

## BEECHEN CLIFF WEEKLY NEWSLETTER

Newsletter 12th September

### Message from the Headteacher

Dear Parents and Carers,

We have had a busy second week of term.

Last night we had nearly 1500 visitors for our Prospective Parents Evening. Our tour guides and subject ambassadors were exceptional, representing their school incredibly well and we are very proud of them all. We have received so many positive comments from our visitors and we are particularly impressed with our Year 7 students and our new Year 12 students in just their second week at Beechen Cliff.

This week Mr Seal has written to all Year 7-11 parents with details of the curriculum students will be covering this year and next week Miss Mather will be writing to Sixth Form parents. We hope this information will be helpful for parents. In addition, the extra-curricular activities taking place this term are shared in this week's newsletter and I would encourage all pupils to participate and make the most of these opportunities in the weeks ahead.

Finally, next Thursday we have our Open Morning from 9am-11am and we look forward to welcoming prospective pupils and their parents to visit our school during a normal working day.

# Year 7–11 Curriculum Information and Homework

Dear Parents/Carers,

## Welcome Back

I'd like to say a big welcome back after what I hope has been a good summer break, and an especially warm welcome to our new Year 7 students. I hope that they have all enjoyed their first few days at Beechen Cliff this term.

## Curriculum Information

In order to help everyone be as prepared as possible in their studies, please note that we have updated the subject curriculum booklets and learning journeys for each subject on the school website. These provide a brief overview how they are taught and outlines the content covered each term as well as assessment information. They also include links to useful websites and revision resources. I hope that you find these useful. They are available to view using this link.

[Key Stage 3-4 Subject Curriculum information](#)

## Homework information

Now that students have had their first few lessons, they will have begun to receive some homework. All homework is set on Google Classroom. The work will include instructions and any documents required will also be attached. The due date is included and work which is due will show in students' "to do" list. We ask that students also record their homework in their planner so that they and you are able to easily see what is due and to develop their independence.

## Google Classroom summary emails

To help you to keep track of the homework your child has been set, you will be invited as a guardian to their Google Classroom. Once you have received an email inviting you to join the Google Classroom, you will start to receive weekly summary emails which will show all of the homework your child has been set. You can alter the frequency of these emails in the settings. We are still currently in the process of inviting guardians as we were delayed by network difficulties in the last week of summer. However, we have now resolved the issues and expect that you will receive the invitation email in the coming days. Please look out for these. For more information about homework, including expected frequency and common types of homework, please see the homework policy. [Beechen Cliff Homework Policy](#)

If you have any questions about the curriculum or homework, please email [headteacher@beechencliff.org.uk](mailto:headteacher@beechencliff.org.uk) and I will get back to you. I will also be available during each of the forthcoming Parents Information Evenings should you wish to ask me anything in person.

I wish you all a very good start to the year.

Andrew Seal  
Deputy Headteacher

# THE LIBRARY NEWS

A calm, quiet space to read and work

**Welcome Back -**  
the books  
have missed you!

For new students and their families, I am Mrs Bridge, the library lead and literacy coordinator. I am here to help all students, parents and staff with any literacy or reading concerns. The best way to improve your reading is by doing it! Come to the library to borrow a book.

All students can borrow up to two books for three weeks. Return your books before the date stamped in the front, or bring them back to the library to renew them. Don't see what you want? Let me know and I will try to order it.

If you want any help with reading, please get in touch. My email is:  
[lbridge@beechencliff.mnsp.org.uk](mailto:lbridge@beechencliff.mnsp.org.uk)

**READING TOP TIP:**  
**Students: Make reading a habit**

Try to keep (or get into) a routine for reading. Read at the same time each day - straight after dinner, or just before bed? Record all your reading in your planner

## OPPORTUNITIES

**Volunteering:** you can be a pupil librarian in any year group. This can count towards your DoFE 'volunteering' for any level of the award.

### CLUBS:

**Quiet Games KS3 - Mon 12.30**

**Learn to Play Bridge KS4/5 - Tue 1.30**

**Schools Challenge Quiz ALL - Tue 3.15**

**Book Clubs To be confirmed**

## Library Opening Times

Open Monday - Thursday before school (from 8am) at break / lunch.

Currently closed on Thursday afternoon and Fridays (except for homework club).  
Homework Club every day after school (until 4.30)

## Library Rules

**The Library is a calm and quiet space to read and work.**

**No food, drink, mobile phones or earbuds allowed at any time**

Keep Reading!

