

BEECHEN CLIFF WEEKLY NEWSLETTER

Newsletter 26th June 25

Message from the Headteacher

Dear Parents and Carers,

Last weekend members of the Year 7 cricket team toured Devon competing against several schools. They enjoyed the warm weather, showed a fantastic attitude all round and represented their school brilliantly. Well done to all involved and thank you to Mr Ebdon and Mr Thompspon for organising the tour.

On Monday evening we were delighted to welcome Year 6 pupils and their parents to Beechen Cliff for New Parents Evening as part of their transition to Beechen Cliff. It was great to meet everyone who will be joining our community in September. Our Year 10 Prefects and current Year 7 pupils assisted with the event including the 'meet and greet' and also giving talks during our meeting in the Sports Hall. As student ambassadors they were excellent and were a real credit to themselves and the school.

On Tuesday and Wednesday we had our Sixth Form induction with nearly 300 Year 11 students attending including from Beechen Cliff and other schools. It was a great start to their Sixth Form experience and we wish them a lovely summer and all the best for GCSE results day in August. The current Year 12 Senior Prefect Team did a wonderful job in organising and supporting with many aspects of the day including the clubs and activities 'freshers fair'

Yesterday evening our annual Art Show took place with some quite exceptional work on display from our Art and Photography students. As ever I am so impressed with the artistic talent in the school and it was a privilege to view their work. A separate article with more examples of the work is found later in this newsletter.

Uniform

We believe it is important for all pupils to attend school smartly dressed in their school uniform. We believe uniform is important and can play a key role in:

- promoting the ethos of the school
- providing a sense of belonging and identity
- setting an appropriate tone for education

Thank-you to all our parents who ensure that their child is correctly dressed for school every day.

Please be reminded that;

- Blazers are not optional and are required every day.
- School jumpers are an optional item but we do not allow any other jumper or hoody to be worn.
- Coats should be plain and standard school style (no hooded tops, leather/denim jackets).
- Shoes must be the black leather type available from any high street retailer. Trainers (Nike, Vans, Adidas etc), canvas shoes or boots are not acceptable.

Full details of our uniform requirements can be found [here](#).

SCHOOL FOOD BANK APPEAL

Our community's foodbank needs our support, and we are inviting all lower school students to help by donating essential food items during the week beginning Monday, 23rd June.

How You Can Help:

We kindly ask every student to bring at least one non-perishable food item — such as canned goods, pasta, rice, or similar — to their tutor group during tutor time. All donations will be collected and counted by the Young Leaders Award team.

Incentives:

- ♦ If the school collects 500 or more items, there will be a whole-school non-uniform day!
- ♦ The house that donates the most will earn house points toward the end of year rewards.
- ♦ The tutor group with the highest donations in each year will receive queue jump passes.
- ♦ The most generous individual students in each year group will be rewarded with +4 positive points and a letter sent home.

Every donation, big or small, makes a difference to families in need and helps our community come together. Thank you in advance for your generosity and support!

Warm regards,

The Young Leaders Award Team

Jurassic World: Rebirth Poster Competition

Thanks to everyone who submitted an entry to the Jurassic World: Rebirth Poster Competition, we sent off 29 entries to the Sky Academy Studios.

Unfortunately, no one from Beechen Cliff won the competition, but we received this email from the Sky team.

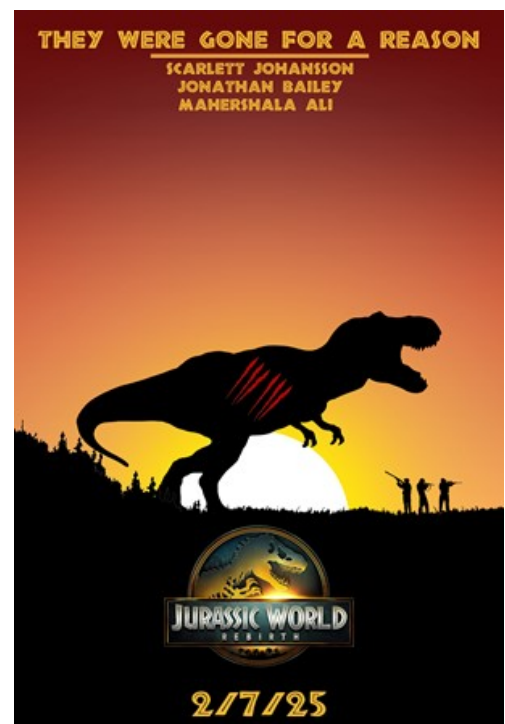

"Thank you for being part of our Jurassic World: Rebirth poster competition — and for inspiring the next generation of creative thinkers. We were blown away by the imagination, skill and passion your students brought to their entries. From thrilling dinosaur moments to cinematic landscapes, each poster told its own unique story and made this competition something truly special.

To all the students who took part and to you, for guiding and encouraging them, thank you. You helped make this competition an unforgettable journey. A new era is born and it starts in your classroom."

