) school pupils aged 11 to 16 with poor mental health missed more than 15 days of school in the autumn term last year, compared to just one in 50 (0.02%) of their healthier classmates.
- Meanwhile, children aged 11-14 with poor mental health are three times more likely not to pass five GCSEs including maths and English.

Please do let a member of the Pastoral Team know if you have any concerns for your child's mental health and would like them to access support in school. We want to help them.

THE GRANDFRIENDS SUNDAY SOCIALS

GRANDFRIENDS THE COMPANY OF ELDERS was set up in Bath in 2022 to enrich our community by creating new connections between our elders and younger people. We have been working in partnership with a local primary school where our GrandFriend volunteers give their time to pupils during lunch time visits and library sessions. See Facebook for more on these fantastic programmes.

The new **SUNDAY SOCIALS** programme is intended to extend the friendship of our GrandFriends to even more younger people from Bath and surrounding areas. We especially encourage guests to join us who may not otherwise have the benefit of as much relaxed and rewarding time with elders as they would like.

- ✎ We warmly invite students, families, children and adults of all ages to come and enjoy the company of the GrandFriends at this informal tea party. Everyone is welcome, but guests aged 15 or under must be accompanied by an adult.
- ✎ Our GrandFriends have been DBS checked and have completed our training which included safeguarding. We respect our GrandFriends and value them as community assets who generously give their time. We ask our guests to do the same.
- ✎ Please let us know in advance if you are planning to come along, to help our preparations. Email lavinia@grandfriends.uk or phone 01225 967680
- ✎ GrandFriends: The Company of Elders is a registered charity (number 1203669). Contributions towards our work are most welcome (cash or card, thank you)
- ✎ There is free parking for up to three hours in the streets around St Alphege's Hall.

Bloomfield Botanicals – Elderberries for cold and flu

When I started exploring the power of plants, I found myself drawn to the ways I can use common kitchen ingredients like ginger, cinnamon, cardamom, cloves, juniper berries, garlic, ginger, horseradish, rose hips and more to support wellness. And, here I am using zero chemicals making Spice Elderberry Syrup, Enhanced Elderberry Tincture and Elderberry Fire Cider and Oxymel – all are packed with immune supportive, anti-viral, anti-bacterial, vitamin rich properties.
