

BEECHEN CLIFF WEEKLY NEWSLETTER

8th October 2026

Message from the Headteacher

Dear Parents and Carers,

This week's assemblies for students in year 7 to 11 have been led by Mr Hall and Ms Sullivan on online safety and, in particular, mobile phones and the impact they can have on us. This has linked in well with our Theme of the Week sessions in Year 7-10 about World Mental Health Day, which is on 10th October this year with a theme of "lived experiences heard: real voices, real change".

It also follows last week's Year 12 tutor sessions focused on Solution Focused approaches to studying and wellbeing.

As a school we continue to place a strong emphasis on mental health and wellbeing and we recognise the impact mobile phones can have both in a positive and negative way. The new mobile phone pouch system we introduced in September has so far been a very positive step.

I hope the sessions have given students an opportunity to reflect and gain a greater understanding of how devices can be used safely and the risks that exist. Also the importance of continuing to talk about mental health and looking out for each other in our community.

This year more staff are completing Solution Focused training with our practitioners Tara Gretton and Susie Ingram as we continue to integrate Solution Focused approaches into our practice.

T. D. Markall
Headteacher

Dropping off and picking up from school

We have had several reports of parents stopping on the zig zag lines outside school or stopping directly outside the main entrance of the school when dropping off or picking up their child.

Please can we ask you to park in marked bays or drop off and pick up elsewhere to protect the safety of our pupils and staff.

REMINDER - Sixth Form Open Morning and applications - Saturday 17th October

Year 11 Parents, will have received an email from Applicaa, the programme we use for our Sixth Form Admissions. Please have a read of this initial application information.

Your son has been sent his login details to his school email address. Please use this login to book onto the Sixth Form Open Morning on the 17th October. The booking form is on the school homepage.

We recommend that Year 11s come along to the Open Day as this is a great opportunity to hear from Miss Mather, Head of Sixth, and to attend course specific talks which will help your son decide on their A Level choices.

Following the Open Morning your son will need to complete the application form for Sixth Form which opens on the 17th October.

The deadline for applications is the 11th December. One-to-one Admissions Conversations with our Sixth Form team and SLT will take place in the spring, after mocks.

100% CLUB WINNERS SEPTEMBER

As a way to incentivise and celebrate the achievements of the boys we perform a draw at the start of each month reflecting upon the attendance percentages and positives gained by the boys in Years 7-11. Those with 100% attendance were placed into one draw and the top 15 positive point scorers in each year were entered into another. 5 names were drawn for each and a £10 amazon voucher was handed over.

Surprisingly.....the five young men in the picture arrived very quickly to pick up theirs and the moment was captured. Many congratulations to those that made their way into the draw and we look forward to the next draw at the start of November. The message remains the same, Turn Up, Try hard; the rest will take care of itself.

Children's Literature Festival

Last week, groups of students took part in activities as part of the fantastic Bath Children's Literature Educational Programme.

Thanks to the festival organisers, every student who took part this week was also able to take home a free book by the author they had the opportunity to see.

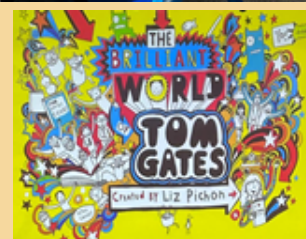

On Monday, a small group of aspiring scientists in Year 8 went to the Guildhall to see Dr ShiniSomara talk about how scientists are modern-day superheroes, using curiosity to answer questions about our world and beyond.

On Wednesday, 30 Year 7 students were treated to a fabulous creative writing workshop with award-winning author M. G. Leonard. Maya helped the collect the ingredients for a portal stories that transported them to other worlds! They came up with so many fabulous ideas for heroes, villains, settings and plots!

On Friday, another group of Year 8 students will go to The Forum to see the amazing Liz Pichon talk about her hugely popular Tom Gates books. They had a great time with a real-time draw-along with Liz and she even came over to our seats to say hello!

LIBRARY NEWS

Whole School Book Club and MNSP Awards.

Our first book club of the year took place on Monday 28th September. It was a small group, but what we lacked in numbers we made up for in enthusiasm!

We had the very important job of voting for the shortlist for the MNSP School Library Book Awards 2027!

The students read through the blurbs for twelve books and voted for their favourite six. The twelve schools involved in the Trust awards will put all the votes together and the shortlist will be revealed soon!

Trust CEO, Alun Williams, is very supportive of these awards and allocates funding for all schools to have two copies of each of the shortlisted books. We will be taking a group of students to the book awards again next year.

Come along to the library for more details!

**Next dates for
book club: 19th
Oct, 30th Nov, Dec

PTA Money for Magazine Subscriptions.

The results are in! The magazines that have been selected by the students for our library this year are shown here.

Thanks to various discounts, we were able to get 12 magazines for the money we had been given. This means even more students are able to read about the things they love. The first batch of magazines should be arriving in the next week or two and we will be getting new copies monthly for the next year. Thanks again to all who donated.

Homework in Computing

We use Google Classroom in all our computing lessons, so please remember that not all the work that is posted needs to be completed as homework. Any assignments that should be completed at home will be clearly labelled with homework in the title.

Bebras Computational Thinking Challenge

From the 9th - 20th November 2026 all KS3 students and Computer Science students at KS4 and KS5 will take part in the annual Bebras International Computational Thinking Challenge

Students who achieve a score in the top 10% of the UK will receive a Gold certificate.

