

BEECHEN CLIFF WEEKLY NEWSLETTER

16th January 2026

Message from the Headteacher

Dear Parents and Carers,

This week has seen the Year 9 Parents GCSE Options Information Evening and the Year 11 Parents Evening take place. I hope these have been useful events to provide guidance on options choices and support for GCSEs but please do contact us if we can be of further assistance.

Beyond lessons this week we have seen our music students perform in the WEMA Music Festival, Year 11 Geography visits to Bristol harbourside, winter cricket nets starting up, Ten Tors training underway and many other clubs, activities and sporting fixtures taking place.

It was fantastic to have so many fixtures this week (although some were casualties to the weather) and particular success was seen with the U13 and 1st XI football teams progressing to the last 16 and quarter finals respectively in the National Cup.

In addition Alex, Charlie, Harry and Rowan took part in the second round of the School Challenge Cup Quiz this week. They had an exciting, close match against Bishop's Stortford College.

Furthermore, we have received the exciting news that our Year 10 team in the ACE Cyber Security competition has made it to the finals at UWE. Many congratulations to them all.

Finally I have had the privilege of viewing some of our exceptional Design and Technology students' projects this week. The quality is quite incredible and we are very proud of their work. An article with more details is available later in the newsletter.

T. D. Marshall

Mr T. D. Markall
Headteacher

Key Notices

REPORTING ALL PUPIL ABSENCES

All absences from School including late arrivals and medical appointments are to be reported to School promptly. Please take note of the following correct direct contact details.

Lower School Pupils

To report a Lower School absence please call the School direct on 01225 485222 OR email the lower school attendance at

attendance@beechencliff.mnsp.org.uk

Sixth Form Students

For a Sixth Form student absence please call the School direct on 01225 485221 OR you can email Sixth Form attendance at: sixthattendance@beechencliff.mnsp.org.uk

PLANNED ABSENCES

For planned absences please contact the attendance office attendance@beechencliff.mnsp.org.uk for a copy of the 'absence request form' which can also be found on the school website: [MNSP Absence Request Form](#).

Calendar

Thursday 22nd January

Year 9 Parents Evening 4.30 - 8pm
(remote)

Wednesday 28th January

USA Ski Trip - Parents Information Meeting 5.30-6.30pm

Wednesday 4th February

Bands Night 5.30 - 9pm

Tuesday 10th February

Year 10 Parents Evening 4.30-8pm
(remote)

Friday 13th February

Term 3 ends

Monday 23rd February

Start of Term 4

Thursday 26th February

Year 7 Parents Evening 4.30-8pm
(remote)

Mr D Keal
Head Chef

(W) = Contains Wheat Products
(D) = Contains Dairy Products
(GF) = Gluten Free Option

**LOST &
FOUND**

LOST PROPERTY

Our Lost Property is groaning with lost items of clothing, in particular expensive winter coats. Most items are un-named which means that they cannot easily be returned to their rightful owners.

If your child has mislaid any items, please can you encourage your child to visit Lost Property (situated in the nurses room) as a matter of priority

And a gentle reminder please to name all items of clothing and equipment brought into School.

Happy New Year and Curriculum information for Terms 3 and 4

Dear Parents and Carers,

May I say Happy New Year to you all. Now that the first set of progress reports have been shared for Years 7 - 11, the students have been reflecting on their progress and have started to complete the first of their Academic Progress reflections in their Planner, recording their target grade and the grade they are Working Towards for each subject. They have also had an opportunity to say what they think has gone well as well as the improvements they would like to see by the next report.

With this in mind, I thought it would be helpful to remind everyone that we have published what is covered in each term in each subject in our Curriculum Booklets which can be accessed using the links below. Please use these to look at the content covered in Terms 3 and 4 to see what the students will be working on. I hope that this will help you to support them.

[Key Stage 3-4 Subject Curriculum information](#)

[Key Stage 5 Subject Curriculum Information](#)

If you have any questions about the curriculum, please do contact me using the email address headteacher@beechencliff.mnsp.org.uk

Kind regards,

Mr A Seal

Deputy Headteacher - Curriculum and Assessment

GCSE Options Evening

The Year 9 Students are currently in the process of choosing the subjects they will study during Years 10 and 11.

