

BEECHEN CLIFF WEEKLY NEWSLETTER

Newsletter 11th December 2025

Message from the Headteacher

Dear Parents and Carers,

It has been an incredible week of sporting success.

Following the victory over Loughborough last week the ACE Rugby Team were presented with the league trophy. We were delighted to have representatives from the RFU, representatives from Bath Rugby including Head Coach Johann van Graan and both former and current staff involved with the rugby programme join the entire rugby squad for the presentations. It was a memorable occasion for all involved and great to see the trophy lifted at home at Beechen Cliff.

Also this week we have seen the 1st Tennis Team progress to the knockout stages of the national winter tennis competition with victory over Monkton Combe.

We have also seen great achievements in football with the U15s through to the next round of the Somerset Cup with a 13-12 penalty shoot out victory over Chilton Trinity, the U13s through to the last 32 of the National Cup with a 9-0 victory over Kingdown and the 1st XI through to the last 8 of the National Cup with a 3-1 victory over Marling. Congratulations to all involved.

Aspiration

Compassion

Independence

Respect

In other news it has been fantastic to see our Year 8 pupils train up Year 7s as new anti-bullying ambassadors this week as part of our anti-bullying programme. This very much fits alongside our school Core Values of compassion and respect and it will be great to have the pupils' input and ideas as we continue to take a collective stand against bullying of any kind. Mrs Wilmot has provided more information and some pictures of our ambassadors later in the newsletter.

Today Year 12 pupils who completed their GCSEs at Beechen Cliff were presented with their certificates. It was great to celebrate their successes from last summer and to reflect on their positive start to Year 12. Additional awards for GCSE progress and attainment were also made to Tom, Harry, Henry and Sam. Congratulations!

Students who have moved on from Beechen Cliff are able to collect their certificates from reception.

Today Year 11 prefects have also begun their annual project with peers from Hayesfield where they work together on a student agreed personal development theme and then create assemblies that will be presented to Year 8 and Year 9 in both schools.

Previous projects have focussed on stereotypes, sexual harassment and peer pressure and we look forward to hearing what the focus will be this year.

We have also had amazing success in the UKMT Maths Challenge invitation only Senior Kangaroo event. Four students took part achieving two Gold, one Silver and one Bronze awards. Mr Henly has given more details later in the newsletter.

This week we have also had our boarding house Christmas party, ice skating trips and rehearsals for our Carol Service at Bath Abbey which we hope you will be able to join us at on 17th December at 7pm.

Wishing you an enjoyable weekend ahead.

Next week! Christmas Charity Week at Beechen Cliff

A quick reminder of what is happening next week - there will be many end of term activities arranged, but our main focus in school will be centred on Wednesday 17th December. We will be having our traditional Christmas jumper day where we ask for a donation of £2 on Arbor in exchange for the opportunity to wear one of the increasingly large array of Christmas jumpers now available! We will also be hosting our ever popular Santa Run during periods 1-3 for Years 7-9 - please use this link with details of how to pay in sponsorship:

<https://www.goodhub.com/go/bcptasantadash25>

Pupils will register in their normal lessons and will then go out and complete 3 laps of Alexandra Park. Santa hats are actively encouraged! This will also be our Christmas Lunch day, so please make sure there is enough credit on your Arbor account.

Carol Service - Wednesday 17th December 2025

Our annual Carol Service will take place in Bath Abbey on Wednesday 17th December at 7pm. This is an important event in the school calendar and is always well attended by parents and pupils.

In previous years, it has been tradition for Year 7 pupils and parents to attend this service and we invite all to attend this year as well.

In addition, there is an open invitation to all members of the school community to join us for what is always a joyous and uplifting occasion that provides the opportunity for all students to join in a school community celebration of Christmas at the start of their festive break.

Please note, no tickets are required for the event.

We hope to see you there!

BEECHEN CLIFF ANTI-BULLYING PROGRAMME

The Anti-Bullying Programme raises awareness of bullying behaviour and supports you people to tackle it and feel confident. Our first session of the Anti –Bullying Ambassador training has taken place this week. Welcome to our new Year 7 Anti-Bullying Ambassadors. They worked really hard during their training with our current

Year8 Ambassadors and already have so many ideas for the school moving forward. They should all feel incredibly proud.

**# STAND

Beechen Boarders Christmas Dinner

The boarders recently enjoyed their annual Christmas Dinner and Secret Santa celebration at Beechen House. It was a wonderful evening where students and boarding staff came together to share great food, festive fun, and the excitement of exchanging thoughtful gifts. The warm atmosphere and sense of community made the occasion especially memorable.

From everyone at Beechen House, we would like to wish you all a very Merry Christmas and a Happy New Year.

CHRISTMAS POEM FOR PARENTS AND CARERS

Dear Parents and Carers.

This week's wellbeing entry is for you! We know how hard it is to juggle all the demands leading up to the festive season and this poem reminds us that we can cope in a whole variety of ways. And that's absolutely fine.

Award Winning Poet, Donna Ashworth, writes ...