MUSIC

As always, please see the noticeboard in the music department foyer or the music website for instrumental lesson timetables.

Piano Concert

Coming up next week we have our Piano Concert taking place on Thursday 15th October at St Luke's Church. It is a fantastic opportunity for pupils to perform and I would encourage those from all years to take part, no matter your level of playing. If you wish to take part please speak to one of the music staff or email me at sam.thompson@beechencliff.mnsp.org.uk.

Emails with more details will be sent out this week to those who have expressed interest in taking part.

Music Tour

We have a small number of places still available for our international music tour due to take place in July 2027.

The trip is a fantastic opportunity for pupils to perform abroad and has been a highlight of the musical calendar when it has taken place in previous years. If your son or daughter is interested please contact me as soon as possible at sam.thompson@beechencliff.mnsp.org.uk

Carol Service

As you may be aware, the school Carol Service is held annually at Bath Abbey. Choir rehearsals take place Mondays from 3:20 - 4:15 in the Drama Studio (old recital room) in the music department. It has been great to see so many new faces taking part and I would encourage pupils of all year groups and singing abilities to join.

For the full list of music ensembles and details of weekly rehearsal times, please see the list of [extra-curricular activities](#).

Upcoming Music Events:

Event	Date	Location
Piano Concert	Thursday 15th October	St Luke's Church
Beechen's Got Talent	Thursday 19th November	Beechen Cliff (Main Hall)
Carol Service	Wednesday 16th December	Bath Abbey

If you are interested in any of the above events please speak to a member of the music staff or contact me at: sam.thompson@beechencliff.mnsp.org.uk.

WELLBEING

Dear Parents and Carers,

We hope you are well and having a good start to October.

We are very fortunate at Beechen Cliff to have students on placement with us from a number of local universities, and today we wanted to introduce you to Grace Morgan, a second-year Social Work student at the University of Bath.

Grace is joining us on placement from September until January. She will have the opportunity to work alongside our SEN team, supporting students as well as delivering solution-focused group work and one-to-one sessions.

At Beechen Cliff, we have a strong commitment to bringing social work and education together. Our social work students are introduced to and trained in a solution-focused approach, which is embedded across much of our wellbeing work

We warmly welcome Grace to Beechen Cliff and really value the opportunity to collaborate with the University of Bath and to bring together social work, education and our solution-focused approach in supporting our students.

Please do get in touch with the Wellbeing Team if your child or young person is working with Grace and you would like any further information.

Warm wishes,

The Wellbeing Team

SAVE THE DATE

9-10 April 2027

Imagine a school where wellbeing comes first...

Imagine a school with a collective purpose, where people look through a lens of **what's working and what's wanted**.

A school where wellbeing isn't an add-on, but is woven through the fabric of school life — the classrooms, corridors, conversations, strategy meetings and everyday interactions.

Join us in a Solution Focus in Organisations gathering at Beechen Cliff School, Bath, where a Solution Focused approach has been growing in the community for the past eight years.

This gathering will explore what can happen when wellbeing becomes a catalyst for better outcomes — stronger staff retention, better pupil attendance, fewer behavioural issues, stronger relationships and greater engagement in learning.

This is **not a show-and-tell conference**.

It is a **working gathering** for school and trust leaders, governors, policymakers, practitioners and others who want to influence what happens in schools.

We'll share experience from Beechen Cliff and elsewhere — then work together to explore what's already working, what we want more of, and what we can take back into our own contexts.

What is the Glasshouse Academy (GHA)?

Glasshouse Academy is a unique and supportive programme, delivered by Sporting Sensations in partnership with Bath Recreation, a charitable organisation committed to creating sustainable opportunities for young people to lead healthy, active, and happy lives.

We provide a safe, inclusive, and engaging environment where young people can develop essential life skills, improve their confidence, and build strong social and emotional foundations that will benefit them in school, work, and life

A Fully Funded Programme

This is a completely free programme for families. All sessions, trips, resources, and experiences are fully funded thanks to the support of Bath Recreation and our local partners.

How Will It Benefit My Child?

Your child will:

- ✓ Learn vital skills like teamwork, communication, and resilience
- ✓ Build confidence, motivation, and self-awareness
- ✓ Engage in a variety of creative, physical, and practical activities
- ✓ Develop life skills and career readiness for future success
- ✓ Be supported in a positive, nurturing, and inclusive environment

Where is it to?

Glasshouse Playing fields, Bradford Road, Combe Down, BA2 5BX. However, venues may change during certain terms or to attend trips.

How to Re-Enrol or Find Out More

If you would like your child to join the Glasshouse Academy, please get in touch with us directly to discuss enrolment or ask any questions.

Email: academy@bathrec.co.uk

Website: <https://www.bathrec.co.uk>

Who is it for?

The programme supports children and young people from Year 5 to Year 8, with sessions and activities tailored to suit different stages of development.

Our current after-school sessions include:

Years 5 & 6 - Monday

Years 7 & 8 - Tuesday

Each session runs from as early as you can drop your child off after school until 5:45-6:00PM.

The session includes hands-on learning, group activities, and experiences designed to be fun, purposeful, and age appropriate. We also provide a hot meal.