It was a real pleasure to welcome their parents to the Options Information Evening on Tuesday 13th January, during which we outlined the various pathways available and provided more detail on the Core Curriculum as well as the subjects which can be selected. We also heard some advice about what the students should (and should not) base their decisions on and explained how to submit their choices using the school website. Finally, we addressed some frequently asked questions. I hope that the evening was helpful and informative.

For anyone who was unable to attend, the presentation and Options Booklet contain a wealth of information and can be accessed via the links below. I have also included a link to the Options Information page on the school website which has further information.

[Options Information Evening Presentation](#)

The National Year of Reading: Official update

LIBRARY BOOK AMNESTY!

If you return an **overdue** library book before the end of January, you will get a Moam!

(For books with a return date in 2025!)

Nadia Shireen, Theo Walcott and Richard Osman join Bridget Phillipson, MP at the Emirates Stadium to launch the National Year of Reading

Secretary of State for Education, Bridget Phillipson MP – alongside school children, campaign ambassadors and partners – officially launched the National Year of Reading yesterday, on 13 January at the Emirates Stadium, the home of Arsenal Football Club, inspiring the nation to Go All In on their passions through reading.

Whether it's football, music, baking, family-time, sci-fi, or ... anything, reading helps you get more out of the things you love.

So, if you're into football, read the match day programme, catch up on the transfer news or listen to an audio book about your favourite player. If you love baking, flick through a recipe book and make a cake! In short, if you're into it, read into it.

Messages:

Does anyone have any up-to-date magazines for the school library?

Keep Reading!

EXTRA CURRICULAR CLUBS AND ACTIVITIES

A major strength of our school is our phenomenal extra curricular offering that the staff put so much effort into and the students gain so much from.

Beechen Cliff's Extra Curricular Clubs and Activities list for Term 3 and Term 4 is available on the School website at

<https://www.beechencliff.org.uk/wp-content/uploads/2025/12/Extra-Curricular-for-Terms-3-4-2026-Terms-3-4.pdf>

The majority of activities will commence first week of term, however please check the website for see where this is not the case.

Music - WEMA Primary Music Festival @ Hayesfield

On Monday 12th January, Hayesfield school hosted the annual West of England Music and Arts Primary Music Festival. The event involved various ensembles from across the secondary schools in the city playing to younger pupils in an attempt to inspire them to learn an instrument.

Three performances took place throughout the day to different primary schools and all were a success, with the folk group performing two traditional pieces, 'I'll Tell Me Ma' and "Ievan Polkka'. The finale of each performance combined all the secondary schools to form an orchestra to perform an arrangement of songs from Wicked.

The primary school pupils clearly enjoyed the performances and we hope this will inspire them to get involved with music. Well done to all who were involved and we look forward to similar events in the future.

Mr S Thompson
Music Department

TEN TORS

On Sunday 10th January, 45 Beechen Cliff pupils started training for the Ten Tors event, on Dartmoor in May. Pupils from year 10 are looking to take on the 35 mile challenge and pupils from year 12 the 45 and 55 mile challenges respectively.

This event is renowned for its demanding nature and high levels of resilience, navigational skill and teamwork are required.

The Mendips offered a bright day with a cold start. Views across to snow covered Welsh mountains were had at several points in the day, before the sharp drop into Cheddar and walk back up again.

The teams walked for 7-8 hours so had a full day out. The previously mentioned Welsh mountains are the venue for the next training weekend. The groups will stay at Tir y cwm in the Bannau Brycheiniog national park. This will be an intensive weekend of campcraft and navigation techniques. Hopefully the snow will return to add to the experience.

Mr D Brewer
Ten Tors lead.

Current Vacancies in the School and the Trust

Please follow the link below to view and access all current vacancies from across the MNSP Trust
<https://www.midsomernortonschoolpartnership.com/vacancies.htm>

Design & Technology

Over the past 6 months the D&T department has seen significant investment into Computer Aided Design & Manufacture facilities. This has enabled our students to really advance the quality of products they are designing and making. This has been seen through all key stages, however most notably in KS4 & KS5. The department would like to thank the PTA for their support in reaching our desire to ensure students are exposed to industrial standard systems and processes.