This was the entry from Adam P (Year 10), which we really liked for its use of colour and the dinosaur silhouette.

Everyone who had an entry submitted will be receiving positives and a computing duck! Come to the computing office to collect it.

Theme of the Week—Pride Month 2025

- June is Pride month, a month dedicated to celebrating the LGBTQ+ communities around the world.
- Pride is usually celebrated with parades and marches, and sometimes when people use the term 'Pride', they are referring to one of these
- June is the month chosen to celebrate Pride as it was the month of the Stonewall riots.

The Stonewall Riots **sparked similar protests** in cities across the USA where LGBTQ+ activists had also been pushing for change which became the **beginnings of the Pride celebrations** that we know today.

In the UK, in 1972 the **Gay Liberation Front** organised the first official Gay Pride Rally. They wanted to recreate what had happened in the USA to **help improve the lives of LGBTQ+ people living in the UK** as well.

Our inclusive pride flag will be flying outside school for the whole of June.

The role you can play in your school

- Stand up for the rights of others by being an ally and speak out when it is safe to do so
- Use your voice to help make your school a safer more inclusive space for everyone
- Get involved this LGBTQ+ History Month and help your school
- Take an active role in educating yourself on the world around you
- Practice empathy and understanding to people from different backgrounds

2025 Inter-School Spelling Bee

Well done to Huw, Ben and Lucas who took part in this year's Spelling Bee competition at Hayesfield School after their successful heats at Beechen Cliff. It was a tough competition with some tricky words including: tangible, paradigm, malignant, anaesthetic and silhouette.

Huw got through to the final round and just missed a place in the top 3 after the tricky word, reminiscence.

Well done to all three participants.

Year 12 Level 3 Sport students help umpire at local Cricket Festival

On Wednesday 18th June, our Year 12 Level 3 Sport students volunteered to help umpire in the local primary school cricket festival. These days often consist of up to 20 local primary schools who compete amongst themselves to qualify to the next county stages.

Our students were exemplary in their officiating and support they offered to the younger students from local schools. This is one of many primary school events our Year 12's go to throughout the year. They have officiated in Football and Tag rugby events.

Many of the primary school students will one day be Beechen Cliff students and our current boys remember fondly how enjoyable these sporting events are. This is only made possible due to the volunteering work of our 6th form students.

These festivals provide the Level 3 Sport students volunteering experience, work towards specific

course qualifications and boost job prospects including additional detail for UCAS applications.

We look forward to welcoming the next cohort of Beechen Cliff students over the next week for their Year 6 induction day where again, our Year 12 Level 3 Sports students will be supporting the cricket games and activities planned during the day.

Talking About Anger – and Why It Matters

Following a recent Guardian article exploring the risks of suppressing anger, we've been inviting conversations with students about how they experience and express emotions – especially anger. The article highlighted how bottling up anger can quietly affect our mental and physical wellbeing, and how important it is to find healthy, constructive ways to release it.

What's been especially powerful is the way students have responded. Their openness has been inspiring, and many have shared their own experiences and reflections about how they manage anger, what helps them feel calm, and how they support each other through emotional ups and downs.

These conversations have naturally led to wider discussions about emotions like sadness, stress, and frustration – all of which are part of being human. Together, we've explored how we can recognise these feelings, express them safely, and show up with care and support for one another.

At Beechen Cliff, our wellbeing approach is rooted in openness, compassion and connection. As part of this, we will continue creating safe spaces where emotions can be acknowledged, understood, and supported – rather than hidden away.

If you'd like to continue these conversations at home, here are a few questions we've found helpful in school:

What helps you when you're feeling angry?

What have you noticed others do that helps you feel calmer?

We hope you have found this useful.

Warm wishes,

The Wellbeing Team

BATH YOUTH MUSIC FEST

Dear parents/carers,

I am writing to you on behalf of the Orchestra of Everything, we run a range of community orchestras for adults, teenagers and juniors, playing a wide range of rock, pop, jazz and funk, with the odd bit of classical thrown in. All are open to anyone on any instrument, orchestral or electronic, any level (our annual family music day this year contained a 160-piece orchestra!) We do our own arrangements and tailor them to the musicians we have involved. Our family day arrangement contained parts from Grade 1 to 6+ on every instrument.

We are putting together a massed orchestra from all of Bath's state secondary schools, to perform at the Alice Park Youth music festival in Larkhall during the afternoon of Sunday 13th July and would love it if your children may be interested in joining in. We would be basing the collaboration on a Dr Dre hip-hop / classical / rock mashup that we arranged for the Oldfield School orchestra. If we have enough time, we could also do another rock/classical mashup from our Youth Squad - the Muse version of Feeling Good mashed up with Prokofiev's Romeo and Juliet (the Apprentice theme) or Die with a Smile by Bruno Mars / Lady Gaga mashed up with the Blue Danube (!) We could either adapt these to instrumentals or keep them with a lead singer.
