

BEECHEN CLIFF

10th May 2024

Activities Week 24 Monday 15th - Friday 19th July 2024

Dear Parents and Carers

We are really pleased to be able to share with you the plans and the programme for Beechen Cliff's Activities Week 2024.

This year we have built upon the successes of the past and are offering a range of options as has been discussed in previous letters. This will mean there will be an element of choice, via a Google Form with the number of options increasing as the boys make their way through the school. Boys will need to rank order their activities from most preferred to least with the cost and number of available places published within the booklets.

Those participating in the residential trips to Spain, Germany and Capel Curig will not need to complete the form as their activities last the duration of Activities Week and they have been automatically allocated to these in advance.

The booklet for each year explains how the process will work in more detail. It is important to note that, given their capacity, some activities will be oversubscribed and where possible we will endeavour to ensure that boys get as many of their first choice options as we can. We can assure you that no allocations will be conducted on a first come first served basis.
