

GCSE Exam Success 2026

Beechen Cliff students have celebrated another fantastic set of GCSE results this summer.

At GCSE 87% of grades achieved were grades 9-4 and 37% were grades 9-7, well above the national average for England this year.

83% of pupils achieved a grade 4 or above in both English and Maths (70% achieved a grade 5 or above) and 55% of pupils achieved the EBacc, giving them a strong basis for the next stage of their education.

They are now moving on to Sixth Form, College, Apprenticeships and, in a couple of cases, professional sports contracts and we wish them all the very best with their next steps.

Headteacher, Tim Markall said "We are incredibly proud of our pupils' achievements, which are the culmination of a lot of hard work, particularly over the last year, and they are thoroughly deserved. We now wish them all the best for their post-16 studies. I would also like to thank all the staff at our school for their dedicated support for our pupils through their GCSE courses and to help them prepare for their exams."