Below are examples of Y13 NEA outcomes and Y10 Lighting Module outcomes

A Level Product Design

A device to support people with cerebral palsy. The medical condition sometimes results in a limited range of movement and stiffness within the joints and muscles. The product was designed to increase prolonged periods of localised stretching. Manufactured by 3D Printing ABS, Laser Cutting and forming both GRP and latex cork.

A multi changeable desk design for students with autism and ADHD at Chew Magna Primary School. The design allows the user to stand whilst in use, but also the detachable top section allows use on a desk.

The product has been manufactured using CNC Routing, 3D printing and laser cutting. In addition, several traditional methods have been adopted in the manufacture.

A specialised bicycle storage rack to be used at the boarding house at BeechenCliff School. The design has taken influence from organic themes to fit in its environment. The product has been manufactured using lamination processes, 3D printing and traditional techniques such as welding and timber joining methods.

Year 10 Design & Technology - Task lighting Module

The Year 10 students have designed and manufactured task lighting for a specific client of their choice. The client has supported the design process as the students have developed their concepts. The final outcomes have been manufactured by laser cutting plywood, 3D printing and electronics.

Mr P Simmons
Head of Design and Technology

RUGBY

Congratulations on an excellent attacking performance by BCS U17 Rugby team, winning 52 - 45 against Richard Huish School on Wednesday.

Mr A Hall
PE Dept

FOOTBALL

On Tuesday, our U13 Football team won 13-1 against Churchdown School, in round 6 of the National Cup.

674 schools entered this competition and Beechen Cliff are now into the last 16.

Mr E Hill
PE Dept

The Beechen Cliff U14B team played against Millfield on Wednesday and the game resulted in a 6 goal game. Final score 3-3.

It was a thrilling contest between the two sides.

Mr L Mann
PE Dept

Well Done to our U15B and U16B football teams on their competitive fixtures against Millfield. Whilst the results didn't go our way the boys still enjoyed the day out and there was some really good football on show.

Mr N Quintin
PE Department

Many congratulations to the 1st XI football team, through to the last 16 of the national cup with an excellent victory over Queen Elizabeth, Wimborne, in harsh wet and windy conditions.

Mr L Mann
PE Department

WELLBEING

Dear Parents and Carers,

Welcome back. We hope the school holidays offered some time to rest, reconnect, and enjoy moments together as a family. As we begin the new term, we wanted to share a few gentle reflections that sit alongside the solution focused way we support young people in school.

Research continues to show that everyday relationships matter. Young people benefit from feeling noticed, listened to, and supported by the adults around them, even as they grow in independence. Often it is the small, ordinary moments that make the biggest difference.

A solution focused perspective invites curiosity about what is already going well. Noticing effort, progress, and times when things feel a little easier can help young people build confidence and a sense of capability.

The way conversations feel also matters. When young people experience interest and understanding, they are more likely to reflect on their experiences and share what is important to them.

Families play an important role in supporting young people's engagement with school life. Feeling encouraged and supported at home can help children and young people navigate both learning and friendships.

Adolescence is often described as a time of challenge, but it is also a period of growth, learning, and increasing responsibility. When young people experience trust and encouragement, they are more likely to develop confidence in themselves and their choices.

Digital life continues to be part of everyday family life. Ongoing conversations about balance, rest, and routines can support young people's wellbeing over time.

We also want to acknowledge parents and carers. Supporting children and young people can be demanding, and your care, effort, and presence matter.

As we start the term, we look forward to continuing to work alongside families and young people, noticing what works well and building on this together.

Warm Wishes,

The Wellbeing Team

Virtual Work Experience Opportunities - Google

Digdata has collaborated with Google to bring virtual work experience opportunities to our students on the 28th and 29th January. These sessions will be hosted on Zoom outside of school hours:

FIRST STEP - suitable for students in Year Groups 7-9

Wednesday 28th January at 4.30 pm (virtual session hosted on Zoom)

Want to be a YouTuber? Dig into the data sources that could make you go viral

- A 45-minute briefing with the Google team
- Complete the career challenge at your own pace
- Certificate awarded on completion

[Register now! \(student link\)](#)

NEXT STEP - suitable for students in Year Groups 10-13

Thursday 29th January at 5pm (virtual session hosted on Zoom)

Google joins forces with Gen Z Creators to launch the Pixel 10!

