Message from the Headteacher

Dear Parents and Carers,

Maths Feast Competition

This week saw Beechen Cliff host the annual Year 10 Maths Feast competition which pitched 16 teams from 12 schools against each other in solving challenging maths problems against the clock in a team format.

The Beechen Cliff team of Harry, Ted, Henry and Sam represented their school brilliantly and achieved 6th place overall and were only three points off the top three. Thank you to Mr Henly for coordinating the hosting of the event enabling it to be run at Beechen Cliff this year.

Year 7 and 8 Bath Hub Science Fair

Over the last few weeks, pupils in Years 7 and 8 have been completing science projects which have involved researching and carrying out experiments in a scientific area of their choice. The winning group from each class then had the opportunity to showcase their project at the Bath Hub Science Fair held this year at Hayesfield.

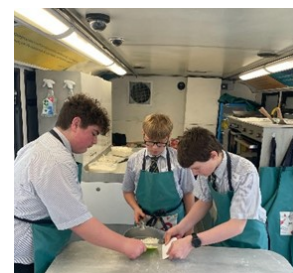

At the event pupils had the opportunity to discuss their projects with parents and visitors and then attend the Circus of Science event in the Roper Theatre. The quality of the projects was excellent and the Trust Director of Science also commented on how well Beechen Cliff pupils could articulate what they had discovered during the completion of the project. Congratulations to all pupils involved!

I Can & I Am Bus

This week we have had the I Can & I am bus visit Beechen Cliff with the opportunity for pupils in Years 7, 8 and 9 to take part in activities including making pizza and discussing wellbeing.

When I visited one Year 9 group taking part I was impressed with the quality of margarita pizza made and to see pupils completing all the washing up!

We are delighted to have our annual school concert taking place at St Luke's Church at 7pm this evening and hope you will be able to join us for what will be a wonderful evening of musical entertainment from our talented pupils.

LIBRARY NEWS

Thanks for your World Book Day donations! We have begun to receive the items we have ordered using the £500+ we raised. Here are fifty new Barrington Stoke books.

Barrington Stoke works with the best writers to publish super-readable, accessible books that can help every child experience the joy of reading. Book themes are matched to the reader's age, not their reading age, so older pupils with lower reading ages can find books that will be of interest to them. The print and paper used is dyslexia-friendly and the books are fast-paced and not too long to keep even the most reluctant readers engaged. Why not encourage your son to

come to the library and try one! <https://www.barringtonstoke.co.uk/>

Reading with 6th Form Buddies

Following the success of the buddy reading on World Book Day, we have set up reading sessions during tutor times where pupils from Y7 and Y8 are able to come to the library to share their reading with sixth form volunteers. The sessions this week were great with pupils getting to know each other finding confidence to read aloud. We hope this scheme will be a useful addition to our interventions and I want to thank the 15+ sixth formers who have volunteered their time to help our KS3 pupils.

Unfortunately recently, we have heard from a number of parent carers that they are unaware of the SEND Local Offer, both at early stages of their child's SEND journey, but also from some well into their journey. It's vital that all parent carers of young people with SEND are aware of the information available to them, and how to access support services. We all have a duty of care to ensure they are equipped with the information early on to assist with a positive experience.

Year 8 students have been baking Bread rolls. They were asked to be creative with their shaping, here are a few images to show their results.

Year 10 Hospitality and Catering classes have been making Fishcakes from tinned fish and tinned potatoes. They are learning about sustainability and costing of products, along with how to shape and coat their Fishcakes.

AUCTION OF PROMISES – 6.30PM FRIDAY 17TH MAY 2024

Dear Parents, Carers, Teachers and Friends,

Following a very successful Quiz and Curry night in January, the Beechen Cliff PTA are excited to announce their biggest fundraiser for 2024!

The PTA are aiming to raise money for Digital Screens in Classrooms, Sport & Extra-Curricular Activities and for updating sleeping facilities at the school cottage, Tir y Cwm, by holding an auction of promises.

For those of you that haven't heard of an auction of promises, it's an auction of items, activities, time, and experiences. We know we have a wealth of talented, skilled and generous people in the Beechen Cliff school community and we are looking for any donations to raise the funds we need!

Can you think of something you might be able to offer for the auction?

Could you bake a cake, babysit, do some gardening, act as a chauffeur for the night, offer painting? Could you offer a cookery class, instruction in music, tennis, fly fishing or a sport? You may be a lawyer, accountant, architect, website designer, vet or dentist and could give some of your time for auction.

Are you able to offer a special beauty treatment, children's party services such as face painting, some tutoring sessions, a special experience, tickets or a box to an event or even offer a holiday venue?

We're hoping for a wide range of promises to buy and sell for the benefit of the children. It would be amazing to have some 'big ticket' items, but anything you can offer will be greatly appreciated.

Local attractions and businesses are also being approached to help by offering tickets, goods or services, which you might wish to bid for at the auction.

Can you think of someone who could be the auctioneer?

We know there must be someone in our community who would be great at doing this even if they have never done it before, so please ask them to support this fantastic event by contacting Clive Greenhough on cgreenhough@beechencliff.org.uk

How do I donate a promise?

Please complete the google form here or email Clive Greenhough on cgreenhough@beechencliff.org.uk giving a brief description of what you would like to donate with your name and a contact number then he will get in touch!

How do I book a seat or table?

This event is now live on Parentpay and will cost £15, which includes a Caribbean meal and a welcome drink. There will also be music and the Heads and Tails game for a cash prize. There are only 100 seats available as it is taking place in the main hall and we expect places to sell out very quickly, so please book early to avoid disappointment. If you want to organise a table of 10, please email Clive Greenhough a lead name with your child's name and Year group along with the pupil names of the parents that you would like to be on your table to cgreenhough@beechencliff.org.uk Please make sure you and your table have paid for all your tickets first!

We really hope you will be able to support the school and thank you in advance.
With thanks and regards

School Community Wellbeing

Dear Parents and Carer's,

We hope this finds you well? This week we have two videos to share with you. Both relate to young people (and adults!) understanding what anxiety is and how we can lower our heart rate (manage the feelings of anxiety) through nasal breathing. What's really wonderful about the nasal breath and something that we share with students, that no one can tell that you are doing it! So, the technique can be done anywhere! In the classroom, the corridor or walking up the hill into school!

 RENGEN HOUSE

Bloomfield Botanicals – Elderberries for cold and flu

When I started exploring the power of plants, I found myself drawn to the ways I can use common kitchen ingredients like ginger, cinnamon, cardamom, cloves, juniper berries, garlic, ginger, horseradish, rose hips and more to support wellness. And, here I am using zero chemicals making Spice Elderberry Syrup, Enhanced Elderberry Tincture and Elderberry Fire Cider and Oxymel – all are packed with immune supportive, anti-viral, anti-bacterial, vitamin rich properties .

If you like the sound of it follow me on [Instagram](#) , or visit The Farmers Market at Green Park Station each Saturday.