Mrs Bridge

## Year 11 Hospitality and Catering

Students have come back with a skills- based practical. In their cooking tests they have to photograph their skills, so today they practised by having photos of their bread skills taken. There were skills shown through weighing and measuring, shaping, glazing and baking. Good preparation for their next steps this year..

Mrs K Gallagher

## Music News

### Music Lessons

All instrumental lessons will begin next week ( w/c 15th September 25). I would ask parents to ensure pupils check the timetables displayed in the music centre foyer. A copy of the timetables can also be found online in the music pages <http://musicbcs.weebly.com/music-timetables.html> Timetables are updated each Friday in preparation for the following week.

### Extra Curricular Clubs (music)

A reminder about all the extra-curricular music activities that take place. The main ensembles take place after school and include Choir on Monday, Concert band/Orchestra on Tuesday and Folk group on Thursday. All rehearsals take place in the music centre between 3.20 and 4.10. In addition, Saxophone group will rehearse on Monday lunchtime (1.30-2.00), Swing band on Wednesday lunchtime (1.30-2.15pm) and year 7 ensemble on Thursday lunchtime (12.30-12.55). Please encourage your son/daughter to get involved in one of these clubs.

### Piano Concert—Wednesday 22nd October 7.00pm. St Lukes Church, Bath, BA2 2BD.

We will be holding our annual piano concert in the last week of this term. More details will follow in due course, but if you wish your son/daughter to be involved, please ask them to come and see one of the music staff or alternatively e-mail: [music@beechencliff.mnsp.org.uk](mailto:music@beechencliff.mnsp.org.uk)

## Mouthguards for Lessons and Extra-Curricular Activities

All pupils need a mouthguard for Games lessons as they will be participating in rugby and hockey this term. Mouthguards will also be needed for training and fixtures for both sports.

Mouthguards can be purchased online or at sports shops at a very reasonable price. We also work in partnership with Opro if you would like a custom fit mouthguard. All details can be found on their website-<http://opro.com/> and use code **BeechenCliff10** for 10 % discount. The school also has its own design which can be found on the Opro website.

Mr P Macdonald  
Head of Year 10

## MUSIC TOUR

We are hoping to build on the success of the previous music tour to Barcelona in 2023 as well as our recent mass rehearsal before the summer with another European trip in July 2026! (Destination TBC)

The students will be performing away from home in front of international crowds, which boosts any musician's confidence, whilst also engaging with their friends in an unfamiliar setting and discovering new places.

The cost of this 6 day tour is expected to be in the region of £900.

Thank you to those who have already expressed interest. If you have not already done so and your child would like to attend this trip, please indicate this by completing the google form below by Friday 19th September. Letters will then be sent out in due course with more information regarding next steps. We will be asking for a deposit of £50 by the end of September which will be refunded if there is insufficient interest in the trip.

**Please note**, this trip is intended for practising musicians, pupils having instrumental lessons, and/or those who are regularly involved in music ensembles.

## Sports Fixtures at Beechen Cliff

The new term has already seen several sports fixtures taking place in school, so I would like to take this opportunity to remind you that you are always very welcome to come onto site to watch these fixtures, but would ask that you follow certain protocols:

For fixtures during the school day (any fixture that means you are on school site before school finishes at 3.15), please could you park outside of school and then follow the signage and ensure that you are issued with a sticker to indicate that you are a visitor to the school. We then ask that you watch the fixture on the side of the pitch furthest from the school. Toilet facilities for these fixtures are available in Alexandra Park, which is next to the school.

For fixtures which start after 3.15 there is no requirement to get a sticker and you can stand on any side of the pitch. As with other fixtures, toilet facilities are available in Alexandra Park.

We look forward to welcoming you to fixtures in the future and hope that the sporting season is successful, but, more importantly, enjoyable for our pupils and students.

Mr Clive Hall  
Designated Safeguarding Lead

## Combined Cadet Force New Academic Year Update

Whilst most members of the school community have been enjoying the break, for many of the cadets and staff the holiday has provided the opportunity to prepare aspiring young leaders within the contingent and to plan for the year ahead.