- A 45-minute virtual briefing with the Google team
- Complete the career challenge at your own pace
- Certificate awarded on completion

[Register now! \(student link\)](#)

Mrs E Pascoe
Head of Futures & Level 6 Careers Adviser

Roman Baths Youth Forum

Exciting opportunity for young people (aged 16-25) at the Roman Baths, the Roman Baths Youth Forum.

The Roman Baths Youth Forum gives young people an opportunity to make friends, build skills and knowledge for their CV/WEX/university application. This is a unique behind-the-scenes experience of a museum and the heritage setting so may suit someone with an interest in history, archaeology or the museum industry. However, we have had many members with aspirations for journalism, law and even video game design. This opportunity offers unique, widely applicable skill building and is free to join.

The Roman Baths Youth Forum meets on the first Tuesday of each month, 5:30-7:30pm at the Roman Baths Clore Learning Centre with light refreshments provided. I have attached a poster, and the webpage can be found [here](#).

Students need to sign up, but this is not a formal application, only to get an idea of where interests lie to tailor sessions to the group. The next session is Tuesday 3rd February.

Mrs E Pascoe
Head of Futures & Level 6 Careers Adviser

Years 10-13 – Wessex Water (YTL UK) Apprenticeship Open Day- Saturday 31st January 2026

We're excited to invite students to our Apprenticeship Open Day on Saturday 31st January 2026 – a fantastic opportunity to explore career pathways and gain valuable insights into the world of apprenticeships.

Event Details:

Location: Operations Centre, Claverton Down Road, Bath, BA2 7WW

Time: 9:30am – 2pm

Whats on Offer:

Meet our teams and discover the incredible career paths available

Explore our services and learn more about our apprenticeship programmes

Get expert advice from our Careers team in our dedicated advice pod

Free on-site parking

Refreshments available in our cashless café (card/contactless only)

Why attend?

This event is designed to inspire and inform students about the benefits of apprenticeships and the exciting opportunities available within our organisation.

Sign up now [Your paragraph text](#)

**APPRENTICESHIP & EARLY CAREERS
OPEN DAY**

- ✓ Learn about the opportunities available
- ✓ Meet the teams and hear from our current apprentices
- ✓ Have an informal speed interview

WHEN?
Saturday 31 January 9.30am – 2pm

WHERE?
Claverton Down Road, Bath, BA2 7WW

PATHWAYS TO PROPERTY

Discover where a career in property could take you

PATHWAYS TO PROPERTY

Every day we are influenced by the built environment around us – shops, offices, industrial buildings, houses and in the surrounding countryside. All have an impact on the way we live. Did you ever wonder how these properties are developed, whether the buildings going up in our cities are sustainable or how much they are worth? Join us on one of the Pathways to Property programme activities to find out more.

Regional Insight Days

Come along to one of our regional insight days in a town or city near you. Go on a site visit, meet recent real estate graduates and current students, and learn more about what a career in the property industry looks like.

Summer School

Attend a fully funded residential on the University of Reading campus for 4 days over the Summer. You will have the opportunity to:

- Attend real estate taster lectures
- Go on site visits
- Complete a group project
- Meet key employers at a careers event

Who can apply?

These events are open to any Year 12 student attending (and have always attended) a state-funded school or college in the UK. Yr 13 students can apply to any Insight Days held between Sept–Dec. Places are limited and you will only be able to attend one of these events.

Application forms and further information on selection criteria can be found on our website: live.henley.ac.uk/page/pathwaystoproperty

Open Online Course (OOC)

Requiring just six hours of study at your own pace, the OOC has been designed to allow students the chance to learn more about a career in property. The OOC runs all year with input from our students and academics at various points. At the end you will receive a certificate.

Sign up now for this free course at:

futurelearn.com/courses/pathways-to-property

What happens after a Pathways event?

- Take part in a work experience placement we help set up
- Receive further support through e-mentoring with our students and people in the industry
- Apply for a bursary of up to £60,000 if you study a property related degree at university. If you study real estate at the University of Reading you will automatically be given a Welcome Bursary.

21% of Pathway students have gone on to study or work in property

Cost

All our events and activities are free for you to take part in.

FREE 6 week mentoring programme for 13-19 year olds run by STEM Learning in partnership with GSK. Students can explore opportunities in science, technology, engineering, and maths; from engineering and coding to research and pharmaceuticals.

Your Future. Your Choice. Your Support.