I think now is the perfect time to discuss the absolute medicine of allowing everyone to seek light however they will...
The festive season approaches at speed and we each have our own ways of coping. Some embrace the joys head-on at full speed and some fear the light it will cast over their pain.
Some show face by doing what they feel they should and some see it for what is under the wrapping paper - a season to spread love and channel goodwill.
Whatever sea you are sailing right now you will undoubtedly travel far more peacefully if you find compassion for your own feelings as well as those of everyone else.
Some people find the season so hard that they wrap themselves up tightly in lights, lest the dark overwhelm.
These souls can often come under fire for flaunting timelines, tradition and rules - but the truth is - they are warriors.
They are harnessing light where no light exists and creating hope out of tinsel and trinketry.
How wonderful. Let them.
Others find the season so hard that they are strongly swathed in survival.
The instinct to hide from it all is louder than any peer pressure and they fear the overwhelm of other people's frivolity and joy rubbing up against their loss.
They are doing what they need to do to get through to see another year
It is the simple and bittersweet flipping of the human coin of love and loss, joy and sadness, dark and light. It will flip again in time.
The thing is. December is a lot.
And life is already a lot.
So many of us can be pushed to the edge of their limits, like the coins trickling down in an arcade coin machine.
Simple kindnesses are never wrong.
Respecting a boundary, lands like love.
Digging for what lies under outward behaviour and changing your tack to ride with that, is to know true compassion
And whilst Christmas can be hard, it is also an opportunity hard to remember we are not separate, any of us.
Life connects us all.
We can see this season as a chance to remember what this life is all about - love.
It's about getting one another through. Let's do whatever we need, to get one another through.

Warmest wishes from the Wellbeing Team

HPE HPE Bristol: NextGen Innovators

Hewlett Packard Enterprise (HPE) Bristol are offering teams of students from Years 10-13 studying a STEM subject (as of September 2025) the opportunity to take part in our NextGen Innovators project. You will work together with your team of up to 5 people to develop a project that fits our brief. You will then attend our office from 10:00 AM to 4:00 PM event, where you can showcase your work to our panel of expert judges and learn more about HPE!

Hackathon details:

- **Problem statement:** How to make your day-to-day life better with technology?
- **Themes:** Sustainability, Productivity and Social Value
- **Judging Criteria:** Presentation, Innovation and Feasibility

What will I do?

- **Get together with your team** of up to 5 people of students in Year 10-13 studying a STEM subject (as of September 2025) and start brainstorming ideas.
- **Register your interest** using the QR code below (places are limited and offered on a first come first served basis and will be confirmed **by 30th January 2026** – but don't wait until then to start your projects!)*.
- **Start Hacking!** You should develop a project that addresses the problem statement and fits into one of the themes. Do you want to create a planning app to help with managing schoolwork? Maybe you have a great idea to gamify the efforts towards sustainability? Or perhaps you could use AI tools to provide social value?
- **Prepare a short presentation** (~10 minutes) and **printed poster** (any size) to show off your work.
- **Attend our HPE Bristol office** from 10:00 AM to 4:00 PM in April, where you will learn about HPE and the work we do and share your work through a short presentation and poster fair session. A panel of expert judges will assess your efforts and award prizes for the best performing group in each of the judging categories.

Why should I sign up?

- An experience **looks great on UCAS applications**, gain a fresh **insight into working in tech** and a host of valuable **soft skills** such as teamwork, time management and presentation skills.

*if you have been successful in gaining a place, a member of our team will be in touch with additional details and to offer support if required.

Sustainable You(th) Challenge

Dear Parent/Guardian,

Does your child have a passion for tackling global challenges, driving climate-positive change, and finding innovative solutions for a more sustainable future?

Are they excited by topics like sustainability, environmental science, technology, or the agri-food sector?

If so, they should apply to take part in [LEAF's \(Linking Environment And Farming\) Sustainable You\(th\) Challenge: Growing a Better Future.](#)

This Challenge is a unique opportunity for your child to **explore their interests, gain valuable skills, and discover pathways** that could shape their future career and contribution to a sustainable world.

Open to students in the UK aged 15-17, this challenge offers them the chance to **turn their interests into action**

What the Challenge involves:

- **A Challenge Day at Harper Adams University***, one of the UK's top universities for agriculture and food studies. Here, they will get a first-hand look at sustainable food production and innovation through a day of hands on activities and challenges.
- Engage with **Open Farm Sunday**, visit a farm or talk with your community discovering how food production connects with people.
- **30 finalists** will be invited to a **residential weekend at Harper Adams University***, where they will explore the agri-food sector and discover future career pathways in sustainability, food production, and environmental science.

Applications open on 18th October 2025. To apply students will submit an online form including a response to a question about their views on sustainability. Applications close on 4 January 2026.

** Travel bursaries available to support participation. In addition, free shuttle buses will run from local stations to Harper Adams University on event days.*

Why should your child get involved:

Gain insights into careers in sustainability, food production, and environmental science
Develop teamwork, communication, research, and problem-solving skills

Connect with industry leaders and like-minded young people

Exclusive prizes: opportunities to engage further with industry, bursaries to attend further

education, grade reductions for university places, and more still to be announced!

Build confidence, discover strengths, and have hands-on fun

Interested? Share with your child and get them to [sign-up](#) to be the first to receive the application form via email.

For any questions, please contact: education@leaf.eco.

The poster features a green background with a white leaf icon on the left. The text 'Sustainable You(th) Challenge' is written in white, with 'You(th)' in a larger font. Below it, 'Growing a better future.' is written in a smaller font. On the right, there is a photo of a person's hands holding soil. The poster lists prizes and eligibility criteria.

Prizes include:

- 🏆 Bursaries to support further education opportunities.
- 🏆 Exclusive industry placements.
- 🏆 Grade reductions helping to secure a place at a top university.
- ...plus more!

Express interest: be first to receive more info!

Are you...

- Aged 15 - 17 & keen to make a difference to our world?
- Passionate about sustainability?
- Curious about how your future career paths can have a climate positive impact?
- Eager to explore, experience & understand an industry at the cutting edge of driving a more sustainable future?
