

BEECHEN CLIFF

18th March 2026

Activities Week 2026
Monday 13th - Friday 17th July 2026

Dear Parents and Carers,

We are really pleased to be able to share with you the plans and the programme for Beechen Cliff's Activities Week 2026.

This year we have built upon the successes of the past and are offering a range of options. This will mean there will be an element of choice, via a Google Form, with the number of options increasing as the boys make their way through the school. Boys will need to rank order their activities from most preferred to least with the cost and number of available places published within the booklets.

Those participating in the residential trips to Spain, Germany, Snowdonia and CCF Camp will **not** need to complete the form as their activities last the duration of Activities Week and they have been automatically allocated to these in advance.

The booklet for each year explains how the process will work in more detail. It is important to note that, given their capacity, some activities will be oversubscribed and where possible we will endeavour to ensure that boys get as many of their first choice options as we can. We can assure you that no allocations will be conducted on a first come first served basis.

We would like Activity Week to be a fantastic experience for your son! To help everything run smoothly, please take some time to chat through the options with him before deciding. Once choices are finalised, the administrative process makes it very difficult to switch tracks. Locking in thoughtful choices now is the best approach!

You will receive the booklet for your son's year group via email today.