**Sign up
by 4th Feb**

**Thinking about college, uni,
apprenticeships, or jobs?**

It's exciting - but it can feel
overwhelming too.

You don't have to figure it out alone.
Join our **FREE** online mentoring
programme for UK students **aged 13-19.**

Why Join?

- 1:1 support from a mentor who listens
- A safe space to talk about your options, challenges, and goals
- Reliable info to help you make confident decisions.

Kick-start your career with a Bishop Fleming apprenticeship

Why consider an apprenticeship when leaving school?

An apprenticeship is a fantastic way to launch your career. You'll earn while you learn, gaining hands-on experience in a real business while studying for valuable qualifications without building up student debt.

If university isn't the right path for you, an apprenticeship can be the ideal stepping stone to a successful career in accountancy, audit, or tax.

At Bishop Fleming, we offer the Level 7 Accountancy/Taxation Professional Apprenticeship, funding your ACA qualification (and CTA if you join Tax), combined with practical experience across our Audit, Tax, and Accountancy teams.

Why choose Bishop Fleming?

We're one of the largest accountancy firms in the South West, with circa 550 people across 9 offices and 200+ apprentices trained annually.

As a multi-award-winning accountancy firm recognised for excellence, inclusion, and the way we invest in our people, you'll do more than earn a qualification - you'll build a career.

- Ofsted-rated Outstanding and ranked 11th in the Sunday Times Top 100 Apprenticeship Employers 2025.
- Great Place to Work-Certified™ and a Best Workplace™ for Women.
- Dedicated support from Growth Coaches and Apprentice Leads to build confidence and guide your career.
- Hands-on client work from day one with real professional exposure. Clear progression: 68% of apprentices move into senior roles.
- Wellbeing focus with Mental Health First Aiders and tailored support for work-life balance.
- Make an impact through our [1% for Communities initiative](#) – volunteer, fundraise, and give back.
- Our starting salaries vary by location but will be at least £23,760 and subject to annual reviews. Once an apprentice successfully completes their programme, they are eligible to receive a significant increase in salary.

Scan the
QR code

to search our latest jobs or click [here](#)

Where an apprenticeship can take you

Accountancy – Financial Controller, Management Accountant or Finance Business Partner.

Audit – Auditor, Financial Analyst, Risk and Compliance Specialist.

Tax – Tax Adviser, Compliance Specialist.

Advisory – Business Consultant, Strategy Analyst, or Transformation Specialist.

Wherever you start, your apprenticeship gives you the foundation to progress, specialise, and lead in a profession that values your expertise and impact. The skills you develop, such as problem-solving and financial planning, are in high demand across various industries. You could work in tech as a Financial Analyst, help a healthcare organisation stay compliant, or support a retail brand with strategic decisions. From manufacturing to creative sectors, your options are wide open.

Apply in just four steps

1. **Online application** – fill in your details, upload your CV, and answer a few questions on our [careers website](#).
2. **Online testing** – half-hour, gamified assessments to check your skills, values, and behaviours.
3. **Video Interview** – Tell us why you want to join Bishop Fleming and demonstrate your skills and experience.
4. **In-person assessment centre** – meet Managers, Directors, and Partners; take part in a case study; and get a feel for the office. You'll receive prep guidance to perform at your best.

Your future starts here

Join us to learn, earn, and grow. Gain experience, achieve qualifications, and become a future leader at a firm that invests in you.

Discover your future in Accountancy with Bishop Fleming

Join us in Bristol for our in-person insight evening

If you're considering a career in accountancy after school or college, join us for our in-person insight evening to discover Bishop Fleming and the accountancy Apprenticeships we offer. Whether you're exploring career options or ready to begin a professional accountancy journey while earning, this event will give you the insights you need.

You'll not only learn about the apprenticeship pathway, but also:

- **See where you could be working** - get a feel for the environment you could be part of
- **Meet our people** - hear from our team, from current Apprentices to experienced Partners
- **Understand what a career in accountancy really looks like** - learn more about our firm and the services we offer to our clients
- **Get ready to take the next step** - find out about our recruitment process and the support and training we provide for our Apprentices

This is your chance to see what a career in accountancy is all about, connect with inspiring professionals, and take the first step toward building a rewarding career with Bishop Fleming.

Date

Wednesday 21st January 2026