The first job of the summer break was to put together the kit and uniform packs to ensure that the fifty new recruits in Year 9 are fully equipped to take on the roles and to undertake the training which will be the mainstay of the first two terms in the contingent. Packing the bergans ( rucksacks) with a sleeping bag, liner, mess tins, webbing, fleece and waterproofs took a great deal of time but it is always worth the effort when the new cadets get to receive their packs and recognise for the first time the investment in time and equipment that is being made for them.

From August 18th until August 28th the cadets in Year 10 who had put themselves forward to be considered for promotion attended the MOI ( Method of Instruction) course which allows them to demonstrate their ability to teach lessons to the younger cadets and to show that they have the skills required to take on leadership within the contingent. It is a demanding experience and one from which all participants benefit. Each lesson being delivered ( in fieldcraft, skill at arms, signals, drill or first aid) is assessed formally and, if every element is passed, allows the cadet to be considered for promotion to the rank of Lance Corporal and to be eligible to be fitted for the 'formal' uniform used on special occasions.

This year 21 candidates put themselves forward for the course and each acquitted him or herself exceptionally well. The 'middle' section of the course involves a three day 'residential' experience in the field - a rather generous description of an experience which involves sleeping under a piece of camouflaged sheet in a wood. It is this element which tests the cadets to remain positive and focused, despite the need to be 'on duty' for periods of the night and to be setting out and delivering fieldcraft lessons to their peers. They all returned fairly exhausted on the Sunday afternoon, despite the opportunity to stop at a Greggs en route for home.

As we look ahead to the next term and new academic year we will have a number of priorities to consider; integrating and equipping our large influx of new recruits, delivering our annual visit to Bovington Tank Museum, preparing for the first exercise away of the year and ensuring that the contingent is ready to do its duty at the annual Remembrance Sunday events in the city. Our contingent now numbers 130 cadets and is supported by eight staff, allowing the provision of a full range of opportunities - from shooting, archery, adventurous outdoor pursuits and skills in the field. We also provide a base for pupils who are working towards the Duke of Edinburgh Award to achieve various elements.

Recruitment into the contingent takes place from March each year, although parents can contact me at any time if they would like some more information about the contingent and its work. Please feel free to email me on [adavies@beechencliff.mnsp.org.uk](mailto:adavies@beechencliff.mnsp.org.uk)

## Tir y Cwm bunkhouse developments.

As we head towards this year's year 7 residentials at Tir y cwm, there have been some exciting developments over the summer, which hopefully our new cohort will enjoy for the first time.

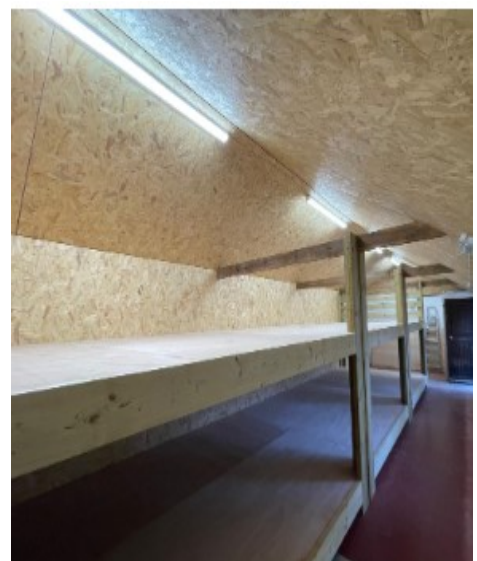

With money raised from the Auction of promises and other funds, the external bunkhouse underwent a significant upgrade in the summer.

All the old squeaky and noisy bunks were removed and a new 'Alpine' bunk installed. Alpine bunks are used in mountain huts in the Alps and are essentially large platforms for communal sleeping. There is also extra capacity for kit storage with these too.

The internal walls and roof have had new insulation fitted and the bunk room is certainly warmer as a result. As you will see from the photos, there is a significant painting job still to be done as well as some shelf fittings, but it is a significant improvement and use of space over the old bunks.

Many thanks have to go to Renway LTD based in Bradford on Avon who built the bunk and added the insulation. Hopefully this is an asset that will last many years.

Mr D Brewer.

Years 10-11 Boys

The top three finishers from each school in each category are added together to form the school's team entry. The school with the lowest combined time wins the cup for each category.

**Medals for every finisher. Accurate chip timing.**

**Also on the day : 2km Mudling fun-run and the 11km Mudlark**  
**See website for details.**

The event is organised by the Marshfield Primary School PTA.  
Your entry helps supports our village school. No entries on the day.
